Cut This Out—It Is Worth Money

French Capture Trenches. PARIS, May 29.—By a brilliant charge which swept all resistance aside, the French stormed and occupied a series of German earthworks near Souchez. It was officially announced. A number of prisoners were taken. Fighting everywhere in the north of Arras continues with uninterrupted violence. Around Abbein the French artillery drove the Germans from heavily fortified farmhouses.

Food, Not Stone, Kills.
PHILADELPHIA, May 29.—William Gilfrey, 8 years old, of 4629 Oakland street, was exonerated of the death of 3-year-old Arthur Smith by a coroner's jury. The Smith boy died following a stone fight near his home in Frankford several days ago. An examination by Dr. Wadsworth, coroner's physician, showed that the Smith child died from overeating rather than from a blow as was first supposed.

As soon as this became known, the Gilfrey boy was released.

Strawberry Short Cake
For dinner every Sunday and once or twice on week days is not too often to serve this delicious dessert as long as strawberries last. The whipped cream for the top is not absolutely necessary, but it makes a short cake more attractive to the eye as well as to the taste.

K C Strawberry Short Cake
By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine.

2 1/2 cups sifted pastry flour; 2 1/2 level teaspoonfuls K C Baking Powder; 1/2 teaspoonful salt; 1/2 cup shortening; about 1/2 cup milk; butter; 2 baskets strawberries; between 1 and 2 cups granulated sugar; 1 cup or more double cream.

Hull, wash and drain the berries; reserve a few choice berries to garnish the top of the cake; cut the rest in halves and mix with the sugar. Beat the cream and set aside to chill. Sift together, three times, the flour, baking powder and salt; work in the shortening; then mix to a soft dough with the milk. Spread the mixture in two layer cake pans. Bake about twenty minutes. Turn one cake out on a hot plate, spread liberally with butter, pour on part of the berries; cover with the second cake, also spread with butter, pour over the rest of the berries and put the whipped cream above, with the whole berries here and there.

The Cook's Book contains 90 just such delicious recipes. You can secure a copy free by sending the colored certificate packed in 25-cent cans of K C Baking Powder to the James Mfg. Co., Chicago, being sure to write your name and address plainly.

Circus Band Leader Finds Man Here Who Helped Him as Boy

CHIEF MUSICIAN OF BARNES SHOW GIVES HARRY CLIFTON A SERENADE.

Perhaps some of you noticed that Friday evening when the Al G. Barnes circus band came up town, it stopped in front of the St. George Hotel and played a number of selections. Perhaps you thought the concert was just to advertise the evening performance. If so you were mistaken. Back of the serenade is a story.

The leader of that band is a trombonist by the name of Ed A. Woekener, a very talented bandmaster. Twenty years ago he was a little kid in Erie, Penn., and with his father and mother, sisters and brothers, composed a family band. Harry Clifton, the genial mixologist of the St. George bar, at that time was in the show business and was managing one branch of a big show that split in order to make all of the small towns. The main band went with the other half of the show and Clifton was told to go out and get another band.

He heard that the little town of Erie boasted a band and he hid himself over to that burg. He found the aforesaid Woekener family band, most of the members in knee pants. He hired it and it made good. That was the start of the Barnes bandmaster in the show business.

Now Clifton knows a dozen or more of the chief men in the Barnes show and they sought him out. Incidentally they took along the bandmaster. Introductions followed and recognition was mutual. "Don't introduce me to him," said Woekener, "why Harry's the man that started me in the business."

At once he served notice on all members of the band to meet at the St. George Hotel in the early evening, and he serenaded Clifton. Not content with that he escorted Clifton and some of his friends to the evening performance as special guests, showed them behind the scenes, introduced them to all of the principal performers, explained many things of interest and gave them seats of honor during the performance.

As bandmaster Mr. Woekener has produced a band for the Barnes circus that is a credit to that big tented attraction. Few circus bands heard here have been as good.

You can tell by some men's actions that they are used to eating off a red tablecloth.

Every man imagines that he can put up a convincing argument, but can he?

THE SKEPTICS

Are Becoming Less and Less When They Read of the Remarkable Cures by Dr. Darrin.

The Successful Treatment of This Specialist Creates Confidence.

The Afflicted Have Only This Week to Call on Him at the Hotel St. George.

