

A Nervous Wreck

Had No Desire To Live

Peruna Is A Tonic and Strength Builder So Says

Mrs. Frank Strobes, R. F. D. 1, Appleton, Wis. Her letter reads: "I began using Peruna a few months ago when my health and strength were all gone, and I was nothing but a nervous wreck. Could not sleep, eat or rest properly, and felt no desire to live. Three bottles of Peruna made me look at life in a different light, as I began to regain my lost strength. While my recovery took nearly four months, at the end of that time I was better than I ever had been before. I had a splendid color and never weighed more in my life. I certainly think Peruna is without a rival as a tonic and strength builder, and it has my endorsement." Mr. Charles Brown, R. R. 4, Box 79, Rogersville, Tenn., writes: "I have tried many different remedies but have found that Peruna is the greatest tonic on earth, and a perfect system builder."

FIELD MARSHAL FRENCH UPHOLDS LORD CHURCHILL

EFFECT OF MARINES AT ANTWERP IS DECLARED TO HAVE BEEN GOOD.

LONDON, Dec. 5.—Field Marshal Sir John French, in a dispatch covering the report of General Archibald Paris, who commanded the British naval brigade at Antwerp, gives further testimony to the good effect the sending of that force to the assistance of the Belgians had on the allies' campaign generally, and thus further supports the action of Winston Spencer Churchill, first lord of the admiralty, who has been criticised for sending it. General French says: "Although the results did not include the actual saving of the fortress, the action of the force under General Paris certainly delayed the enemy for a considerable time and assisted the Belgian army to be withdrawn in a condition to enable it to reorganize and regain its value as a fighting force. "The destruction of war material and ammunition, which but for the intervention of this force would have proved of great value to the enemy, was thus able to be carried out. The assistance which the Belgian army has rendered throughout the subsequent course of operations on the canal and Yser river has been a valuable asset to the allied cause. "The moral effect produced on the minds of the Belgian army by this necessarily desperate attempt to give them succor has been of great value to their use and efficiency as a fighting force."

Dragon Long in Peril

AMSTERDAM, Dec. 4.—The terrible plight of a German officer of dragons on the western battlefield is vividly described by the Cologne Volkszeitung. He could see next morning that he was just between two battle lines, before him the French in trenches, and behind him the Germans.

Break Floods Canyon City

The water was several feet deep in some places and surrounded dwellings, filled cellars and impeded traffic. Considerable damage was done in some places, the R. A. Clark residence almost being washed away.

(By William G. Shepherd, United Press Staff Correspondent.)
VIENNA, Oct. 16 (By Mail to New York)—Roman Catholic circles here have been aghast ever since the fall of Lemberg concerning the fate hanging over the head of the old bishop of Lemberg. The earliest rumors to reach the Catholic diplomatic circles here were that the bishop of Lemberg had been imprisoned by the Russians. These rumors were vague and could not be confirmed. But within the past few days an Austrian business man from Lemberg has succeeded in reaching Vienna with the positive information that the aged Roman Catholic bishop of Lemberg is to be executed by the Russians.

SPORTS

SPORT CHATTER

(By Hal Sheridan written for the United Press)
NEW YORK, Dec. 1.—Hats off to Freddie Welsh, Englishman and fighter! That last word is used advisedly. It's a word that couldn't be applied truthfully to all of American champions, near or far. Freddie Welsh, in a bout six weeks time has fought more two fisted scrappers than some of his predecessors in the lightweight chair fought in as many months of their respective kingdoms. And the men who faced Welsh in this period are of American best.

Mrs. C. P. R. Dugmore. NEW YORK, Dec. 5.—One of the happiest and proudest passengers on the Lusitania on Saturday was Mrs. C. P. R. Dugmore, of Great Neck, L. I., who was Mrs. Bramhall Gilbert, a society leader in this city and Newport when she married Captain Dugmore of the British army a year ago. Mrs. Dugmore were suspended around her neck a Legion of Honor medal, presented to her husband by the French government for meritorious services. Captain Dugmore has been in every engagement in which his corps participated since the 11th of August and has not been wounded once. An exploding shell stunned him a short time ago and he went to Boulogne for a short rest where his wife met him and received the medal.
