What the Press Agent Has to Say of Present and Coming Attractions.

Orpheum—Thursday-Friday. For this change we have been fortunate enough to secure the wonderful four part French drama "Richelleu" produced by the Bison company.

Murdock MacQuarrie the greatest character actor on the screen today plays the part of Richelleu while Miss Pauline Bush has the role of Julie de Mortimer his ward.

The drama is one of court intrigue and replete with splendid situations. Wonderful photography, an exquisite coloring in costumes and scenery, tense situations and stirring climaxes all combine to make this one of the best features of the day.

Julie, the cardinal's ward, resents the king's attentions because she is in love with De Mauprat. Beradas who also loves Julie works up a conspiracy against the king and the cardinal and draws De Mauprat into it. De Mauprat and Julie wed and Beradas poisons his ear and makes him believe the cardinal has tricked him. De Mauprat vows to kill the high church dignitary. In the final reel comes a series of absorbing scenes. The conspirators are outwitted and the lovers reunited. Thus one of the greatest dramas of French history plays itself out to a happy ending.

Pastime Today.

"My Official Wife," a five-part Vitagraph.

The sensational story of Russian life, "My Official Wife," is easily the best drama that has been shown at the Vitagraph theater, New York, and that is no light praise. "My Official Wife" was written by Richard Henry Savage, pictured for the screen by Marguerite Bertsch, and starred by James Young. No picture of Russian life yet presented shows such vivid realism as characterizes this new famous Broadway star feature picture by the Vitagraph company. While all the scenes were taken in America, expert knowledge of places and conditions in Russia were obtained, and the result is a succession of scenes that are artistically perfect and whose every incident is a faithful representation of conditions as they actually exist. The presenting company is one of the strongest agencies in the country.

IF KIDNEYS AND BLADDER BOTHER

TAKE SALTS TO FLUSH KIDNEYS AND NEUTRALIZE IRRITATING ACIDS.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, the sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever. Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.

gregations of picture players seen in a film, and is headed by the popular Vitagraph star, Clara Kimball Young, who as Helene Marie, a beautiful nihilist, jumped into moving picture stardom in a night. Miss Young is ably assisted by Earle Williams, Harry Morey, L. Roger Lytton and an all star cast.

Cosy — Wednesday and Thursday. The and Maxwell, novelty marie status posing, will be the vaudeville attraction for these two days. This is an unusual kind of act and will please.

"A Woman Scorned." Two reel Reliance. A story founded on the old quotation: "Hell Hath No Fury Like a Woman Scorned" and deals with police life in a big city. Sam De Grasse, Eugene Pallette and Francis Billington have the leading roles. Mutual Weekly No. 94. Scenes from the war zone in Europe; ruin wrought by the Germans in Belgium; French troops going to the front; Canadian troops join the allies; searching out-going ships for reservists, and other items.

"Lover's Post Office." Keystone. "Fatty" stirs things up in an amusing way and as usual gets himself and everybody in trouble.

Coming Thursday, Friday and Saturday, Bulgars Got Circus, with five trained goats. Furiously funny.

Also for these three days Careless Corneas, comedy Cartoonist, in 15 minutes of chalk fun.

BAKER WILL HAVE STRONG TEAM TO FACE PENDLETON

ALL THE BOYS ARE IN FINE SHAPE AND EXCITING STRUGGLE EXPECTED.

BAKER, Ore., Nov. 11.—For the first time this year Baker high school will have its full strength on the football field when it lines up against Pendleton high school Friday afternoon. All the boys are in fine shape and coach and players are looking for a decisive victory over the players from Round-uptville.

Cuth Williams has shifted his team a trifle. Henry Miller, the invincible, remains at fullback, but Levi Coles, with his strength and speed, has been moved from the line to halfback. He will work there with Al Danrell and with Fleetwood at quarter. Whipple and Gardiner will be the ends with Stewart subbing a part of the time to gain experience. He is fast and sure but lacks actual experience in hard games. Baisley at center, Gorman and Landreth, Brown or Shepard at guards and Swan and Captain Langrell at tackles complete the line.

High school students held a big mass meeting at noon today, and another after school this evening at which plans for the big rally for Thursday evening was definitely shaped. All sorts of "stunts" are being arranged by the girls who will put on a parade as a takeoff on the Pendleton Roundup. Mrs. Georgia Swafford of the domestic science department, is planning the big event and it promises to be filled with thrills. Fully 95 per cent of the girls will take part in the gala fiesta which will end with a bonfire at the ball park.

Manager Cox announced today that negotiations are proceeding for the Thanksgiving game. Either Walla Walla will be played here or the fast The Dalles team will be met at The Dalles.

MINERS GET TOGETHER IN IMPORTANT CONFERENCE

DENVER, Nov. 11.—A meeting of vital interest to the metal and coal miners of the country will be held here about the middle of November when the joint committees of the United Mines Workers and Western Federation of Miners begin final consideration of plans for absorption of the Western Federation by the United Mine Workers. The joint committee met in Butte last month, but adjourned to meet here the middle of November.

