But the stringent rule has been laid down by the upperclassmen. Any violation is punishable with a three cent fine.

It is reported that the sophomore girls hope to collect enough fines to give a tango party to their admirers in one of the downtown cafes.

ENGLAND COULD NOT, WITHOUT DISHONOR, HAVE EVADED WAR

Robert Bridges, England's poet laureate, who joins with the leading English authors in a declaration against Germany. Bridges was one of the moving spirits in the preparation of this document which declares that honor left England no choice but war. The paper points out that the British strove for peace until Belgium was invaded by Germany and stamps the Kaiser's plea as insane for "no nation has the right to force its culture on another by the force of arms."

Worries Overcome, Evidence Brushed Away. The Skin Cleared.

### ECZEMA ON CHILD'S BODY

Began as Rash, Itched so Had to Hold His Hands While Sleeping, Clothing Irritated Trouble, Face and Scalp Covered, Cuticura Soap and Ointment Healed.

570 High St., Oshkosh, Wis.—"When about two months old my nephew had sores break out on different parts of his body. The trouble first began as a rash which itched so at night someone always held his hands even while sleeping as at the least scratching it would run together and form scabs. His night-clothes had to have mittens on them or the scabs would be raw and bleeding by morning. His clothing or the least friction irritated the trouble. His face and scalp were covered. They called it eczema.

"We tried different treatments but none cured him. At three years old we commenced the use of Cuticura Soap and Ointment. We could see an improvement after the first month's treatment. It took nearly a year to effect a complete cure and he never had anything like it since." (Signed) Mrs. F. Scofield, Mar. 21, 1914.

Care for your hair with Cuticura Soap and Cuticura Ointment. They keep the scalp clean and free from dandruff, allay itching and irritation and promote natural hair-growing conditions when all else fails. Although Cuticura Soap (25c) and Cuticura Ointment (50c) are sold by druggists everywhere, a sample of each with 32-p. Skin Book will be sent free upon request. Address: "Cuticura, Dept. T, Boston."

### LITIGATION STARTS OVER BAKER COUNTY JUDGESHIP

BAKER, Ore., Nov. 10.—B. Messick today received his certificate of election as county judge of Baker county from County Clerk Combs. He took the oath of office at once, thereby qualifying for the office to which he had been elected. He then called on County Judge Carter and notified him of the action he had taken and declares that he is now the county judge of Baker county.

Judge Carter, on the other hand, said that he will resist any attempts to oust him from the office until January 1, unless Judge Messick obtains an order from the circuit court. This Judge Messick said he will endeavor to obtain by bringing "quo warranto" proceedings.

Judge Messick puts in his claim to the office by virtue of the provision of the statutes that, in case a county judge is appointed by the governor, he shall hold office until such time as his successor has been elected and has qualified for the office. This, he maintains has been done.

Judge Carter, on the other hand, will endeavor to hold the office until January 1, under another provision of the election laws that the officers elected at the November election shall take office on January 1 following. The case will be heard in the circuit court.

Attorneys hold different views concerning the merits of the controversy. It was pointed out, however, that any action by the county court until such time as the case is definitely settled will be not binding unless it is by the regularly qualified judge.
