

# Vote to Save Industrial Oregon

## Vote "No" 329 and "No" 331

The very life of the future manufacturing and industrial progress of Oregon hinges upon the defeat of the so-called "Water Front" bills to be voted on Tuesday, November 3rd.

So cunning and adroitly are these bills worded there is grave danger that many people will be deceived.

If these measures become laws the result will be that the State will take title to the tidelands and submerged lands and will be prohibited from selling any of these lands. They can only be leased for docks. No more ship-yards, saw mills, canneries or other plants requiring access to deep water—nothing but docks, docks, docks.

Every citizen of Oregon—wage earner, farmer, business man or woman, wants to prosper. These measures if enacted will throttle progress at the gate. Investors will shun Oregon. This means no work for the wage-earner, nothing to pay the store-keeper with and therefore nothing to pass on to the farmer or producer. Let no one think these bills do not concern him.

Before you go into the booth to vote, read 329 and 331 carefully. Talk to your neighbors about them.

Oregon is rich in natural resources, but poor in development. What the state needs above everything else is outside money to come in and develop its resources. That means GOOD WAGES, PLENTY OF WORK, GOOD PRICES and GOOD TIMES.

This is not a political question; it concerns only the prosperity of Oregon and of you.

### Give Progress and Good Times a helping hand by voting "No" 329 and "No" 331.

### What Would You Do?

There are many times when one man questions another's actions and motives. Men act differently under different circumstances. The question is, what would you do right now if you had a severe cold? Could you do better than to take Chamberlain's Cough Remedy? It is highly recommended by people who have used it for years and know its value. Mrs. O. E. Sargent, Peru, Ind., says, "Chamberlain's Cough Remedy is worth its weight in gold and I take pleasure in recommending it." For sale by all dealers.—Adv.

## ECHO SOCIAL CLUB GIVES FIRST BALL OF SEASON

### MANY ATTEND EVENT—BASKET-BALL GAME PLAYED—OTHER NEWS NOTES.

(Special Correspondence.) ECHO, Ore., Oct. 26.—The Echo Social and Athletic Club gave their first ball of the season Thursday night. A large crowd was present. The United Orchestra of Pendleton furnished the music. A pleasant time was had by all.

A basket ball practice game was played here last evening at the city hall between the high school pupils of Stanfield and the highs of Echo. It was a double header game. Both the boys' team and the girls' team of each school played. The score was decidedly in favor of Echo, but this was expected as the Echo players of both sex have long been noted for their good playing, and this was the first indoor game for both Stanfield teams but they are good sports and a little practice is all they need.

### Greece Buying for War.

KANSAS CITY, Oct. 24.—That contracts for war munitions aggregating several million dollars will be let to Kansas City and other middle western firms in the near future by the Greek government, was the assertion made here by George Panagoutopoulos, a contractor for the Greek government, who says he already has let large contracts for supplies.

Contracts were signed today for ten or twelve hundred horses to be delivered from Oklahoma, and, according to Mr. Panagoutopoulos, contracts were signed in New York last week with firms there for the delivery, through Mexico, of 1,000,000 tons of coal or other necessities. Ten thousand saddles were bought in Egypt, Mr. he said.

Mr. Panagoutopoulos asserted that the purchase of supplies did not mean that Greece was preparing for war, and explained that the Greek army was in the process of reorganization.

### Haitians Preparing Coup.

WASHINGTON, Oct. 24.—Haitian revolutionists are preparing for a final campaign to crush the existing island government, according to reports to the navy department. Active preparations are under way, large numbers of recruits being enlisted by northern leaders to deliver a blow that is expected to annihilate the already weakened federal army.

Commander Twining of the gunboat Tacoma, at Cape Haitien reported that a force of 100 United States marines had been placed as a guard at the American Consulate. He also reported that the crew of the Haitian gunboat Nord Alexis had deserted and turned the vessel over to the revolutionists.

Davilmar Theodore, the rebel leader, has entered Cape Haitien and declared himself president. Salnco, a prominent revolutionist, has assumed command of the rebel troops and is increasing his forces.

Convalescence after pneumonia, typhoid fever and the grip, is sometimes merely apparent, not real. To make it real and rapid, there is no other tonic so highly to be recommended as Hood's Sarsaparilla. Thousands so testify. Take Hood's.

### ACKNOWLEDGE IT.

Pendleton Has to Bow to the Inevitable—Scores of Citizens Prove It.

After reading the public statement of this representative citizen of Pendleton given below, you must come to this conclusion: A remedy which proved so beneficial years ago with the kidneys, can naturally be expected to perform the same work in similar cases. Read this:

Mrs. William McGregor, 711 Lileth St., Pendleton, Ore., says: "I was troubled more or less all my life by weakness of the kidneys. My hands and feet swelled and sometimes my whole body bloated. A steady pain in the small of my back annoyed me when doing my work and it was hard for me to straighten after stooping. When I did stoop, sharp twinges shot through my back and sides. Dizzy spells and headaches were common and I couldn't rest well. In the morning I felt all tired out. It would be hard to describe the misery I went through. I tried a great many remedies and spent a great deal of money for doctors' treatment, but got no relief. Finally, I saw Doan's Kidney Pills advertised and the first box helped me. Continued use of Doan's Kidney Pills cured the aches and pains in my back and regulated the action of my kidneys. I am now in good health. I am glad to confirm all I have said about Doan's Kidney Pills when I endorsed them before."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. McGregor had. Foster-Milburn Co., Props., Buffalo, N. Y.
