

FEW FOLKS HAVE GRAY HAIR NOW

DRUGGIST SAYS LADIES ARE USING RECIPE OF SAGE TEA AND SULPHUR.

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old time recipe.

IF BACKACHY OR KIDNEYS BOTHER

EAT LESS MEAT, ALSO TAKE GLASS OF SALTS BEFORE EATING BREAKFAST.

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. Urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush out the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

STOCK TRADE VERY QUIET

(Courtesy Wednesday's Journal.) PORTLAND, Ore.—The general livestock market at North Portland was not only quiet, but was very inactive. Hogs are slow, but are considered just about steady, with buyers slow in taking hold. The situation is practically the same as yesterday.

General hog market range: Best light \$6.80 @ 6.90; Medium light 6.00 @ 6.20; Good and heavy 6.00 @ 6.50; Rough and heavy 5.80 @ 5.90; Stockers 5.50 @ 5.75.

Cattle Trade Is Weak. Weakness continues the only reflection in the cattle market at this time. With only limited arrivals again overnight at North Portland, the trade was extremely slow about bidding. General conditions are about the same as the first days of the week.

General cattle market range: Select grain fed steers \$7.50; Best hay fed steers 7.50 @ 7.65; Good to choice 6.50 @ 6.90; Ordinary to fair 5.50 @ 6.25; Best cows 6.00 @ 6.75; Good to prime 6.40 @ 6.50; Ordinary 5.25 @ 5.50; Selected calves 8.00 @ 8.25; Fancy bulls 5.50; Ordinary 4.00 @ 5.00.

Mutton the Bright Spot. While there were no arrivals in the mutton division of the North Portland yards since Monday, that branch of the local trade continues the one bright spot in the market. Demand for mutton remains very strong with values offering at the former extreme and far less stiff than actual requirements of the trade warranted.

General mutton trade range: Old wethers \$6.90 @ 7.00; Best yearlings 7.00 @ 7.15; Best ewes 6.00 @ 6.15; Best east mountain lambs 8.00 @ 8.20; Valley light lambs 7.50 @ 8.00; Heavy spring lambs 7.50 @ 7.75.

Livestock Shippers. Hogs—Robert Bennett, Ragall, Mgmt., 1 load; Mr. Elliott, Terrebonne, 1 load. Cattle—Peterson Bros., Forest Grove, 1 load; H. S. Cramer & Son, Redmond, 1 load.

Citizens Expel Negroes. GALLUP, N. M., Feb. 18.—Placards were placed warning all negroes to leave town before sunset as a result of a mass meeting of citizens which heard charges against a negro preferred by a white woman recently arriving from Saunders, Ariz.

How's This? We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure.

When Will Pendleton People Learn the Importance of It? Backache is only a simple thing at first; But if you find 'tis from the kidneys; That serious kidney troubles may follow;

That dropsy or Bright's disease may be the fatal end. You will be glad to know the following experience. 'Tis the statement of a Pendleton citizen.

Mrs. George W. Badgett, Box 528, Pendleton, says: "One of my family had spells of backache and at times was laid up for a month. Straightening up quickly after bending caused severe twinges in the small of the back. The kidneys were out of order. Doan's Kidney Pills were recommended by a physician and they have never failed to relieve these ailments. I have also used Doan's Kidney Pills myself and recommend them as a good kidney medicine."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Badgett recommends. Foster-Milburn Co., Props., Buffalo, N. Y.

HEINRICH NARROWLY ESCAPES FROM FIRE WHICH SWEEPS HOUSE

LOCAL WRESTLER TAKES FAMILY OUT THEN RETURNS TO BURNING BUILDING.

Flames Cut Off His Escape and Force Him to Go Out a Window and Crawl Over the Roof—All His Household Effects are Lost in Flames on Monday Night.

