CATTLE MARKET FIRMER

(Courtesy Friday's Journal.) PORTLAND, Ore.—Since the closing of the Chicago livestock market and its later reopening the control of the hog trade of the country seems to be changing. For years Chicago has dominated the hog market throughout the United States. Prices made there were instantly reflected at all other stockyards and even on the Pacific coast the dealings at Chicago were almost of considerable importance.

When the big stockyards closed the primary markets were compelled to make their own price standards and this has been continued despite the fact that Chicago has resumed business.

As a rule the Omaha and other markets are based upon the delivery price at Chicago but today the Missouri river market was actually 10c above that in the Windy City. There was an advance of a dime there today with tops at \$7.55.

General hog market range: Best light \$7.50@7.55 Medium light 7.40@7.45 Good to heavy 7.25@7.35 Rough and heavy 6.50@7.00

Cattle Market Firmer. There was a firmer tone in the cattle market at North Portland for the day. Receipts were limited and holders were demanding an advance of a dime above the previous top price.

General cattle market range: Selected steers \$7.40@7.50 Good to prime 7.15@7.25 Good to choice 6.50@6.75 Ordinary to fair 5.75@6.25 Good to prime 5.65@6.85 Ordinary 5.25@5.50 Selected calves 5.00 Fancy bulls 5.25@5.75 Ordinary 4.60@4.25

No Mutton Again. This is the second day in succession or the third this week that no mutton came forward to North Portland. The market continues in a very firm position but there was no general change in values reported.

General mutton market: Best yearlings \$5.50@5.75 Old wethers 5.25@5.50 Best ewes 4.25@4.40 Valley light lambs 6.00@6.25 Heavy spring lambs 5.50@5.75

BRIEUX TELLS HOW THE DRAMA HELPS SOCIETY

NEW YORK, Nov. 19.—Distinguished representatives of American culture will be in session today and tomorrow when the sixth annual joint meeting of the American Academy of Arts and Letters and the National Institute of Arts and Letters convenes there.

The morning session, with William Dean Howells presiding, was featured by an address from the French dramatist Brioux who, after expressing the formal greetings of the Academie Francaise, spoke in French upon the theater as an instrument for social amelioration.

An excellent audience greeted M. Brioux and his address, setting forth some of the theories and facts which led him to write "Damaged Goods," was warmly applauded.

Robert Herrick, the American novelist, spoke on the quality of imagination in American life.

This afternoon the members and guests will hear a concert by the New York Symphony Society with Walter Damrosch conducting. The program of compositions rendered will be confined to compositions by members of the institute.

Tomorrow Brian Hooker will read one of his poems, Arthur Whiting will discuss the American composer, Paul Dougherty will point out the modern tendency in paintings and George W. Cable will interpret his philosophy. The sessions will conclude with the presentation of the gold medal of the institute for painting.

NORTHWESTERNERS MEET TO CONSERVE THE APPLE

SPOKANE, Wash., Nov. 19.—Representatives of growers association and commercial organizations gathered here today for the purpose of forming the Central By-Products association. The object of the association is to use the evaporating and canning of fruits and vegetables that are now being wasted because of the lack of means of preservation.

The delegates are spending as much time as possible visiting the National Apple Show which opened here Monday.

Hold Prussia Is Plea

LONDON, Nov. 20.—Telegraphing from Petrograd under date of Monday evening the correspondent of the Daily Mail says:

"Emperor William has sent urgent commands to his generals and also addressed a personal appeal to his soldiers not to let Prussia again be invaded. He knows the effect which the flight of fugitives from this region as far as Berlin made in September and is afraid that another panic, coming on top of the Russian victory at the battle of Warsaw, might have serious consequences."

POLICE DECLARE WAR ON GOING BEAUX

PORTLAND, Ore., Nov. 21.—Police Chief Clark has declared war on the fashions who infect the principal street corners of the city, and in addition to ordering them rounded up he has arranged that their bail shall be the maximum amount, \$250.

Michael J. Leary, an accountant, was the first arrested, when he is alleged to have accosted Mrs. A. L. Ford and another young woman at Broadway and Washington street, not seeing the husbands who were walking a few feet behind. They summoned Patrolman McCulloch.

Leary was released from jail a few days ago, after arrest by Detectives Price and Mallett for passing worthless checks. Leary promises to make restitution.

CHICAGO WHEAT LOWER

CHICAGO, Nov. 21.—Wheat closed 3-8c lower. A large element in the Chicago wheat trade feel that the market is subjected to bear attacks because the export news is a little less bullish in some respects. The only trouble is the wheat cannot get out of the country as fast as it is sold. This is hampering both buyers and sellers in the foreign transactions. All the southwest authorities agree that the country offerings are falling off sharply. Primary shipments yesterday exceeded receipts. The cable reports on the Argentina crop are conflicting as to extent of frost damage. Broomhall estimates are being reduced.

Selling pressure in our market caused the dip to 66 3-8c and 70 5-8c the first hour. A number of Illinois points report feeders further south asking for a lot of corn. A cargo of Argentina corn arrived at Montreal yesterday. Shorts are inclined to even up on dips and this is giving the market some of its present force. December oats went to 49 5-8c on the early dip.

WHEAT. Dec.—Open, \$1.15 3-4; high, \$1.16; low, \$1.15 1-4; close, \$1.15 1-2B. May.—Open, \$1.22 1-8; high, \$1.23 1-4; close, \$1.21 5-8B.

\$100 Reward, \$100. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J.
