

SAGE TEA TURNS GRAY HAIR DARK

IT'S GRANDMOTHER'S RECIPE TO BRING BACK COLOR AND LUSTRE TO HAIR.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray, streaked and looks dry, waxy and scraggy, just an application or two of Sage and Sulphur enhances its appearance a hundred-fold.

Don't bother to prepare the tonic; you can get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," ready to use. This can always be depended upon to bring back the natural color, thickness and lustre of your hair and remove dandruff, stop scalp itching and falling hair.

Everybody uses "Wyeth's" Sage and Sulphur because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared and after another application it becomes beautifully dark and appears glossy, lustrous and abundant.

HOGS ADVANCE FOR TOP STUFF

(Courtesy Monday's Journal.)

PORTLAND, Ore.—Hog prices were given a good lift today on the Portland yards at the opening of the week's trade but the totals of last Monday were not reached.

The advance in hogs here might have been expected in view of the recent severe weakness in the market. Killers who had purchased very liberally at the low prices of last week are naturally bent upon supporting the market today.

Two loads of hogs went at the extreme price here today at the start and more could have been sold had the quality been available.

General hog market range:
Best light 7.10
Medium light 7.00
Good to heavy 6.75
Rough and heavy 6.25@6.50
Stockers 5.50@6.10

select Steers at \$8.
While the general market for cattle is considered just about holding its own, two loads of extra fancy offerings went at \$8 in the steer division this morning. There was a much smaller run of cattle than had been expected and this caused killers to bid up somewhat for the better class offerings.

A fine lot of cows went this morning at \$6.75 and other stuff sold at about the same figures as available last week.

General cattle market range:
Selected steers \$7.45@8.04
Good to prime 7.50@7.55
Good to choice 6.50@7.00
Ordinary to fair 5.75@6.25
Best cows 6.40@6.65
Good to prime 5.50@6.55
Ordinary 5.25@5.50
Fancy bulls 6.10@6.75
Ordinary 4.90@4.25

Mutton Trend Is Stronger.
Stronger market was shown for mutton at North Portland at the week's opening. There was a fair run reported in the yards over Sunday, but the trade stated that it was principally contract stuff sold prior to shipment from the interior.

General mutton trade range:
Old wethers \$ 6.65
Best yearlings 6.50
Best ewes 5.50@5.75
Best east mountain lambs 7.75@7.80
Valley light lambs 7.60
Heavy spring lambs 7.25@7.50

Demurrers Are Overruled.

BIG EATERS GET KIDNEY TROUBLE

TAKE SALTS AT FIRST SIGN OF BLADDER IRRITATION OR BACKACHE.

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys... to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.

AMERICAN WOMAN HERE TO AID SERBS

Mrs. Slavko Grovitch Boarding the Lusitania.

Mrs. Slavko Grovitch, wife of the Siberian Colonial Secretary and formerly Miss Mabel Gordon Dunlop, of West Virginia, arrived in this country on Saturday to arrange for a series of lectures in the homes of her friends for the benefit of Siberia.

Seed and agricultural implements are badly needed in her adopted country. Mrs. Grovitch, if the Siberians are to pull through the present crisis, the women will plant and harvest the crops while the men are in the field.

Stories From the War Zone

COPENHAGEN.—Stowaways anxious to get back to the Fatherland and join the troops at the front are constantly arriving here. When the Danish steamer Eserom recently came in one of the three stowaways aboard, who had been compelled to work as stockers, revealed himself as a German prince, as they were being paid off. Presenting his wages to the other stokers he said:

"I want to thank you boys for your kindness to us when we were working together. I'm not by profession a stoker, and have not been used to this kind of work. As a member of a German princely house I want you to know that this is one of the happiest days in my life. Now I can go and help to teach these British a lesson."

And with that the trio departed for the frontier.

LONDON.—"We've had a scrap in the trenches; a serious one." That is the laconic manner in which Captain W. L. Brodie, of the Highland Light Infantry, described the deed which won for him the Victoria Cross.

PENNSYLVANIA.—M. Tattagrain, the well-known painter, is ready to admit that one can have too much realism. Recently he conceived the idea of painting the bombardment of Arras—in his SUPERMEN RELENT; ADMIT MEN TO VASSAR PLAY CAST.

NEW YORK, Jan. 29.—Whether Vassar "supermen" got tired wearing 'em, or have at last admitted mere man to equality was debated today by college alumnae who planned to attend this year's play of the Associate Alumnae of Vassar College, to be given at the Century Lyceum tonight. For the first time, the alumnae have admitted men to the cast and half a dozen male friends of the graduates will appear in leading roles, formerly taken by betrouseed college girls. The play is "The Road to Yesterday."

Paris studio—and in order to get color he arranged with an Arras refugee named Vasse, to carry out a number of experiments in the studio with the object of getting a vivid idea of shell fire. Unfortunately some two pounds of gunpowder exploded by accident while preparations for the experiment were proceeding and the explosion wrecked the studio.

ROME.—All foreigners now residing in Italy are being subjected to the most rigid surveillance on the part of the public authorities. When the time comes for Italy to carry out its present plans of intervening in the war for the purpose of retaking the two provinces of Trieste and Trent as well as a portion of the Dalmatian coast she doesn't propose to have her efforts handicapped by the presence of any innocent looking strangers who might in reality be spies. All Germans and Austrians now in Italy are being watched with special care and every effort made to ascertain whether or not their alleged reasons for being here are the actual ones. In addition to this surveillance the minister of foreign affairs is also preparing a list of the foreigners whom Italy deems it will be desirable to expel the moment that hostilities become certain.

RISE FORCED IN CHICAGO MARKET

(Monday's Market.)

CHICAGO.—With European interests bidding against one another for wheat offerings the market here advanced to \$1.57 for May and \$1.38 for July option and closed at \$1.56 1-4 and \$1.37 1-2 respectively. May made a net gain of 4 3-8 for the session, while the July was 2 5-8.

The market was sensational from the start for the May option and while there were frequent upward and downward swings to values the ultimate trend of quotations was sharply upward.

Shorls had the fright of their lives today when the market opened and within a few minutes they were rushing to cover but sellers were scarce.