While the Butte conference indicated that the absorption would probably be recommended by the United Miners, the United Miners committee wanted to come here to investigate personally the membership claims of the federation and inquire into the details of its method of administration. A member of the United Miners committee recently expressed the opinion that, in the event of absorption, it would be a year before the Western Federation would lose its identity and become merely a department of the United Miners.

VAMPS CELEBRATE 40TH ANNIVERSARY

NIAGARA FALLS, N. Y., Nov. 11.—One hundred survivors of the historic old Rescue Hook and Ladder company of volunteer firemen assembled tonight at the Imperial Hotel to celebrate the fortieth anniversary of the company's inception. Old-timers from all parts of the country arrived here last night and this morning and exchanged reminiscences of the "good old days" before fighting fire by machinery came into fashion.

BRIDGE WRECKED BY RETREATING FRENCH REPAIRED BY GERMANS

This picture shows a bridge at Tonbridge which was blown up by the French in their retreat towards Paris and which was reconstructed by German army engineers. Note the temporary supports put under the bridge by the army engineers at the left of the picture. At the right are two German soldiers posing to have their pictures taken in war like attitudes. In these men the fine type of the German fighters is well illustrated.

LIVESTOCK HOLDS FIRM

(Courtesy Tuesday's Journal.)

PORTLAND, Ore.—There was a fair supply of hogs reported on the market at North Portland today and tops remained steady at \$7.15. Killers are taking hold of hogs rather eagerly at this time; in fact are purchasing all sorts of livestock. In a measure the firmer feeling is due to the fear that the foot and mouth disease in Montana and the killing of several hundred animals there by the authorities has really scared the local trade although Montana shipments to this market have never come from the district found to be infected.

There was a generally firm feeling for hogs at the Missouri river points today and prices were well maintained. At Omaha there was a steady tone with tops at \$7.70.

General hog market range: Best light ..... \$7.10@7.15 Medium light ..... 7.00@7.05 Good and heavy ..... 6.90@6.75 Rough and heavy ..... 6.65@6.25

Cattle Market is Good.

There was another small run of cattle reported in the North Portland yards overnight. General trade conditions are firm and prices here are being well maintained, although no real top stuff has been offering of late.

At eastern points there was added strength in the cattle situation for the day. South Omaha reported a stronger to steady market. Top steers remain there unchanged at \$10.50.

General cattle market range: Selected steers ..... \$7.00@7.15 Good to prime ..... 6.60@6.35 Good to choice ..... 6.50@6.75 Ordinary to fair ..... 5.75@6.25 Best cows ..... 6.00@6.10 Good to prime ..... 5.65@6.35 Ordinary ..... 5.25@5.50 Selected calves ..... 8.00 Fancy bulls ..... 5.25@5.50 Ordinary ..... 4.00@4.25

Mutton Market Firmer.

Firmer feeling was generally shown for mutton in the North Portland yards. There was only a mere handful of stuff available for the trade today while a week ago the run was very liberal. A small number of lambs sold during the last 24 hours at \$6.30 but the general market for tops is very firm at \$8.25 and may be forced still higher.

Mutton market continues very firm at practically all eastern points now open. South Omaha showed a steady to strong tone with top lambs \$9.30, yearlings \$8 and ewes \$5.85.

General mutton market: Best yearlings ..... \$5.50@5.75 Old wethers ..... 5.25@5.60 Best ewes ..... 4.35@4.60 Best east mountain lambs 6.00@6.30 Valley light spring lambs. 5.74@5.55 Heavy spring lambs ..... 5.00@5.50

WHEAT IN SHARP LOSS

Heavy Selling Pressure Brings Price 1-8c Down at Close; Less Foreign Demand.

CHICAGO, Nov. 11.—Wheat closed 1-8c lower. There has been rather heavy and persistent selling of both December and May wheat by a number of active concerns all day. One house which sold May freely during the morning has been a seller of December around bottom prices. Tone of the cable news was less encouraging for buyers. At midday New York houses indicated that the foreign demand was slack. Primary receipts continue large. The trade and some bullish news, such as lighter receipts at Minneapolis and small increase of only 65,000 bushels for three days in stocks, bullish figures in European visible and confirmation by Baltimore of large number of

AN OLD RECIPE TO DARKEN HAIR

SAGE TEA AND SULPHUR TURNS GRAY, FADED HAIR DARK AND GLOSSY.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle for about 50 cents. Everybody uses this old, famous recipe because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.

DR. JOHNSON HAS STARTED TROUBLE

LOS ANGELES, Nov. 11.—Declaration by Dr. Milbank Johnson, president of the Los Angeles municipal charities commission, that success for suffering non-combatants in Europe will prolong the war, is causing much discussion here.

Dr. Johnson's statement was made in connection with his monthly report. He said: "If, then, Europe is apparently determined upon a war of extermination which the United States can in no way prevent, does it not occur to the discerning mind that relief efforts might only prolong hostilities?"
