It Really Does Relieve Rheumatism. Everybody who is afflicted with rheumatism in any form should by all means keep a bottle of Sloan's Liniment on hand. The minute you feel pain or soreness in a joint or muscle, bathe it with Sloan's Liniment. Do not rub it. Sloan's penetrates almost immediately right to the seat of pain, relieving the hot, tender, swollen feeling and making the part easy and comfortable. Get a bottle of Sloan's Liniment for 35 cents or any druggist and have it in the house—against colds, sore and swollen joints, rheumatism, neuralgia, sciatica and like ailments. Your money back if not satisfied, but it does give almost instant relief.—Adv.

German Captives at Tokio. TOKIO, Nov. 29.—Three hundred and fifty German prisoners from Tsing Tao arrived here. Two Japanese women presented a chrysanthemum to each, greeting each of the prisoners in German. The prisoners were touched by the greeting.

They were taken from the train in the suburbs to avoid incidents, and were taken in trams to a temple where they were interned. Crowds who watched them gave no evidence of hostility.

Home Hints and Recipes

Of Interest to Women.

In Garfield, the women are members of the Commercial club and have proven of great assistance in the civic betterment of the town.

Try using scissors in the kitchen—cutting bacon rind, poultry wings, fish fins, meat for soups, stews, etc., dough for noodles and dumplings, trimming the edge of the pie, for shredding lettuce, cutting fruits and nuts for salads, and for a multitude of things.

A small portable table to be used in the kitchen for taking things to and from the dining room, and to the pantry will be found of great service. This can be made from an old kitchen table; add a narrow ledge around it to keep things from slipping off, and strong castors. A shelf underneath will give added room. This should also have a ledge around it.

The kitchen is the workshop of the home and should be as fully equipped as is any other workshop.

Utah is the first state to require by law the holding of institutes for farm women.

Prisoners Properly Fed.

LONDON, Nov. 30.—Chandler P. Anderson, a special representative of the United States department, who has inspected the German detention camp at the Newbury racetrack, concerning which many complaints have been printed in German newspapers, is preparing his report for presentation to the German authorities.

Mr. Anderson says the only criticism he found on the present conditions was based on the lack of heat. The prisoners now are living in tents but shortly will move into huts and stables, where the conditions will be almost identical with those at the racetrack in Germany. The commandant and the prisoners at Newbury camp are on good terms, Mr. Anderson said, and the food is adequate.

Despondency Due to Indigestion.

It is not at all surprising that persons who have indigestion become discouraged and despondent. Here are a few words of hope and cheer for them by Mrs. Blanche Bowers, Indiana, Pa. "For years my digestion was so poor that I could only eat the lightest foods. I tried everything that I heard of to get relief, but not until about a year ago when I saw Chamberlain's Tablets advertised and got a bottle of them, did I find the right treatment. I soon began to improve, and since taking a few bottles of them my digestion is fine." For sale by all dealers.—Adv.

ACKNOWLEDGE IT. Pendleton Has to Bow to the Inevitable—Scores of Citizens Prove It.

After reading the public statement of this representative citizen of Pendleton given below, you must come to this conclusion: A remedy which proved so beneficial years ago with the kidneys, can naturally be expected to perform the same work in similar cases. Read this:

Mrs. William McGregor, 711 Lath St., Pendleton, Ore., says: "I was troubled more or less all my life by weakness of the kidneys. My hands and feet swelled and sometimes my whole body bloated. A steady pain in the small of my back annoyed me when doing my work and it was hard for me to straighten after stooping. When I did stoop, sharp twinges shot through my back and sides. Dizzy spells and headaches were common and I couldn't rest well. In the morning I felt all tired out. It would be hard to describe the misery I went through. I tried a great many remedies and spent a great deal of money for doctors' treatment, but got no relief. Finally, I saw Doan's Kidney Pills advertised and the first box helped me. Continued use of Doan's Kidney Pills cured the aches and pains in my back and regulated the action of my kidneys. I am now in good health. I am glad to confirm all I have said about Doan's Kidney Pills when I endorsed them before."

Price 50¢, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. McGregor had—Foster-Milburn Co., Props., Buffalo, N. Y.

EASY TO DARKEN YOUR GRAY HAIR

YOU CAN BRING BACK COLOR AND LUSTRE WITH SAGE AND SULPHUR.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. For 50 cents you can buy at any drug store the ready-to-use tonic called "Wyeth's Sage and Sulphur Compound." You just damp a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant. You will also discover dandruff is gone and hair has stopped falling.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur and look years younger.
