PERSONAL MENTION

W. H. Strayer of Baker is at the Pendleton.

J. A. Ready of Umatilla was a guest of the St. George yesterday.

Jerry Stone, prominent Athena pioneer, is a visitor in the city today.

Jack Vincent, Athena jeweler, came down yesterday and spent the night here.

W. M. Goodnight was in from his country home yesterday on a business visit.

Mrs. James McLoughlin of Duncan was in Pendleton yesterday on a shopping expedition.

Anna B. Thomson, prominent Echo telephone magnate, is making Pendleton a visit today.

E. I. Davis, well known Hermiston civil engineer, made a short visit in Pendleton today.

Louis Muller, one of the prosperous grain growers of Helix, was here this morning collecting bounty upon coyote scalps.

James H. Sturgis arrived in the city this morning from Portland and Seattle where he had been visiting and is spending the day here.

EXPLOSIONS SEEN ON GOEBEN'S DECK

PETROGRAD, Nov. 20.—An "air-fair" in which a series of explosions were seen on the Turkish cruiser Sultan Selim the Grim, formerly the German cruiser Goeben, was reported to the navy staff. The message conveying the information was delayed. It referred to whatever engagement preceded the explosions merely as an "air-fair."

French Win Radio Battle.

PARIS, Nov. 17.—The German wireless tower at Nauen, between Berlin and Hamburg, which is 200 meters high, sent four lines of German poetry to the Eiffel tower and asked the French operators where the Germans had been beaten, adding that the news sent out by the Eiffel tower was scanty and untrustworthy.

The Eiffel tower replied with 14 rhymed lines also in German, asking why the Germans had not kept their promise to dine in Paris on Sedan Day.

They also chaffed the operators at Nauen on the German's "fine telegraphic victories." The Nauen station did not reply.

Do you know that the Peoples Warehouse has a choice lot of boys' suits with two pairs of knickerbocker pants at \$5.00 per suit.

Competent woman wants day work. 115 Grange street.

Notice to Public. Owing to repairs being made on one of the auto street cars, the service to state hospital and north side will be discontinued until further notice. Car going to St. Anthony hospital will leave every hour instead of the half hour as at present. PARKER TAXI CO.

Uncle Sam Involved. The government has inspected our meats and approved them as being fresh, pure and wholesome. Have you this protection elsewhere? Protect your health, phone 444, Oregon Market—Adv.

Thanksgiving Masquerade. Eagle-Woodman hall, Thanksgiving eve, Wednesday, November 25. Cash prizes for best sustained character; also for best costumes, lady and gentleman. Secure your costumes and compete for the prizes. SATURDAY NIGHT DANCE MANAGEMENT. (Adv.)

NEWS OF FARM AND RANGE

BRISK MEASURES TO STOP CATTLE PLAGUE

ALL STOCK CARS MUST BE CLEANED AND DISINFECTED SAY OFFICIALS.

Steps were taken at a meeting of state officials and representatives of the livestock interests and railroads of Oregon and Washington to guard against the foot and mouth disease which is raising havoc among the livestock in various eastern states. The meeting was held at the Imperial Hotel in Portland.

A proclamation providing that all stock cars used in this state must be cleaned and disinfected was agreed upon. The order goes into effect at midnight, Friday. While all yards where cattle are received for shipment will be disinfected, the yards at Portland, East Portland, Brooklyn, Baker, Huntington, La Grande, Pendleton, Umatilla, Junction, Roseburg and Ashland will be given special attention.

Not only will Oregon be watched for this disease, but similar orders will go into effect in Washington and Idaho and concerted effort will be made by the officials and stockmen of the three states to prevent an infection among the stock in the northwest.

Dr. W. H. Lytle, state veterinarian of Oregon, presided at the meeting at the Imperial. He did not look for much loss of stock in the northwest from the disease in view of the precautionary methods used.

That the work of sanitation and inspection of government officials would not interfere with the slaughtering of cattle in the three states was the statement of O. M. Plummer, secretary of the Portland Union stockyards.

Those who attended the meeting were: Dr. W. H. Lytle, state veterinarian of Oregon; Dr. H. T. Graves, state veterinarian of Washington; Dr. E. C. Ross, inspector in charge of the federal bureau of animal industry; William H. Daughtry, president of the Portland Union Stockyards; James K. Jewell of Kiewit & Caswell; John H. Thomas, S. W. Herring and Dan Clark of the O.-W. R. & N. company; H. H. Kock of the S. P. & S.; George Besse of the Northern Pacific; W. M. Gray of the Portland Livestock company; J. D. Mickle, state dairy and food commissioner; Charles Cleveland, of the state livestock sanitary board; Dr. A. C. Brown, deputy state veterinarian of Washington; O. M. Plummer, of the Portland Union Stockyards, and J. W. Creath.

Big Sale of Holsteins—Seventy-eight head of registered Holsteins sold for a total of \$21,355 at the second annual assignment sale of the Yakima Breeders' Association at the State Fairgrounds, at North Yakima, an average of \$273.78.

The animals were consigned by E. B. Marks, W. Todd & Sons and H. C. Davis. H. S. Royce, of Tacoma, was the heaviest buyer, taking eight head at \$2800 David Monroe of Spokane, bought seven head for \$2620. The highest price for a single animal, \$575, was paid by Dr. E. E. Heg of Seattle. The lowest for a single animal was \$125, for a four-months heifer.

