WITH JOYOUS SONGS OREGON LEGISLATURE ENDS SUNDAY MORNING

HOUSE MEMBERS SING OLD FAVORITES AND SERENADE THE SENATE.

Cheers Are Given for Ladies — Miss Towne and Miss Clarke Who Special Hurrahs—Speaker Selling Leads the Chorus—Great Public Takes Place at Closing Hours.

SALEM, Ore., Feb. 22.—Fun and good fellowship reigned supreme in the halls of the capitol Sunday morning, following adjournment by the two houses.

Members of the house were joyful after they had cleaned up their work although they had remained at their desks constantly for nearly 12 solid hours.

Led by Representatives Littlefield, Olds, Stewart and Gill they gathered about Miss Towne's desk and sang a series of popular and patriotic songs.

The idea proved popular. The whole party, consisting of nearly 40 members, marched around the rotunda and straight through the door of the senate chamber, where the sleepy-eyed senators were awakened by the strains of "Auld Lang Syne."

The senate was just ready to adjourn and many of the upper branch joined in the singing. Senators and representatives joined in giving three cheers, first for President Thompson of the senate, then for Speaker Selling of the house.

The house members returned the compliment to Miss Clarke, the only woman senator.

The sun was shining through the eastern windows when the final scenes of the 25th legislative session were enacted. President Thompson and Speaker Selling remained at their desks until late in the morning signing the bills as they came from the enrolling committees.

Although the records of both houses will show, in accordance with a concurrent resolution, that adjournment was taken at 11:30 o'clock Saturday night, actual adjournment cannot take place until every bill has been signed by the officers of both houses.

Sunday Morning List Bkg. SALEM, Ore., Feb. 22.—The following senate bills were passed by the house between midnight and 7 o'clock Sunday morning and will become laws in the due course of time after the governor signs them:

DEBATE ON OWNERSHIP OF RAILROADS IS WON BY HERMISTON TEAM

ECHO DEBATERS TAKE NEGATIVE SIDE—JUDGES ARE FROM PENDLETON.

Much Interest Taken in Question—Echo is Still Four Points Ahead—Next Debate Will be Held in Two Weeks—Personal Notes of Interest From Echo.

(Special Correspondence.) ECHO, Ore., Feb. 22.—A debate between the high school teams of Echo and Hermiston was held here Saturday night. The judges decided in favor of Hermiston.

The question was one which is being debated throughout the country, concerning government ownership of railroads.

Prof. B. T. Youel of Hermiston was chairman. The Hermiston team which represented the affirmative was composed of Henry Gunn, leader, Helen Skinner and Alice Lambert.

The Echo team taking the negative side of the question were: Chas. O. Young, leader; Lillian Wattenburger and Lemuel Esteb. The judges were James A. Fee, Jr., Miss Sabra L. Nason and Ernest Crockett, all of Pendleton.

The decision was two in favor of Hermiston and one for Echo. Two weeks ago the Echo team went to Stanfield and defeated the team of the latter place, debating on the same subject but at that time having the affirmative side. Echo's team now has four points in their favor.

The next debate in this end of the county will be held in two weeks between Hermiston and Stanfield teams.

Much interest was shown here. The M. E. church was secured for the occasion. A large crowd was in attendance. A short musical program was rendered before the beginning of the debate and at the close the Echo student body served refreshments to their guests.

Bishop Paddock of the Episcopal church arrived here Friday evening to conduct services at the Masonic hall.

Army Officer "On Carpet."

WASHINGTON, Feb. 13.—Secretary Garrison instructed Brigadier-General Scott, chief of staff of the army, to call upon Captain William Mitchell, of the general staff, to explain published reports attributed to him on the unpreparedness of the United States for war.

Mitchell was quoted as having said: "It would take the United States about three years to put an army of 1,000,000 men in the field and in that time an enemy could take and hold our American seaboard."

Secretary Garrison said he considered such utterances, if made public at present, injudicious and in proper.

Free Jitney Rides Asked.

PORTLAND, Ore., Feb. 20.—In its consideration of jitney bus and automobile regulations, the city council has been asked by M. C. Boothe to give attention to the question of jitneys being required to carry policemen and firemen free of charge the same as is done by the streetcar company and also the question of prohibiting the jitneys from refusing to carry negroes and foreigners.

It is said that many aliens and colored people are being insulted by being passed up by the jitneys.

Mr. Boothe says the streetcar company hauls all classes of passengers and the jitney should be forced to follow the same rule. The streetcar company, he says, hauls policemen and firemen free of charge and it is just as reasonable to require the same service from the jitneys.
