MRS. WINN'S ADVICE TO WOMEN

Take Lydia E. Pinkham's Vegetable Compound and be Restored to Health.

Kansas City, Mo.—"The doctors told me I would never be a mother. Every month the pains were so bad that I could not bear my weight on one foot. I began taking Lydia E. Pinkham's Vegetable Compound and had not finished the first bottle when I felt greatly relieved and took it until it made me sound and well, and I now have two fine baby girls. I cannot praise Lydia E. Pinkham's Vegetable Compound too highly for what it has done for me. I always speak a word in favor of your medicine to other women who suffer when I have an opportunity."—Mrs. H. T. WINN, 1225 Fremont Ave., Kansas City, Mo.

Read What Another Woman says:
Cumming, Ga.—"I tell some suffering woman every day of Lydia E. Pinkham's Vegetable Compound and what it has done for me. I could not eat or sleep, had a bad stomach and was in misery all the time. I could not do my housework or walk any distance without suffering great pain. I tried doctors' medicines and different patent medicines but failed to get relief. My husband brought home your Vegetable Compound and in two weeks I could eat anything, could sleep like a healthy baby, and walk a long distance without feeling tired. I can highly recommend your Vegetable Compound to women who suffer as I did, and you are at liberty to use this letter."—Mrs. CHARLIE BAGLEY, R. 3, Cumming, Ga.

"RED ROSE" WAS AGAIN APPRECIATED HERE
With Zoe Barnett as the star the "Red Rose" was again appreciated in Pendleton last night. It is a musical comedy in which a youthful American art student, his millionaire father, of the rubber trust, his hated rival in the rubber industry and his daughter are shown in Bohemia.
The singing is as good as formerly and among the more popular numbers may be mentioned "Come Along Ma Cherie," "If You Can't Sing, Dance" and "Queen of Vanity Fair."
