You ride on Velvet when you ride on // Diamonds ? That's true in a double sense

In the first place the records of Diamond Service for 1914 show that more than 99% of the many thousands of Diamond Tires sold lasted much longer-went much fartherthan the guarantee called for.

More than 99% of the hundreds of thousands of Diamond Tires in use / last year gave more mileage than the purchasers paid for.

Every mile beyond that which the buyer expected was velvet for him. /

In addition to the extraordinary mile-age and freedom from trouble that you get in Diamond Squeegee Tread Tires, you can now buy them at the following