It is by the skilled and successful mastery of the serious and varied forms of human ills that Dr. Darrin has earned the confidence and support of the people. His marvelous success in curing his patients has overcome much prejudice and skepticism that some persons have just because of his advertising, that he does not remain here permanently, that he may be a quack, or for some other foolish reason, for it naturally follows that whenever a patient is cured of any disease dangerous to life they praise the doctor and urge their friends, relatives and neighbors to consult him which is the secret of Dr. Darrin's large and successful practice.

This is practically the last week for the afflicted to call on Dr. Darrin at Hotel St. George to obtain the most expert treatment that can be given by a specialist for a sure, quick and permanent cure of whatever ailment they may have as the doctor's visit to Pendleton expires next Sunday, June 6th.

A friendly talk will cost nothing and may save years of suffering and perhaps life. Young, middle-aged or old men suffering from any disease or the effects and follies, indiscretions and excesses restored to perfect health and strength.

Ladies suffering from any complication of female trouble should call and have a free consultation (and examination if necessary) with this successful specialist, who has restored many a sick woman to health after doctors have said: "An operation was necessary."

Each visitor is seen privately during the office hours, from 10 a. m. to 8 p. m. daily. All delicate matters held in sacred confidence. Most cases can be successfully treated at home, after one visit to the doctor.

A Good Recommendation.
So different is Dr. Darrin's treatment from other doctors that numberless testimonials are called forth from the cured, of which the following is an example:

Walla Walla, Wash.
Dr. Darrin: Dear Sir—I am as a rule very much averse to giving testimonials but this is one instance in which it gives me real pleasure to recommend your treatment, which has been so efficient in my case for heart, liver and kidney complication. I haven't a pain, eat hearty, with no indigestion, and the bowels regular; sleep well, without having to get up nights as I used to on account of my prostatic trouble. Have gained in weight and feel like a new man. You may publish this if you will, as it will give others confidence in your ability.

JAMES HALLER JONES.

LOCAL MOOSE WIN IN GAME WITH PEBBLES

FIRST TIME PILOT ROCK IS DEFEATED—FINAL SCORE IS 7 TO 6.

It remained for the Pendleton Moose team to take the measure of the Pilot Rock Pebbles. At the Farmers' Picnic at Pilot Rock Saturday afternoon the local Paps turned a trick that no other team has been able to turn this year but it took 11 innings to do it. The final score was Pendleton 7, Pilot Rock 6.

Darling, the Pilot Rock regular, did not work during the entire game. Chief of Police Pickett essayed the mound work for seven innings and then Darling was rushed in to save the day. However, the Moose had a real pitcher in Sennet, the heavy stickers of the Pebbles being unable to do much with him. Errors were frequent on both sides and the rooting was wild.

Eubanks was the star of the Moose in the batting department. In six times up he connected safely four times. Franz is credited with three stolen bases. The Moose lined up as follows: Euhank ss, Moore 3b, Elliott 2b, Franz lf, Henrick cf, Geissel rf, Hanset c, Sennet p, and Kreuger 1b. The score:

R. H. E.
Moose 7 13 8
Pilot Rock 6 5 11

Batteries—Sennet and Hanset; Pickett, Darling and Albrecht.

The results of the other sports at the picnic were as follows:
100 yard dash—Worthington, Athena, first; Chas. Hoekins, Echo, second.
50 yard dash—Worthington, Athena, first; Royer, Pilot Rock, second.
Girls' race—Miss L. Johnson, Pilot Rock, first; Miss Z. Johnson, Pilot Rock, second.
Boys' race—Bennie Johnson, Pilot Rock, first; Wesley Fletcher, Pendleton, second.
Boys' race—Bennie Johnson, Pilot Rock, first; George Runyan, Pilot Rock, second.
Novelty race—Prof. L. P. Gambee, Pendleton, first; W. Shull, Pilot Rock, second.
Three-legged race—Tracy Porter and Walter Terry, Pilot Rock, 1.
Standing broad jump—Won by Newt Royer, Pilot Rock.
Fat man's race—Aubrey Graham, Pendleton, first; Cummings, Pilot Rock, second.

A feature not on the program was a match race, 50 yard dash, for a special prize, between Newt Royer of Pilot Rock and Emery Worthington of Athena, and was won by Royer.

There has been much praise given the Pilot Rock committee and other citizens of that town responsible for the success of the big picnic Saturday.