Eighty-one animals were sold in last year's sale for an average of \$460 per head.

Bounty on Rabbits—Grant county has placed a bounty of five cents a

head on rabbits, according to reports by visitors from Canyon City. The county court has taken this action to help rid the county of the pest which has proved so destructive to farmers. There is no similar bounty in Umatilla county where rabbits are said to be even more plentiful than in Grant county.

Buy 600 Cavalry Horses—Turner Bros. horse buyers, have contracted for 600 head of horses in various sections of northern Malheur county. Harney county, Grant county and Baker county, especially in the Burnt river and Mormon Basin sections. These will be sent for inspection at Baker by a French army officer who will go over these and about 200 others which will be assembled there from points near Baker for inspection, Monday, November 23. The army officer is now at Lewiston, Mont., where \$45 is being paid for cavalry and artillery horses.

Selling Apples—J. Owenby, who is in Wyoming endeavoring to dispose of our surplus apple crop is meeting with good success. He has already disposed of two carloads and has a good prospect of selling at least three more. We understand the prices obtained were from \$1.50 to \$1.75 per box.—Freewater Times.

Japanese Seek Damages.

CHICAGO, Nov. 19.—George S. Kunihiro, representing the Growers' Association, filed suit for \$100,000 damages in the United States district court against nine corporations and 11 defendants affiliated with the Western Cantaloupe Exchange, whose members were indicted by the federal grand jury in August, charged with operating a monopoly in restraint of trade.

The Japanese, according to the bill, produce 80 per cent of the cantaloupes grown in the Imperial Valley, California. The defendants, it is alleged, controlled 90 per cent of the market and acted as distributing agents. In August, 1911, the defendants entered into a secret and unlawful combination to obtain exclusive control of the cantaloupe production in the Imperial valley, according to the petition. Through this contract, it is alleged, the Japanese were defrauded out of \$100,000 through false accountings to growers.

The Japanese assert the fraud was easily practiced on them because of their lack of knowledge of American business methods.

Naval Prize Given Woman.

LONDON, Nov. 19.—Another tribute to the gallantry of Captain von Muller, of the German cruiser Emden, which was badly battered recently by the Australian cruiser Sydney and forced to run aground on Cocos Island, in the Indian ocean, is contained in a letter received by a Glaswegian woman from her son, who is a member of the crew of the steamer Kabinga which was captured by the Emden in the Bay of Bengal. The letter says:

"The Emden captured the Kabinga in the Bay of Bengal, but when Captain von Muller learned that our skipper's wife and children were aboard he presented the ship to the lady, remarking to the skipper: 'You can inform your owners that as far as they are concerned the Kabinga has been seized and sunk.'"

Wild Animals Plentiful.

VANCOUVER, Wash., Nov. 20.—Lynx and coyotes are reported plentiful in various sections of the county. R. K. McQueen of Mill Plain has killed two lynx during the last week. Edward Shulvan of Hockinson, who was in yesterday with a coyote, reports that coyotes are causing considerable trouble in his vicinity.

Do you know that you can buy beautiful Christmas Polkas at 25c each at the Peoples Warehouse?

MOTHER! IS CHILD'S STOMACH SOUR, SICK?

IF CROSS, FEVERISH, CONSTIPATED, GIVE "CALIFORNIA SYRUP OF FIGS."

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign his little stomach, liver and bowels are clogged with sour waste.

When listless, pale, feverish, full of cold, breath bad, throat sore, does not eat, sleep or act naturally, has stomachache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again. Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little insides clean and sweet.

Keep it handy, mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 5c bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeiters sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.

Dumdums Again Denied.

LONDON, Nov. 19.—The war office issued a statement denying German allegations that the British troops have used dumdum, or soft-nosed, bullets, but maintaining that these missiles have been used by the Germans.

The statement describes the British and German service ammunition as similar, the bullets being pointed with steel and the envelope coated with cupro-nickel, covering the core except at the base and conforming to the provisions of The Hague convention.

In the opinion of Sir Victor Horsley, a widely known surgeon, this bullet is "probably the most humane projectile yet devised" for the reason that the "long, solid point, consisting almost entirely of a hard nickel sheath, precludes as far as possible any tendency toward deformation of shape, while the bullet from breaking up into fragments except in exceptional circumstances."

Concluding the statement says: "There is, however, clear evidence that Germany has not confined herself solely to the use of this unobjectionable ammunition. Her troops both in Togoland and France have been proved to have used bullets with a soft core and an envelope not entirely covering the core, which type of bullet is expanding and is expressly prohibited by The Hague convention."

BOYS BURN SCHOOL TO "GET EVEN" WITH PRINCIPAL THEY SAY

LOS ANGELES, Cal., Nov. 19.—Nine boys of ages from 6 to 16 were held in the detention home here following their confession that they burned the Thirty-fifth street school a week ago to "get even" with Principal Robert J. Emery. They also confessed to several small burglaries.

The boys told the police that they had formed an organization called "The Secret Seven" the chief qualification for membership in which was a reputation for not "sneaking" when other members got into trouble.

The police professed to believe that the lads under arrest would be able to give information regarding the recent destruction by fire of two other school buildings.

The German government permitted this photo to be taken to disprove statements in the French and British press that wounded enemies do not get good care when they fall into the hands of the Germans. Here are many Frenchmen cared for in a first-class hospital with every convenience, while the Germans are taxed to the utmost to provide for their own wounded.
