MARION TAXPAYERS ORGANIZE A LEAGUE

SALEM, Ore., Dec. 23 -The or ganization of the Marion County Taxpayers' league, which has for its object lower taxes wherever possible, was perfected here by adoption of a constitution and by-laws. The league will work to secure municipal, county and state government at a lower cost at the same time securing efficiency. Leading citizens are included in its

membership. State Senators LaFollette and Bishop, of Marion county, attended the meeting, and LaFollette asserted that the levy for state purposes could be lowered \$1,500,000 by a proper expenditure of the state's money. He charged that the state fish and game commission failed to give anything like an adequate return for the mouey expended, and favored a great slash in the commission's appropriation. He favored a general cut in the salaries of state officials, declaring that he did not believe in paying \$2000 to \$3600 for services that could be secured for from \$1500 to \$1800. Bishop declared he-is opposed to ncreasing the tax burdens of the