Joe Heinrich, the local wrestler, had a narrow escape in the midnight fire Monday which partially destroyed the Cherrier home. As it was he lost practically all of his household effects. Heinrich and his family occupied upstairs rooms in the dwelling and were asleep when the fire broke out. The wrestler's first act was to take his wife and babies out of the burning building. He then returned to see what he could save from the flames. When he sought to make his way out again, down the stairway on the outside of the building, he found that the flames had cut off his retreat and he was forced to go out of a window and over the roof to save himself. The fire left very few of his effects undamaged. He had \$200 insurance upon his furniture but that amount will not cover his loss, he states. "It might have been worse," he said, "but had luck seems to be following me pretty constantly."

Recognized Advantages. You will find that Chamberlain's Cough Remedy has recognized advantages over most medicines in use for coughs and colds. It does not suppress a cough but loosens and relieves it. It aids expectoration and opens the secretions, which enables the system to throw off a cold. It counteracts any tendency of a cold to result in pneumonia. It contains no opium or other narcotic, and may be given to a child as confidently as to an adult. For sale by all dealers.—Adv.

Grays Harbor Fish Pack. ABERDEEN, Wash., Feb. 17.—The salmon and clam pack for the last year amounts to approximately \$700,000, according to recently compiled figures. Six Grays Harbor canneries packed 80,000 cases of salmon, valued at \$400,000, and a pack of clams valued at \$300,000. With the new 20,000 case plant of the Surf Packing company in operation this year, it is expected that the 1915 pack will exceed that of 1914.

Turks Hurl British Back. BERLIN, Feb. 18.—A dispatch to a news agency from Bagdad says that in an engagement between the advance guard of the Turkish left wing and British infantry and cavalry, the British withdrew, leaving 17 men dead.

The dispatch adds that the right wing of the Turkish army succeeded in advancing as far as the woods near Kono. The Turks, it is asserted, captured 500 camels. Only five Turks were wounded.

BOSSISM IS MENACE. (Continued from page one.) There is not a member of the legislature but knows the whole thing is a scheme to create the most gigantic political machine this state has ever known. No dozen legislatures in the past, all combined, ever presented a proposal for the filling of so many jobs as are now pending in the present legislative body. The transfer of the tax collections from the treasurers to the sheriffs is a part of the great program as related to the city of Portland, and the latter part of the scheme is so carefully safeguarded that an emergency clause is attached to the bill.

Hope Lies in the House. Though there are strong, independent and unbosomed men in the senate, the best hope of the session lies in the house. The latter body passed the lake leasing bill, the amendments to the compensation bill, the hydro-electric utilities bill, and has undoubtedly tried to do its duty.

Its members are restive under the dictatorship in the senate, and encouragement to their ideals of resistance to jokers legislation was lent by Speaker Selling yesterday, when he announced that, in the rush of the last hours of the session, no bill would be allowed to be jammed through without reasonable consideration, and that time would be given for every member to fully understand all amendments.

Meanwhile, the master boss is playing his game as consummately and boldly as if operating on a California legislature in the halcyon days when Herrin governed the state by proxy.

British Capture Tranches. PARIS, Feb. 17.—British troops have captured two lines of the outlying German trenches between St. Elice and the Ypres canal. The positions were taken after an infantry charge. The war office announced this engagement was the only infantry clash in Flanders or northern France since Sunday. Elsewhere in the region activity was confined to artillery duels.

The statement confirms reports that German artillery was silenced by the French at several points, notably near Souain. Artillery is being used along the entire battle line to silence and demount the bigger guns. The situation is described as generally satisfactory.

GRAIN MARKET AT STANDSTILL

(Wednesday's Market.) PORTLAND, Ore.—Very quiet tone is shown in the local grain situation. Trade is almost at a standstill. This is due to two reasons. Country holders are not willing to accept prevailing bids for wheat and as tonnage is scarce on ocean carriers with freights high, there is little tendency among exporting interests to bid up.

There is a report that the government will soon call for bids for about 8000 or 10,000 tons of oats. If this should materialize it would take much of the present surplus off the trade's hands and thereby directly aid the situation.

Barley market is quiet with no noticeable change in either the price or demand. Flour and millstuffs remain quiet with general quotations unchanged. Clover Seed—Buying price; Nominal No. 1, uncleaned, 111-2@12c; ordinary, 11c pound; alkali, 11c.

