SAGE TEA TURNS GRAY HAIR DARK

That beautiful, ever-shade of gray hair not only lets be known to a section of folks, but it is a mark of the man who is old. In fact, it is often called a "gray hair" by those who have heard the tale of the old man who killed a bear with a gray hair.

If you have gray hair, or if you are going gray, you may want to consider using sage tea as a natural alternative to hair color. Sage tea is said to have been used for centuries to treat various ailments, including hair growth.

Here's how to make sage tea:
1. Boil 1 cup of water.
2. Add 1 tablespoon of dried sage leaves.
3. Let it steep for 5 minutes.
4. Strain and drink.

You can also use it as a rinse by adding it to your usual shampoo and letting it sit for 5 minutes before rinsing.

Remember, if you have gray hair, or if you are going gray, you may want to consider using sage tea as a natural alternative to hair color. Sage tea is said to have been used for centuries to treat various ailments, including hair growth.

If you have gray hair, or if you are going gray, you may want to consider using sage tea as a natural alternative to hair color. Sage tea is said to have been used for centuries to treat various ailments, including hair growth.
