Steak Satisfaction

When a nice, large, juicy, tender steak stares you in the face at home you forget you are tired and hungry. You dig in and slaughter it.

We sell that kind.

Our steaks make the ordinary, cheap, tough, little article that masquerades as sirloin or porterhouse look like a piker.

Our steaks are the real thing.

Order one and see.

Chop Choiceness

One of the things we make a specialty of is selling rich, tender, choice chops of all sorts.

We have an idea that we know how to cut them to please the kind of customer we have to deal with.

Suppose you put us to the test and see if we are mistaken.

Our prices are the lowest in town for the grade of meat carried. Many of our friends have traded here for years.

THREE TONS OF RABBITS ARE SECURED ON SHOOT

COLD WEATHER PREVENTS MANY FROM ATTENDING—SPORT WAS GOOD.

Between two and a half and three tons of rabbits are being shipped to Portland today from Umatilla county to grace the Christmas tables of the poor of that city, as the result of a general shoot held in the west end of the county yesterday. On account of the cold weather, the turnout for the shoot was not as large as was anticipated but the sport was good for those who went and the county has about 2000 less rabbits.

From Pendleton only about half a dozen men went down to Butter Creek. They were met at the station by Pete Sheridan and several other men and the party succeeded in bagging 200 rabbits which were brought back to Pendleton and shipped from here. J. L. Miller, traveling passenger agent of the O-W, R. & N., E. B. Cleaver and A. Philmister Proctor, the sculptor, were members of this party.

The Umatilla party shipped about 1000 pounds of rabbits from that town and the Stanfield party brought in two wagon loads of the animals. The Hermiston party and the Echo party bagged as many as any of the others. All of the shipments were made to the "Muts," an organization of Portland business men who are distributing charity among the Portland poor.
