Nowadays we get this famous mixture by asking at any drug store for a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that "WAIT 'THA NEXT YEAR" IS THE acbody can possibly tell it has been applied. Besides, it takes off dandruff, stops scalp itching and falling heir. You just dampen a sponge or Griffith's American League Climbers soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.
