LAYS CLAIM TO BEING MOST UP-TO-DATE CITY

RIVERBANK, July 4.—Riverbank now lays claim to being the most up-to-date town for its size in California. It was three years ago on June 23 that the first lot was sold here, and the town now has a \$23,000 gas system, an incinerator, there is a \$50,000 water system with fifteen miles of mains, a sewer system just put in, a splendid electric street lighting system, a new bank building almost completed at a cost of \$40,000 and many other improvements.

\$40,000,000 LOST BY BABIES' DEATH

NEW YORK, July 4.—"New York city last year lost \$40,000,000 through deaths of babies under one year of age," says Garrett Smith, secretary of the Baby Week Committee. This figure, obtained by deducting the cost of rearing a baby from the average earnings of an adult, was made by the observation committee, which placed the average value of a baby at \$2,900.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed for ever. It is not a case of catarrh of the Eustachian Tube, which is nothing but an inflamed condition of the mucous surfaces.

For any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure, write to F. J. CHENEY & CO., Toledo, Ohio.

Take Hall's Family Pills for constipation.

SALTS IS FINE FOR KIDNEYS, QUIT MEAT

FLUSH THE KIDNEYS AT ONCE WHEN BACK HURTS OR BLADDER BOthers.

No man or woman who eats meat regularly can make a mistake. Flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalping, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in uric acid so no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure, makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious ailments.
