## OUTPUT OF GASOLINE WILL BE TREBLED BY IMPORTANT DISCOVERY

### ANNOUNCEMENT OF NEW METHOD IS MADE BY SECRETARY OF INTERIOR LANE.

Fears of the Automobile Industry Are Set at Rest—Discovery Is Timely—Output Will Be Increased by 200 Per cent—Patent to Be Presented to the People.

WASHINGTON, March 1.—Two discoveries, both of vast importance to American industries and one regarded also as a priceless military asset, were announced by Secretary Lane of the Interior department. They are chemical processes developed after years of research by Dr. Walter F. Rittman, chemical engineer of the bureau of mines.

One is expected to enable oil refiners to increase their output of gasoline by 200 per cent; the other makes possible the production of crude petroleum of toluol and benzol, bases for dyes and high explosives, for which in the past the United States and the rest of the world has depended almost exclusively on Germany.

**Patent to Belong to People.** Dr. Rittman has applied for patents on his processes to prevent the possibility of any monopoly in their use and will dedicate them to the American people.

"These processes," said Secretary Lane, "are fraught with the utmost importance. The Standard Oil company has had a big advantage over the independents in production of gasoline from a given quantity of petroleum than the independents now obtain.

"Now the federal government, through the efforts of Dr. Rittman, proposes to make free use for the use of all a process confidently expected to increase their yields of gasoline fully 200 per cent and perhaps more. Dr. Rittman asserts his process is safer, simpler and more economical.

**Discovery Is Opportune.** "With a steadily increasing demand for gasoline for automobiles, motor boats and engines, this fortunate discovery comes at the proper time. It is only two years ago that the automobile industry, fearful the supply of gasoline might not be adequate for its rapidly expanding business, offered a \$100,000 prize for a substitute that would cost less than gasoline. This new process adds to the hopes that in spite of the wonderful growth in the use of gasoline, there may not be any shortage in the future.

"I am led to believe it will not only be of inestimable value to refiners commanding but limited capital, as well as those of wealth, but also to the hundreds of thousands of users of gasoline. When it is realized the gasoline industry each year yields \$100,000,000 to \$1,500,000, the importance of this discovery is seen."

### No Use to Try and Wear Out Your Cold—It Will Wear You Out Instead.

Thousands keep on suffering coughs and colds through neglect and delay. Why make yourself an easy prey to serious ailments and epidemics as the result of a neglected cold? Coughs and colds sap your strength and vitality unless checked in the early stages. Dr. King's New Discovery is what you need—the first dose helps. Your head clears up, you breathe freely and you feel so much better. Buy a bottle today and start taking it at once—Adv.

### ADAMS TEACHER BACK AT SCHOOL AFTER A VISIT

MISS BOWLING SPENDS FEW DAYS WITH HER MOTHER—OTHER NEWS NOTES.

(Special Correspondence.) ADAMS, Ore., March 1.—Mr. and Mrs. Frank Krebs were in Pendleton Friday.

Miss Eileen Bowling returned to her school after spending the weekend with her mother.

Miss Eleanor Stockton returned to Helix Sunday.

Miss Ethel Peringer, who is staying in Pendleton, was in Adams Sunday.

Mr. Burgess the manual training teacher was sick Saturday. Dr. Stone of Athena was summoned.

Among those who went to Pendleton Saturday were: Mr. and Mrs. L. L. Lieuallen and children, Mrs. Kirby, Mr. and Mrs. Frank Krebs and Mr. and Mrs. G. M. Morrison.

Mrs. T. A. Lieuallen was in Pendleton a few days last week.

Mr. and Mrs. Lon Clark have vacated the house they have been living in, and have moved into the parsonage.

Mr. and Mrs. Bert Kirby were in Pendleton Friday.

T. A. Lieuallen motored to Pendleton Friday.

G. M. Morrison was in Pendleton Friday.

**Charter Day at Pitt.** PITTSBURG Feb. 25.—"Charter Day" was observed at Pitt University today. Dedication of the new Mellon Institute building was the feature.

Dr. Rosette R. Worthington, of New York, dean of American mining engineers, made the principal address at the dedication. Following the ceremonies the institute was thrown open to the public.

Degrees were conferred by Chancellor McCormick. Tonight the annual dinner of the alumni will be held.

