(Special Correspondence.)  
ECHO, Ore., Dec. 25.—The Christmas dance given here Thursday night by Messrs. Rice and Young was a success in every way, a large crowd was present, many coming from Pendleton, as well as the surrounding country. Excellent music was furnished by the Echo Orchestra. An unusual good time was had by all lovers of the light fantastic that were present.

The Christmas tree and program given here on Christmas eve was enjoyed by a great number of grown people as well as little folk. Every child present received a treat in memory of the season.

An entertaining and interesting program was rendered. The tree was in the I. O. O. F. hall and the entertainment was under the auspices of the M. E. Sunday school.

Miss Annie Saling, who is teaching in the east end of the county, is home for the holidays. She arrived on the motor Thursday evening.

Miss Esther Sholl, a high school pupil, substituted Thursday in room two at the public school in the absence of the teacher, Miss Rose Greenwald. She had charge of the fifth and sixth grades.

Miss Daphne Gulliford, who has spent the past four months in Portland with Dr. and Mrs. C. J. Smith, has returned home and will take up her school studies after the holiday in the high school here.

**German Scientists Held.**

BERLIN, Dec. 25.—The astronomical observatories of Berlin, Hamburg, Munich and Potsdam have just issued a statement regarding the fiasco of the four German expeditions that went to the south of Russia

to observe the total eclipse of the sun on August 21.

Although the expeditions were undertaken with the assistance of the St. Petersburg Academy of Sciences, the astronomers and their technical helpers were arrested and kept as prisoners for a time in Odessa. The older scientists finally were allowed to return to Germany, but the four younger men were kept in Odessa until November 14, when they were sent as prisoners of war to Astrachan.

Their valuable astronomical instruments had a still worse fate. They had to be left, packed in boxes at

Fedosa, in the Crimea, and they were later confiscated by the Russian government and given to the University of Odessa.

**Segregation Law Upheld.**

LOUISVILLE, Dec. 25.—Segregation of the 40,000 negroes in Louisville is the rightful exercise of a police power of the state, according to an opinion handed down in the criminal court here by Judge Gregory. It violates neither the 14th amendment nor the Kentucky bill of rights, the court held.

The city council passed a segregation ordinance last May. Arthur

Harris, a negro, ignored its provisions. He was arrested, fined in police court and appealed. His counsel endeavored to show his constitutional rights had been abridged.

The ordinance contemplates no immediate ouster of one race from blocks where the other predominates, but requires that future removals of citizens be made only to blocks where their race is in the majority.
