MOTHER! THE CHILD IS COSTIVE, BILIOUS

LOOK, MOTHER! IF TONGUE IS COATED GIVE "CALIFORNIA SYRUP OF FIGS."

No matter what ails your child a gentle, thorough laxative should always be the first treatment given. If your little one is out of sorts, half sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that his little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour breath bad or has stomachache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of his little bowels without griping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs" then see that it is made by the "California Fig Syrup company."

Fordham Holds Games.

NEW YORK, Jan. 30.—Fordham university was to hold its annual indoor games at the armory of the Twenty-second regiment this afternoon as a result of action by the legislature which passed a bill vacating the supreme bench on January 31. It was contended that the justices' terms expired October 31, as Governor Fletcher, his political enemies said, could not make permanent appointments to continue after the convening of the new legislature.

THREE BRITISH SHIPS ARE SENT TO BOTTOM BY GERMAN SUBMARINE

DISASTER TAKES PLACE OFF HAVRE IN THE IRISH SEA. SALS REPORT.

Raid Is Made Saturday by the U-21—One of the Vessels Sunk Had Aboard Gifts for Refugees—Other Ships Are Chased—Liner Is Warned of Danger by Wireless.

LONDON, Feb. 1.—The toll taken by the German submarine U-21 in its raid Saturday in the Irish Sea in the vicinity of Liverpool, still stands at three ships—the steamers Ben Cruichen, Linda Blanche and the Kilcoan, the latter a small vessel. The crew of the Kilcoan was landed on the Isle of Man by a coastwise steamer.

In addition a German submarine also has torpedoed two British steamers in the English channel near Havre—the Toko Maru and the Icaria.

Normal shipping resumed. The Irish Sea raider easily made her escape and shipping interests, confident that she has returned to her base, ordered a resumption of normal traffic today.

This under-water Emden is the same vessel which last September torpedoed, in the North Sea, the British cruiser Pathfinder, with a loss of 246 lives, and later destroyed two British steamers off Havre. She found numerous vessels in the waters to which she has centered her activities. In addition to the three vessels she is known to have sunk, at least five other steamers were chased by her.

Vessels Saved by Flight.

These include the steamer Graphic, with 100 passengers and a crew of 40, and the smaller boats, Atreuk, Ava, Kathleen and Edymion. All these vessels escaped in a zig-zag flight.

The Graphic's captain had his passengers don life belts and sent all the members of the crew to the stoke hold that the steamer could keep up a full head of steam in flight. The captain also took the precaution by wireless to warn vessels from coming into zone of the submarine's activity.

Liner Warned by Wireless.

The Allan line steamer Scandinavian, from St. John, N. B., January 22, for Liverpool, with 500 passengers on board, learned of the raid of the U-21 and put into Queenstown. After remaining in Queenstown for a short time the steamer proceeded to Liverpool.

PLEASANT DANCE IS ENJOYED BY NOLIN SOCIETY

THE DUPUIS BUNGALOW IS SCENE OF GATHERING—JOLLY CROWD PRESENT.

(Special Correspondence.) NOLIN, Ore., Feb. 1.—The best dance of the season was given Saturday night by W. E. and D. W. Dupuis near Yoakum where they have about completed a spacious bungalow. Good music furnished by the Echo orchestra and a fine supper, together with a well behaved jolly crowd added to the success of the occasion.

On last Monday W. W. Atherton and family turned over possession of their store and postoffice here to J. T. Williams and son and departed for Portland, Ore., where they contemplate making their future home. The Williams' need no introduction in this community since they have lived here for some time past and we feel that their new venture will be a success.

Owing to A. J. Amoureux moving to Pendleton and John Fisher moving to Yoakum district, a special election was recently held in this school district when Mrs. Ed Dupuis and C. C. Lane were elected to fill their place as directors on the school board.

Mrs. Larkins, our principal teacher is able to fill her place in the school room again after a two weeks' sick spell.

F. K. Nordhoff of Freewater, returned home Friday evening after teaching the higher grades during Mrs. Larkins' illness.

Jesse Craig and family of Cophan, Okla., have come to Nolin with a view of locating. Mrs. Craig is a daughter of Mr. and Mrs. J. T. Williams.

O. F. Steele returned Friday after spending six weeks upon a visit to his old home in southeast Missouri. He also visited at Denver, Colorado Springs, Pueblo, Colo., and Rupert, Idaho, and states that Umatilla county has them all beat for climate.

Mr. and Mrs. J. R. Hendricks were Pendleton visitors Friday and Saturday.

R. R. Yoman, our assistant teacher, was a Pendleton visitor Saturday.

Freeman Hendricks who is attending the Pendleton high school attended the Dupuis ball last night.

Miss Josie Sullivan of Pendleton is visiting her mother, Mrs. E. V. Lees today.

Another cause of social unrest is the after midnight Welsh rarebit.
