Quickly Relieves Without Distress

The congestion of waste and refuse from the stomach, fermenting in the bowels, generates polsonous gases that occasion distress and invite serious iliness. Health and comfort demand that this congestion be speedily relieved and the foul mass expelled.

The well-founded objection most people have to the violence of cathartic and purgative agents is overcome by using the combination of simple laxative herbs with pepsin that is sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin. A dose at night brings relef next morning, without discomfort or inconvenience. A free trial bottle can be obtained by writing to Dr. W. B. Caldwell, 452 Washington St., Monticello, Ills.
