## MAKING FIGHT FOR JUDGE GALLOWAY

### CLAIM MADE THAT SUPREME COURT SHOULD REPRESENT BOTH PARTIES.

Despite the fact it has been the custom in Oregon to elect none but republicans to the supreme bench, friends of Judge William Galloway are hopeful there will be a departure from the usual custom this year and that at least one democratic member of the bench be chosen so as to give the court a more balanced membership.

In the state candidates' pamphlet Bert E. Haney, democratic state chairman, has the following statement in reference to the membership of the supreme court and Judge Galloway's candidacy.

"The office of justice of the supreme court is non-partisan. Politics has nothing to do with the duties of the office. The three holdover justices are republicans. There are four

trains of badly needed German reinforcements were blown up between Peronne and St. Quentin through the feat of a French gunner, who managed to tap a telephone wire connecting two German stations.

By this means he gained the information that the trains were coming and was able to place guns to command the line. By a quick attack he was able to ambush the two trains.

The Mail's correspondent says that on Sunday the entire general staff of one German division were brought prisoners to Amiens.

Tired Mothers. It's hard work to take care of children and to cook, sweep, wash, sew and mend besides. Tired mothers should take Hood's Sarsaparilla—it refreshes the blood, improves the appetite, assures restful sleep and helps in many ways.—Adv.

French Officer Loss Big. PARIS, Sept. 24.—The proportion of French officers killed or wounded in the battles is so great as compared with the casualties among the privates that the question is being discussed whether it would not be advisable to modify officers' uniforms and make them more difficult to distinguish from those of the men.

The Germans seem to pick out officers all the more easily since the French officers are said to be showing great daring at the heads of their companies.

There have been many promotions of general officers recently to fill vacancies made through casualties. The brilliant French cavalry leader, General Bridoux, was killed in action.

Warning. All persons in the city of Pendleton are forbidden to sell, throw or have in their possession confetti during the Round-up week. (Signed) POLICE COMMITTEE. JOHN KEARNEY, Chief of Police.

### JUDGE GALLOWAY

additional justices to be elected. Everything else being equal, it would only be fair that some of these should be democrats.

"Judge Galloway has had ten years' experience on the circuit bench and was elected the second time by two thousand plurality in a district overwhelmingly republican. This fact alone is strong evidence of his ability, integrity and of the satisfactory character of his services as circuit judge. However, his strongest claim for this position is his great store of common sense and his kindly nature and understanding of men and affairs. The day has come when we want more common sense and humanity and less technicality in our courts."

Kaiser Praises Troops. LONDON, Sept. 24.—Emperor William, after reviewing the Imperial Grenadiers, commanded by his son, Prince Oscar, following the battle of

Verdun, spoke to the troops, says a Copenhagen dispatch to the Daily News.

"I salute you," said the Emperor, after embracing the prince. "I have

often seen your gallant regiment at maneuvers, and it is a great pleasure to meet you again on conquered grounds.

"The heroic deeds will be engraved on the history of the war forever in golden letters. Your regiment has upheld the glorious traditions of your forefathers in 1870 and 1871.

"The armies of the Crown Prince and Duke Albrecht of Wurtemberg have advanced while our eastern army has thrown three Russian army corps over the frontier, and two more Russian army corps have been captured in the field.

"For all these victories we have one God to thank and he is our ancient God who is over us."

"I did all I could to keep the peace," the emperor is quoted as having said to a clergyman, "but our enemies would not have peace. Now we will have to crush them to the ground."