## SOCIETY

The sixth birthday of little Miss Margaret Jack, daughter of Mr. and Mrs. Marion Jack, was made the occasion of a delightful children's party Saturday afternoon. Those present to enjoy the games and refreshments were Rosemary Whiteman, Hazel Wheelock, Helen Rosenbergs, Bess Welch, Frances, Margaret and Garnet Jack, Roland McNary and Harold Green and Margaret McEwen.

Mrs. Oscar E. Smith and Miss Alice Butler entertained the Teachers' Reading Circle and a few other guests Saturday evening at the home of Mrs. James Johns, Sr., on Jackson street. Besides the other members of the faculty of the high school there were present Dr. and Mrs. H. H. Hattery, Mr. and Mrs. E. B. Aldrich, Mrs. Gregory, Mrs. A. C. Hampton, Mrs. R. E. Chloupek, Mrs. William Livingston, Miss Angela Bowler, James Johns Jr., and B. L. Ballard.

Dr. and Mrs. M. S. Kern arrived home last night from San Francisco where they attended the opening of the Panama-Pacific fair and where Dr. Kern attended the lumbermen's convention and also a dental meeting. They made the trip both ways on the steamship "Bear."

Mrs. Robert N. Stanfield entertained a number of children Saturday afternoon in honor of her little daughter, Barbara, whose eleventh birthday it was. The guests were taken to the Alta theater to enjoy the moving pictures and afterwards adjourned to the Delta where birthday refreshments were served. The guests included Edna Murphy, Marie Fletcher, Genevieve Phelps, Katherine McNary, Jane Roosevelt, Iva MacKern, Margaret Humphrey, Harry Mytinger, Wesley Fletcher, Donald Whitman, John Gordon, Segal Parlett, Levi Ankeny and Clayton Rogers.

The home of Mr. and Mrs. Sparks was the scene of a pretty spring wedding yesterday afternoon at three o'clock when Miss Alice Mackenzie of Ukiah became the bride of William Ganger of this city. The ceremony was performed by Rev. Robinson of Walla Walla in the presence of about forty guests. The rooms were very attractively decorated for the occasion.

The bride was attired in a handsome gown of blue messaline silk and her maid of honor was also dressed in blue. A wedding supper was served in the dining room before the departure of the bridal couple on their wedding tour. They were the recipients of many beautiful pieces of silverware, cut glass and china and also of checks for generous amounts.

The bride is one of the charming young ladies of Ukiah and her husband is a young business man of this city. They will be at home in this city at 625 Johnson street after March fifth.

Saturday evening at the home of the bride's parents, Mr. and Mrs. Elmer Snyder, Miss Marie Snyder, a popular young lady of this city, became the bride of Herbert W. Calfee, Rev. C. A. Hodshire of the Methodist church, officiating. Because of illness in the family, the wedding was a quiet affair, only a few relatives and friends being present. The bride has grown to womanhood in this city, being the daughter of a prominent family, and has a large circle of friends. Her husband is a son of Rev. Calfee and came here from Iowa a year or more ago. He has a position in the Hub store. The young couple have taken housekeeping rooms on Johnson street.

Rev. and Mrs. J. F. Robinson of Walla Walla were Sunday guests at the home of Rev. and Mrs. C. A. Hodshire of the local Methodist church.

The annual business meeting of the Current Literature Club, which was scheduled for tomorrow, has been postponed for a week. It will be held at the home of the president, Mrs. James Johns, Sr. on Tuesday, February ninth.

Miss Babe Shea returned this morning from a weekend visit at the Strand ranch at Vanaville.

**Swiss Watching Armies.** PARIS, Feb. 27.—A dispatch to the Havas Agency says that an observatory has been erected on a height near Bonfol in Switzerland where the movements of French and German troops can be watched.

Send for **The Cook's Book** By Mrs. Janet McKenzie Hill **It's FREE**

Our instructions to the famous editor of the Boston Cooking School Magazine were: "Get up a book of recipes of the things people like best. Find the best way to make and bake each one. Then write it out so plainly that even an inexperienced housewife can't have a failure."

"The Cook's Book" was the result. Some of the 90 recipes were originated, many of them were improved upon, and all were personally tested by this best known authority on cooking in America, and she tells so clearly how she made everything that one cannot go astray.

