

LADIES! DARKEN YOUR GRAY HAIR

USE GRANDMA'S SAGE TEA AND SULPHUR RECIPE AND NOBODY WILL KNOW.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time.

But brewing at home is messy and out of date. Nowadays, by asking at any drug store for a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old recipe which can be depended upon to restore natural color and beauty to the hair and its splendid for dandruff, dry, feverish, itchy scalp and falling hair.

A well known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two it becomes beautifully dark, glossy and abundant.

THE CHICAGO WHEAT PIT AT ITS WILDEST

The board of trade in Chicago refuses to permit photographers to enter its sacred precincts on business. There is a rule that no photographs may be taken of the business of buying and selling wheat.

It seemed that the top notch price had been reached. Many brokers believe otherwise. They point out that the exports of breadstuffs in December last reached the enormous total of \$55,860,209.

The month's export movement of flour was 68 1-2 per cent more than in December, 1913, being 1,818,317 barrels, compared with 1,079,240 in the same month a year ago.

ACID IN STOMACH SOURS THE FOOD

SAYS EXCESS OF HYDROCHLORIC ACID IS CAUSE OF INDIGESTION.

A well known authority states that stomach trouble and indigestion is nearly always due to acidity—acid stomach—and not as most folks believe, from a lack of digestive juices.

He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast while it is effervescent, and furthermore, to continue this for one week.

CHICAGO TRADING IS QUITE ACTIVE

(Saturday's Market.) CHICAGO.—In many respects this was the greatest bull day Chicago wheat trade has had for the year, not only because prices made new high records, but because it was clearly demonstrated that foreigners while taking every bushel of cash wheat they could secure in any quarter in this country, were only buying wheat futures in this market.

CHICAGO TRADING IS QUITE ACTIVE

As prices developed remarkable strength the last hour, there was excited buying against offers by the local trade. An excited opening covered a range from \$1.48 1-2 to \$1.50 1-2 for May and after a reaction to \$1.49, the trade began to turn strongly to the buying side, lifting the price to \$1.50 1-2 a second time.

HOGS AND CATTLE IN GREAT SUPPLY

(Courtesy Sunday's Journal.) PORTLAND, Ore. — With the exception of in the mutton market, a condition which everyone was sure would result, there was a greater run of livestock in the North Portland yards during January than a year ago.

HOGS AND CATTLE IN GREAT SUPPLY

Killers are holding the whiphand in the swine trade at this time. Despite the receipt of large orders for provisions from Europe, killers in the east have been extremely bearish in their views regarding the price.

er hand, provisions are sold at such a price here that it would be unprofitable to ship hog stuffs from the east, then the trade will be confined entirely to the local output and there will be a corresponding greater call for local hogs.

General hog market range: Best light \$6.75@6.80 Medium light 6.50@6.70 Good to heavy 6.40@6.50 Rough and heavy 6.25 Stockers 5.50@6.10

Cattle Market Is Lower.

Market for cattle was lower at North Portland for the week. There was a greater run in the yards and killers were already oversupplied with stock. Some extra fancy stuff reported sold early in the week at \$8 for steers was really contracted prior to shipment, therefore the extreme price recorded was rather misleading.

General cattle market range: Selected steers \$7.50@7.65 Good to prime 7.50@7.55 Good to choice 6.50@7.00 Ordinary to fair 5.75@6.25 Best cow 6.50@6.55 Good to prime 6.50@6.55 Ordinary 5.25@5.50 Selected calves 8.00@8.25 Fancy bulls 6.50@6.75 Ordinary 4.00@4.25 Ordinary 4.00@4.25

Sheep Trade Is Higher.

Quite fair volume of mutton was marketed at North Portland during the week and the trend of the trade was firmer with prices generally tending higher. All through the week there was a far better demand for mutton and lambs than there were supplies. This was especially true of the better class quality.

General mutton trade range: Old wethers \$ 6.65 Best yearlings 6.50 Best ewes 5.50@5.75 Best east mountain lambs 7.75@7.85 Valley light lambs 7.60 Heavy spring lambs 7.25@7.50

INSURANCE A CREDIT FACTOR

The relation of insurance to bank credits has become a lively subject in commercial banking. No prudent banker would extend large credit to a merchant whose stock of goods was not indemnified against possible loss by fire, notwithstanding the possibilities of loss are very remote.

That's the business we are in. Come around and see us and let us fix up a policy that will protect you against loss. Better come for you don't know what a day will bring forth. Better be insured than sorry.
