**CHILDREN HATE OIL,  
 CALOMEL AND PILLS**

**"CALIFORNIA SYRUP OF FIGS"  
 BEST FOR TENDER STOMACH,  
 LIVER AND BOWELS.**

Look back at your childhood days. Remember the "dose" mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well-founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeits sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

**Gale Damages Warship.**  
 NEWPORT NEWS, Va., Jan. 18.—The battleship Kansas sustained damage in the storm off the Virginia coast, which it will require two weeks to repair, it was reported on the warship's arrival in Hampton Roads from Philadelphia.

A 60 mile gale whipped up big seas that broke over the vessel's decks for seven hours, it was said. The Kansas was on a speed run.

**FOR UNSIGHTLY  
 COMPLEXIONS  
 USE RESINOL**

Pimples and blackheads disappear, unsightly complexions become clean, clear, and velvety, and hair health and beauty are promoted by the regular use of Resinol Soap and an occasional application of Resinol Ointment. These soothing, healing preparations do their work easily, quickly and at little cost, when even the most expensive cosmetics and complicated beauty treatments fail.

Resinol is not an experiment. It is a doctor's prescription which proved so wonderfully successful for skin troubles that it has been used by other doctors all over the country for nineteen years. No other treatment for the skin now before the public can show such a record of professional approval.

Every druggist sells Resinol Ointment (50c. and \$1.00), and Resinol Soap (25c.); but for trial size, free, write to Dept. KK, Resinol, Baltimore, Md. Avoid worthless substitutes offered by unscrupulous dealers.

 WHAT the Press Agent Has to Say of Present and Coming Attractions

**Last Chance Today.**

Synopsis—Unsuccessful in the east, Mr. Escott decides to settle in Montana with his wife and little daughter Elsie. They camp for the night and little Elsie wanders off, picking flowers.

A band of Indians attack the party, and kill Escott and his wife. Shortly after, little Elsie returns and finds her parents slain.

Lieutenant Joe Lanier discovers the child weeping over the dead bodies of her parents, and brings her to his mother.

Later the lieutenant gives up his command and turns miner. Elsie grows up a charming, lovable young girl, and Joe falls deeply in love with her. A handsome stranger from the city is attracted by Elsie and she to him.

Joe warns her against Bob Stanton the stranger, but the girl indignantly resents his interference. Joe decides to enlist in the war against Spain, convinced that his love for Elsie is hopeless. Stanton persuades Elsie to elope with him, but the discovery of a former love affair with another woman shows her, her mistake. When she learns that Joe Lanier is going to the Philippines, she awakens to the fact that she loves him deeply, and decides to follow him. Willie Live, a young war correspondent, assists her in many ways. The party embark for the orient. Elsie is disguised as a young volunteer, unknown to Joe, who has been made captain of the same company. Stanton also belongs to the same regiment, and in his enmity against Joe Lanier has sent him through the enemy's line to defend Block House No. 7. Joe's force is not sufficient to withstand the repeated attacks of the enemy, and he requests reinforcements.

General Lawton selects Elsie to carry the message of coming reinforcements. After numerous hair breadth escapes, Elsie and Willie Live reach the block house and Joe recognizes her. She explains why she has followed him in spite of every obstacle and they are happily united.

The Filipinos attack the fort and almost overcome the small band of heroic Americans when aid arrives to their rescue and the enemy is put to flight, with the Star Spangled Banner waving over Block House No. 7.