While some of the cakes and pastry are elaborate enough for any occasion, the recipes are all thoroughly practical and call for no expensive and unusual ingredients. In addition to telling how to make them, the book is beautifully illustrated in colors showing how to arrange and serve the dishes appetizingly.

More than half a million of "The Cook's Book" are now in use in American households. Yet the demand is constantly increasing. Many send for two or three at a time to give to friends or young housekeepers. Don't depend on borrowing one from a neighbor—have one of your own.

### How to Get "The Cook's Book"

In every 25c can of K.C. Baking Powder is packed a colored certificate. Send us one of these certificates (paste it on a postal card if you like) with your name and address plainly written, and "The Cook's Book" will be mailed free of charge. Only one book for each certificate.

Address: Jaques Mfg. Company, Chicago

**Intervention Plan Out.** WASHINGTON, Feb. 27.— Intervention by the United States, Argentina, Brazil and Chile to police Mexico and establish order was suggested in the senate by Senator Fall of New Mexico. The senator concluded with an attack upon General Villa. He asserted that Villa, on entering Mexico City, seized and forcibly held for four days a French woman whose husband had joined his colors in France after placing his property in charge of the French ambassador.

"This was not the act of a subordinate—but of Villa—and I am not repeating rumor," said Senator

Fall. "This is the man upon whom the administration, I might say, sincerely seems to have looked to bring order out of chaos in Mexico."

### For the Stomach and Liver.

I. N. Stuart, West Webster, N. Y., writes: "I have used Chamberlain's Tablets for disorders of the stomach and liver off and on for the past five years, and it affords me pleasure to state that I have found them to be just as represented. They are mild in their action and the results have been satisfactory. I value them highly." For sale by all dealers.

## FEW CHANGES IN GAME SEASONS MADE IN STATE

### FIRST HALF OF AUGUST ELIMINATED IN DEER SEASON MOST IMPORTANT.

Though the recent legislature adopted about 30 new game bills very few important changes were made in the seasons and other regulations of interest to sportsmen.

Probably the changes interesting the largest number were those eliminating the first half of August from the deer season and making the season for grouse open on the same date as that for deer, August 15. Both seasons will close the same as at present, October 31.

Although the legislature pretended to change the season on ducks, geese and other migratory birds, Mr. Finley the state game warden, declares that these supposed changes cannot be effective, inasmuch as they conflict with the Federal statutes.

The season on these migratory aquatic birds, he says, "will remain

September 1 to January 15, despite the legislative enactment. The Federal law takes precedence. The Federal law, however, now is being tested in the supreme court, and unless it should be declared invalid it will prevail over the state law."

Under the new law it will be permissible to sell geese killed in Wasco, Sherman, Morrow, Umatilla, Crook and Jefferson counties, a privilege that was not allowed under the old law.

Quail of all kinds, including Bob White, California, mountain, valley and plumed quail, are protected under the new statute, except in Klamath county, where killing will be permitted from October 1 to October 10 and in Jackson and Josephine counties, where they may be killed from October 1 to October 31.

**Silver Gray Squirrel Season Longer.** The season on silver gray squirrel was fixed from September 1 to October 31. The present season is October 1 to 31.

Prairie chickens may be killed in Wasco, Sherman and Union counties from October 1 to 15.

Sage hens will be in season from July 15 to August 31. The present season is August 1 to 31.

The trout fishing season remains the same as at present.

The law governing hunting with dogs is changed slightly. It will be permissible to hunt birds with dogs. If dogs are caught in pursuit of deer it must be proved that the owner was directing them before the owner can be held guilty. The old law made pursuit of deer by dogs prima-facie evidence against the dogowner.

In addition to the changes in the game code, the law governing the Fish and Game Commission and the collection of licenses also was changed.

No licenses will be required by women, either to hunt or to fish. No license will be required to fish in the Pacific ocean or its salt water tributaries for other than game fish and the age limit for boys requiring a license was raised from 14 to 16 years.

**EASY DIVORCE LAW MAY BRING RECALL** CARSON CITY, Nev., Feb. 27.—Opponents of Nevada's "easy divorce" law were talking of starting a recall petition against Governor Emmett Boyle, who signed the bill restoring the six months' residence clause.
