CHICAGO WHEAT HIGHER

Loss Early in Session Caused by Lack of Liverpool Quotations, Covering Late in Session.

CHICAGO, Oct. 30.—Wheat closed 1-8@1-2 up. It was not difficult to break wheat yesterday. The trade was without Liverpool quotations. Northwest receipts were considerably under last year, which gave a little better turn to prices on first trade, and an export house bought a little December as high as \$1.14. An hour before the close four different houses had orders to buy small round lots of December, and this had the desired effect of bringing about a rally of 1c or more from the low point.

Liverpool corn was quoted 1-4@1-4 higher at close. Considerable covering in this market was influenced by the temporary rally in wheat. Many southwest reports are claiming larger country offerings. No shipping sales of any importance are reported as yet.

Market in oats was about Wednesday's closing figures. There was liquidation on early declines, and the preliminary estimate was for 300 cars. Oats were taken largely by cash houses and some resting orders with brokerage firms around bottom figures.

WHEAT.

December—Open, \$1.13 5-8; high, \$1.14 1-8; low, \$1.12 1-4; close, \$1.12 5-8 B.
May—Open, \$1.19; high, \$1.19 1-2; low, \$1.17 7-8; close, \$1.19 1-2A.

Cargoes Are Protected.

WASHINGTON, Oct. 30.—Steps were taken by Secretary McAdoo to prevent information relating to cargoes outbound from ports of the United States getting to belligerent nations through agents in this country. The secretary sent the following instructions to customs collectors:

"Until further directed, you will refrain from making public or giving out to any other than duly authorized officers of the government information regarding any and all outward cargoes and the destination thereof until 30 days after the date of clearance of the vessel carrying such cargoes."

The Secretary's order is understood to have been promulgated because such information in the past has fallen into the hands of consuls of warring nations and has been used in attempts to capture the vessels.

IF CHILD IS CROSS, FEVERISH AND SICK

LOOK, MOTHER! IF TONGUE IS COATED GIVE "CALIFORNIA SYRUP OF FIGS."

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely. A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half sick, feverish, don't eat, sleep, or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you will have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 50 cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.

SAGE TEA KEEPS YOUR HAIR DARK

WHEN MIXED WITH SULPHUR IT BRINGS BACK ITS LUSTRE AND ABUNDANCE.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wispy and scraggly, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the tonic at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound." Thousands of folks recommend this ready-to-use preparation because it darkens the hair beautifully and removes dandruff, stops scalp itching and falling hair; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Turks Drafting Syrians.

NEW YORK, Oct. 26.—The steership San Giorgio, in from Naples, brought as passengers several Syrians who said they had escaped serving in the Turkish army by bribing officials to give them forged passports. Among these passengers were O. P. Joseph, of New York, Joseph Haddet and his uncle, Frank About, of Fernie, B. C.

"I have been in Syria for the past three months," said Mr. Joseph. "The army is being recruited to its fullest capacity. There is a shortage of uniforms but the soldiers are marked by having stitched to their sleeves a band bearing the Turkish coat-of-arms. To remove this sleeve-band is equivalent to desertion and the offender is likely to face a firing squad. The military authorities are not only forcing into the army every available man, but are seizing supplies and stores wherever obtainable. Syrians who are naturalized Americans and are visiting Syria are having a hard time to get away."

Water Route Protected.

FLUSHING, Holland, Oct. 29.—The water routes from Folkestone to Dieppe, Boulogne and Calais are being guarded with the greatest care to protect shipping against mines and submarines. British cruisers are escorting all trawlers and mine sweepers. Torpedo-boat destroyers and other small naval craft are all along the routes. British aeroplanes are also scouring constantly.

Four Belgian fishermen have been killed near Nieuport in handling a mine that had washed ashore.

M. Max Unreconstructed.

BRUSSELS, Oct. 29.—Letters received here indicate that M. Max, the former burgomaster of Brussels, is still being held by the German officials. His refusal to turn over to the invaders the fire department tower and ladders led to his arrest. He has said the ladders were needed to protect Brussels.

When later the Germans took the ladders by force they found that the Belgians had made them unfit for service. German mechanics have repaired them and taken them to Antwerp for use in directing the fire of the gunners.

Mechanics' Session ends Today.

ATLANTIC CITY, Oct. 29.—The second and final day's session of the 46th annual convention of the Junior Order United American Mechanics of New Jersey, began here today in the Seaside Hotel with the election of new officers engrossing the attention of the delegates.

After two years of litigation the Oregon City municipal elevator is to be built.

What the Press Agent Has to Say of Present and Coming Attractions.

Orpheum—Thursday and Friday.
A splendid and well-staged two reel drama that will not soon be forgotten is "The Jackpot Club," Clair, Edna Payne and Bob Frazier have the leading roles.

The Jackpot Club meets every Saturday night and the proceeds of the game are donated by the winners to some charity. In this town James Bryant a young inventor, takes out a patent on an invention and three years later with a large factory built and wealth within his reach, he is sued for infringement on another patent. He loses the suit and goes from bad to worse. He loses his arm and finally decided to end it all. How the Jackpot Club saves him and causes a happy reconciliation between he and his wife makes a splendid end to this film of life as it really is.

"Pass Key No. 2," Joker comedy. Hubby refuses to let his wife go to the dance but when he goes down town she decides to go anyway with a friend. She loses her pass key and it is found by a young bachelor. All sorts of embarrassment and wild conflict follows but in the windup a lesson is learned. Full of laughs.

"Universal Boy" as the newboy's friend. Imp juvenile drama featuring little Matty Roubert.

Pastime—Friday-Saturday.
Alice Joyce, Mary Pickford, Harry Millarde, Jere Austin, William Stovall and Edwin Wallock are the favorite players appearing in our pictures today.

"The Viper," Kalem, two reel masterpiece, featuring Alice Joyce and Henry Millarde. It makes an interesting and likable picture that depends one its story rather than on austere character drawing or sterling humanity, but has in its mean, thorough-going, villain a tower of strength when it is considered as an offering on the screen.

"The Rajah's Vacation." A Selig one reel picture written by Harold MacGrath.

"The Smoker," a Biograph one reel comedy featuring Mary Pickford.

"Heart Selig News Pictorial."

Cosy—Friday-Saturday.
The Milos in a toe-dancing and contortionist act will be one of the acts for these two days.

"Shorty and Sherlock Holmes," two reel Broncho. A two part comedy of ranch life. The cow puncher after reading some of Sherlock Holmes stunts had a desire to emulate him into situations that make late the great detective; his ambitions produce many laughs.

"The Love Thief." Keystone.

"Our Mutual Girl." Series 38.

Alta Theatre—Today.
We trust you have acquired the habit of looking on the back page to see what is doing at "The Alta." After October 31, the advance notices under the head of amusements in this column, will be discontinued and all our attractions will thereafter be chronicled in our ad on page eight.
