Last night a very pleasant party was given by the Bachelor club, at the residence of Mr. and Mrs. Callison on Railroad street. About 17 young people were present, and all enjoyed an evening of fun and entertainment. A short program was given by the club members which proved quite a success and caused a good deal of merriment for all present. Many games were played, including flinch and rook which are the favorite card games of the club. Singing was a feature of the evening, and occasionally one of the lady guests favored the club members with a few selections on the piano. Refreshments were served and many witty and adaptable toasts were given by the young men and the young ladies. This is the first social gathering of the Bachelor club, in which girls have been present. Mrs. Callison chaperoned the young people. Misses Opal and Venice Callison lent their aid in decorating the dining room and in serving the guests.

Pupils Sew for Needy.
EUGENE, Ore., Nov. 19.—One hundred and fifty dresses, pajamas and underclothing for the suffering Belgians are being made by the students of the Eugene high school, who this morning on their own initiative turned the weekly assembly hour into a discussion of methods for aiding those in the war zone. The students resolved to give up one moving picture show or one carfare and spend the money for the purchase of outing flannel with which the garments are to be made. Nearly 400 yards of material will be purchased.
Miss Carrie Pym, instructor in domestic arts, will direct the sewing of the garments. The girls will be allowed to sew certain times in school hours and sewing classes after school will be held. It is proposed to raise from \$25 to \$50 for materials and from 100 to 150 garments will be made.
The work is similar to that being carried on all over the city by the church and club women banded as the Christmas War Relief Association. Tomorrow morning every student in high school expects to bring five cents as his share of the cost of the material.
"It's only half the price of one 'movie' or one carfare," declared one of the student orators.

WOMEN VOLUNTEERS

Milling Company Fined.
MOSCOW, Idaho, Nov. 19.—After having pleaded guilty to violating the federal law through attempting to obtain transportation of freight at less than published railroad tariffs, the Mark P. Miller Milling company, of Moscow, was fined \$5000 here by Federal Judge Dietrich.
The plea of guilty resulted in two other counts against the company being dismissed. The case was prosecuted by H. R. Duncan, an attorney from Washington representing the Interstate commerce commission.
In stress and trouble the women of a nation are always to be counted upon. In Serbia the women went to the front with muskets in their hands; they were as strong and brave as the men on the firing line. In this country few of our women escape the weakening troubles peculiar to their sex.
For every disease or ailment of a womanly character, no matter how recent or how long standing, the one sure, reliable remedy of proved merit is Dr. Pierce's Favorite Prescription.
It is prepared from nature's roots and herbs and does not contain a particle of alcohol or any narcotic. It's not a secret prescription for its ingredients are printed on the wrapper.
Women are earnestly advised to take it for irregular or painful periods, backache, headache, displacement, catarrhal condition, hot flashes, sallow complexion and nervousness.
For girls about to enter womanhood, women about to become mothers and for the changing days of middle age Dr. Pierce's Favorite Prescription should always be on hand.

IF KIDNEYS ACT BAD TAKE SALTS

SAYS BACKACHE IS SIGN OF WHAT HAVE BEEN EATING TO MUCH MEAT
When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and clogged. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach shows tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.
Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salt; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.
Jad Salt is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia water drink.