Flour—Selling price; Patent, \$7.20; Willamette valley, \$7.20; local straight, \$6.40; export straight, \$5.40; cut-off, \$5.40; bakers, \$7.00 @ 7.40. Hay—New crop, buying price; Willamette valley timothy, fancy, \$13 @ 14; eastern Oregon-Idaho fancy timothy, \$15 @ 15.50; alfalfa, \$13; vetch and oats, \$9 @ 10; clover \$8 per ton.

Grain Sacks—1915 nominal, No. 1 Calcutta, \$4. Millstuffs—Selling price; Bran, \$20 @ 21; shorts \$22. Rolled Barley—Selling price \$38 @ 39 per ton. Sharp losses were shown in the bids for wheat today on the Portland Merchants' Exchange in sympathy with the losses in Chicago and the inability to secure ocean tonnage at profitable working basis. Today's bids for spot on the Merchants' Exchange were 2 1-2c to 4c a bushel below those of yesterday. Sellers held their prices fairly firm. No trades were closed on the exchange today.

There was a further sharp loss of \$1.25 a ton in the bids for spot oats, although a sale of 100 tons was made at \$25, or 7c below the previous bid. Feed barley bids were down \$1 a ton for spot today on the exchange and no bids were made for brewing. Millstuffs were down 5c a ton.

WAR TALK HURTS PRICE OF WHEAT

(Wednesday's Market.) CHICAGO.—War talk was responsible today for a net loss of 2 3-4c a bushel for May and 4 1-2c a bushel for July wheat in the pit trade.

The diplomatic interchange between the United States and Germany was considered a very big bearish factor in the wheat trade today and opening values of yesterday. There was only fractional recovery from this when the heavy selling pressure set in, bringing values to the extreme low mark. Market closed only a mere fraction above the low level.

While there was a further sharp advance in the price of cargoes on passage in the London market and Broomhall cables indicated an unusual demand in all European centers for foreign flour, the home trade ignored these factors and considered only the possibility of a stoppage of shipments.

WHEAT. May—Open, \$1.52 1-2; high, \$1.63; low, \$1.57 7-8; close, \$1.60. July—Open, \$1.35 7-8; high, \$1.38; low, \$1.30 1-4; close, \$1.32 1-8 B.

YONKERS, N. Y., Feb. 17.—Starting stories of alleged ill treatment and misconduct toward little girl inmates of the Odd Fellows' Home at Yonkers, were brought forth as a result of the investigation of the story of Frederick Mors that he killed eight aged inmates of the home because he thought "they would be better off dead."

According to statements of inmates now in the hands of Charles H. Warner, superintendent of the Westchester County Children's society, Fritz Reichert, orderly at the institution, often "hugged and kissed" and talked improperly to girl inmates of 14 and 15 years. Reichert's alleged improprieties are said to have occurred in the absence of Mrs. Bangert, wife of the superintendent.

Reichert, who corroborated testimony of Mors' story of the poisoning, is now held in White Plains jail as a material witness. Amelia Buonopane, who Mors alleged, was often left in charge of the pharmacy, is also being held.

Warner declared that his investigation would be pushed to the limit. Former employes of the home may be called in the investigation as soon as he can corroborate the signed statements of inmates now in his possession. Warner is working in cooperation with Coroner Dunn.

THICK CLOTHING SAVE BOYS FROM BITE OF DOG. SILVER LAKE, Ore., Feb. 17.—Thick clothing is all that saved two Silver Lake youngsters who were attacked by what is believed to have been a rabid dog. The sons of W. B. Owsley and A. N. McCall were the near-victims of the mad animal. Heavy underwear and a thick woolen stocking worn by the Owsley led kept the dog's teeth from penetrating the skin of the youngster's leg. The dog snapped young McCall's foot, but the teeth did cut through the leather. The dog was killed. It was the

property of Mr. McCall and had been missing from the McCall home for several days. It returned Thursday and was apparently ill and in a sulen mood. When approached by the youngsters the dog snapped both boys. Slaughter of rabid coyotes and other animals believed to have been bitten by mad brutes continues in this vicinity. Trappers who have resumed operations since the passage of the bounty appropriation say approximately 50 per cent of the coyotes caught are so many they are worthless.
