

LADIES! DARKEN YOUR GRAY HAIR

USE GRANDMA'S SAGE TEA AND SULPHUR REMEDY AND NOBODY WILL KNOW.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time.

Put brewing at home is mussy and out of date. Nowadays, by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old recipe which can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, feverish, itchy scalp and falling hair.

A well known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears and after another application or two it becomes beautifully dark, glossy and abundant.

ACID IN STOMACH SOURS THE FOOD

SAYS EXCESS OF HYDROCHLORIC ACID IS CAUSE OF INDIGESTION.

A well known authority states that stomach trouble and indigestion is nearly always due to acidity—acid stomach—and not, as most folks believe from a lack of digestive juices. He states that an excess of hydrochloric acid in the stomach retards digestion and starts food fermentation, then our meals sour like garbage in a can, forming acid fluids and gases which inflate the stomach like a toy balloon.

He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of Jad Salts and take a tablespoon in a glass of water before breakfast while it is effervescent, and furthermore, to continue this for one week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas making mass, start the liver, stimulate the kidneys and thus promote a free flow of digestive juices.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice, combined with bicarbonate and sodium phosphate. This harmless salt is used by thousands of people for stomach trouble with excellent results.

NEW CHAMPION SHAKING HANDS WITH THE GREATEST EX-CHAMPION

Jess Willard, New World's Champion.

Bob Fitzsimmons, Greatest ex-Champion.

When Bob Fitzsimmons, greatest of the world's pugilistic champions, since Queensberry fighting began, learned that Jess Willard would go through Baltimore on his way from Havana where he hurried to the station to be among the first to greet the new hero. Bob wore a silk hat and frock coat. He was resplendent, as resplendent as champions are expected to be. Willard was in the plain soft hat he bought when he was a white hope amid scores of white hopes who were the laughing stock of the pugilistic world. He wore the same old suit of clothes which cost

him about \$20 months before he was even matched with Johnson. Willard, in fact, has not been champion long enough to buy a silk hat and a frock coat, which are recognized as the regular uniform of champions and some statesmen. Bob, who with his five feet eleven inches is a rather tall man, had to look up to talk to the new champion who is six feet six inches, some seven inches taller than the great Cornishman. Bob was the smallest Queensberry champion the ring has known, weighing about 160 pounds when he beat

Jim Corbett, March 17, 1897. Willard is said to have weighed 247 when he stepped into the ring with Johnson in Havana, April 5. After Willard reached New York he let it be known that he would don the regular uniform of champions as soon as he had the time to visit a good tailor. He insisted he would leave the White Lights and the Red Lights alone. "They won't get me," he said. "But they 'got' most other champions," he was told. "Yes, I've heard about that, but the little farm in Kansas will take up all my spare time," he replied.

HOG MARKET IS SHOWING STRONG

PORTLAND, Ore.—Considerable strength was shown in the swine trade at North Portland under pressure of a smaller run, although this was somewhat heavier than the nominal showing of last week. Values were lifted 20c to 25c over last week's general figures with extreme tops hugging \$7.85 all through the week. This hog market acted in company with the general American trade for the week, values at practically all points being sharply higher than during the previous week.

General hog market range:

Table with 2 columns: Category and Price. Includes Best light, Medium light, Good to heavy, Rough and heavy, Cattle Market Steady, Select genip fed steers, Best hay fed steers, Good to choice, Ordinary to fat, Best cows, Good to prime, Ordinary, Select calves, Fancy bulls, Ordinary.

WHEAT CABLES VERY STRONG

(Saturday's Market) CHICAGO.—Wheat cables were strong. Cargoes were quoted 60 higher. Large purchases of new crop wheat on this side are confirmed by best authorities abroad. Wet weather is interfering with natural supply of good quality wheat from the Argentine. It is well understood that all importing countries are making an effort to build up reserves for emergency and everything points to an extension of the war operations, possibly on a still larger scale, beyond the harvest period of 1915. These considerations, together with the buying of nearly a million bushels of May wheat by one or two concerns today and almost unlimited buying of July and September on depressions caused by profit-taking or bear operations in working for a reaction, resulted in the strongest upturn of the week for all months in late trades. As usual the local corn trade pressed the bear side too hard and shorts were alarmed the last hour by the action in wheat. Liverpool and Buenos Aires news continue bullish on spot corn. The weather map and the preparations for the new crop in this country are bearish and many of the cash corn handlers report the country offering more freely. Southwest markets made good recovery from an early dip. The feature of the oats trade was the fresh activity and support in the September, which advanced the price better than one cent for the day to 49 3-8c at close. Cash sales were 115,000 bushels. WHEAT. May—Open, 162 1-4; high, 164 1-2; low, 162 1-4; close, 164 1-2A. July—Open, 128 1-2; high, 140; low, 128; close, 129 7-8. Sept.—Open, 126 1-2; high, 129 1-8; low, 126; close, 128 3-4B.

ONLY ONE

The Record in Pendleton is a Unique One.

If the reader has a "bad back" or any kidney ills and is looking for an effective kidney medicine, better depend on the remedy endorsed by people you know. Doan's Kidney Pills have given great satisfaction in such cases. Pendleton citizens testify to this. Here is a case of it: Joseph E. Maggert, 615 Lewis st., Pendleton, says: "I felt quite miserable from a dull, dragging backache, caused by heavy lifting. A friend said that perhaps my kidneys were causing the trouble and told me to try Doan's Kidney Pills. I used three boxes in all and was completely cured." (Statement given May 17, 1910.)

OVER TWO YEARS LATER Mr. Maggert said: "A short time ago when I again needed a kidney medicine, I took Doan's Kidney Pills and one box fixed me up in good shape. My health is now excellent." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Maggert had. Foster-Milburn Co., Props., Buffalo, N. Y.

INTERIOR FIRM IN WHEAT MART

(Saturday's Market.) PORTLAND, Ore.—While open bids on the Portland Merchants' Exchange have been lower for wheat most of the week, values were higher for spot in the interior. This was due to the fact that there has been a very good demand for supplies from middle west and eastern millers. Bloestem

Pacific Power & Light Company

"Always at Your Service"

especially has been in demand and quite heavy shipments are reported in that direction. In fact the call for bluestem from the middle west is so good and the price so favorable that it is unlikely that further shipments will be made to Pacific tidewater during the remainder of the season unless higher offers are made. With eastern oats prices on such a basis that business can now pass from the Pacific northwest to points east of the Rockies, a liberal movement in addition to the one started at interior points during the last week is generally expected.

Grain Sacks—1915, nominal; No. 1 Calcutta, 6 3-4c. Millstuffs—Selling price: Bran, \$25.00; shorts, \$27.00.

Rolled Barley—Selling price: \$29.50 per ton. Corn—Whole \$14@25; cracked, \$25.50@26.50 per ton.

"TIZ" FOR TIRED SORE, ACHING FEET

Ah! what relief. No more tired feet; no more burning feet, swollen, bad smelling, sweaty feet. No more pain in corns, calluses or bunions. No matter what ails your feet or what under the sun you've tried without getting relief, just use "TIZ." "TIZ" draws out all the poisonous exudations which puff up the feet; "TIZ" is magical; "TIZ" is grand; "TIZ" will cure your foot troubles so you'll never limp or draw up your face in pain. Your shoes won't seem tight and your feet will never, never hurt or get sore, swollen or tired. Get a 25 cent box at any drug or department store, and get relief.
