By the above news article you may see that the city council has taken the lead toward keeping Pendleton money at home and constantly circulating among OUR home WORKINGMEN and BUSINESSMEN.

It's a grand move and worthy of our united support. The dollar spent at home is merely loaned temporarily. It will eventually come back to us with interest through the course of local co-operation. BUT! On the other hand, if we spend this dollar away from home WE HAVE KISSED IT GOOD BYE.

Let's all put our shoulder to the wheel and boost for the Pendleton Workingman and Businessman.

EVERY HOUSEWIFE can be of great assistance in this popular move and prove a true partner in the home.
