Two Down, Two Cigars. ALBANY, N. Y., March 1.—The modern goblin of legislation is now after the old fashioned "ball dodger" of amusement park and county fair fame. Assemblyman Mulligan believes engaging in this strenuous pastime should constitute a misdemeanor. His bill with such an effect is now pending in the state legislature. Mulligan declares that professional ball tossers have lately made the game exceedingly dangerous for white "dodgers" and even for their more popular colored brothers. If you won't freely climb the wa-

ter wagon, the state should give him a boost. This is the philosophy of Assemblyman Talmage. A measure, sponsored by Talmage, prohibits the sale of liquor to a minor under 21 years of age. The present law places liquor legislation is aimed at the state's college and university students. These when been companions of "John Barleycorn" are alleged to be public nuisances. A legislative attempt is therefore being made to prevent the sale of intoxicants in the vicinity of all state colleges and universities.

OLD SWINDLE REVIVED UNDER NEW SETTINGS

"SPANISH PRISONER" TRICK BOBS UP, ONLY NOW IT'S WAR PRISONER.

The famous "Spanish prisoner" swindle has been modernized and such of the residents of Umatilla county as are on the old mailing list will doubtless soon begin receiving letters telling of the newest way of winning wealth beyond their wildest dreams. For several years this county was flooded with touching letters from a rich "old Spanish nobleman" who had been cruelly persecuted by his political enemies. Somewhere, probably at the end of the rainbow, he had a great pot of gold and sometimes a beautiful daughter, Mercedes. Supplication for small loans to secure the release of the "prisoner" or to care for the daughter was always included in the letter, but the good old Don always promised to divide his fortune. Of course it was something of a 100 to 1 shot but a few estimable citizens of this county, not content with the munificent returns from their wheat fields, "bit" and were "stung."

Dickson entertained for her little granddaughter, Mary Louise Dickson, and on Saturday afternoon Mrs. Sam Paine was hostess for her little daughter. The baby guests at the Dickson party included Elizabeth Jane Bishop, Betty Bond, Margaret Marian Chasman, Burke Hayes, John Chloupek and Kenneth Livingston. The mothers and a few other ladies were present. At the Paine party the guests of little Miss Paine were Jean Frazier, Amy Elizabeth Aldrich, Dorothy Stephens, Betty Jane Eager, Betty Bond, Corrin Calavan, Billy Clarke, John Chloupek and Burke Hayes.

Mr. and Mrs. H. W. Calfee last evening entertained several of the younger members of the Methodist church. The young people assembled at the home of Mr. and Mrs. Calfee in Johnson street and spent a pleasant time. Refreshments were served.

COLORADO RAILROAD RATES PROBED BY STATE BOARD

DENVER, March 1.—The Colorado Public Utilities Commission today opened an investigation in the passenger rates of all railroads operating in the state. Representatives of 28 different roads appeared in answer to subpoenas issued by the commission.

The decision to make the investigation, which is expected to result in many substantial rate reductions, followed the receipt of complaints from various parts of the state. There is absolutely no conformity in rates, the commission declares. Fares vary from three cents a mile to as high as 11 cents a mile on some of the mountain roads.

A state-wide investigation into the rates charged for carrying coal by the railroads is planned by the commission to start March 15.

The principal roads affected by the investigation starting today are: The Santa Fe, Burlington, Colorado & Southern; Rock Island; Colorado Midland; Denver & Rio Grande; Denver, Salt Lake; Great Western; Missouri Pacific and Union Pacific as well as 18 subsidiary branch and local lines.
