MOTHER! IF CHILD'S TONGUE IS COATED

IF CROSS, FEVERISH, CONSTIPATED, GIVE "CALIFORNIA SYRUP OF FIGS.

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour.

Look at the tongue, Mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipated poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company."

What the Press Agent Has to Say of Present and Coming Attractions.

Orpheum—Tuesday-Wednesday.

Extra! Extra! For these two days only, one of the greatest novelties ever attempted in pictures and which cost a fortune to produce. King Baggot is featured in the biggest thing he has ever done. He enacts the part of every character in the cast—and there are ten different characters. He plays the hero, the villain, the elderly gentlemen, the coachman, the detective, the poor old woman, the rich woman, the innkeeper, the turnkey and the policeman. Time after time he appears simultaneously on the screen in different characters. You have never seen anything like it and you cannot afford to miss it. The title of this wonderful two-reel feature is "Shadows," an Imp production.

"A Lucky Deception," two part Nestor comedy, featuring Victoria Forde and Eddie Lyons. Bob and Lee, college chums, get in a scrape and get arrested. They are expelled from college and Bob's father informs him he must marry and settle down in a months and receive $50,000 or else—get out. Lee decides to masquerade as his fiancee and in due time they "marry." The end is exceedingly funny but they finally both win wives and fortunes. You must see this to appreciate it.

Cosy—Monday.

The One-Armed Duo in a novelty musical act will be the vaudeville attraction for tonight. These two men each of whom have but one hand play various musical instruments in a very skillful way.

"The Spark Eternal." Two reel Kaybee. A story of the New York gunmen and the regeneration of a girl and a man. There are many exciting events in this picture and the ending is unusually fine.

"The Final Impulse." American. A speedy story of life in a construction camp, with Winnifred Greenwood and Ed Coxen in the leading roles.

"Bill Joins the W. W. W.'s. Komic. One of "Bill" series of slam bank comedies that are making a great hit throughout the country.

Pastime—Today Only.

"Bootle's Baby," Edison in two parts. An adaption from the novel by John Strange Winters. Robert Conness, Herbert Prior, Mabel Trunnelle and Bliss Milford are featured.

"The Peacemaker," Vitagraph. Van Dyke Brooks, Antonio Moreno, Constance and Norma Talmadge are featured.

"An American Heiress," Lubin. A beloved adventurer picture featuring Arthur V. Johnson and Lottie Brisco.

Coming tomorrow Tuesday, "Vendetta," from the world famous novel by Marie Corelli. Says Barrymore in the New York Morning Telegraph. Not a single thought is overlooked by the producer in making this wonderful subject. "Vendetta" is in a class with "Quo Vadis' and considering that the book is translated into French, German, Russian, Persian, Greek and Hindustan the picture should be equally interesting in all parts of the globe.

LOOK FOR LAST HOUR GILLILAND FAKE STUFF

(Continued from page 1.)

of five and a half cents per pound for steel. The new Matlock street bridge cost six cents per pound. It is estimated by men who should know what they are talking about that the Eberhart graft on the county, above ordinary profit, on the 25 bridges will run to more than $20,000.

The Umatilla Bridge.

The Umatilla bridge deal was the rawest performance under the Eberhart system. The county originally had a contract for a good high truss bridge 530 feet long complete, to be built at a fairly reasonable cost. The contract was cancelled on the ground the bridge was too short and a new contract was made, directly in violation of law, for a bridge only 390 feet long, or 140 feet shorter than the original bridge. This bridge is poorly built, becomes submerged during high water and cost at least $6000 more than it should. Statements to this effect are made by engineers galore. Eberhart admitted to A. B. Cooley he made $5000 on the bridge above a reasonable profit. He told another man he had made a profit of $7000 all told, on the bridge.

Plans Substituted.

Last Thursday this paper published sworn statements from Geary Kimbrell, county surveyor, and J. W. Kimbrell, former county surveyor, saying they had absolute proof plans were substituted on six bridges built by Eberhart in 1909. By this substitution of plans after the contract was awarded, Eberhart built lighter bridges yet was paid full price and made a profit of $1030 above the excessive price he was already getting through the absence of competition.

That the Umatilla bridge was let in violation of the law is plan upon the face of the transaction. Gilliland claims the bridge was built by the county itself under a superintendent. The plain facts shown by the county records prove the bridge was erected under a contract, the Atlas Bridge Co. having the contract to erect the bridge complete. That contract has been published repeatedly and the East Oregonian has a photograph of the original contract which anyone may see.

How a grand jury two years ago came to "white wash" the Umatilla bridge deal was explained by this paper Friday. If in doubt on that point read that story. That Judge G. W. Phelps when district attorney did not sanction the Umatilla bridge deal is proven by the testimony he, Judge Phelps, gave gefore the grand jury two years ago. That topic is covered in another story upon this page today.
