

THE NAME SAWTELLE

Establishes the character of your gift.

Upon receiving a gift there are two points that invite the curiosity of the recipient.

What is the character of the gift? And, what is the quality?

Coming from Sawtelle's the gift carries a comfortable feeling as to its character owing to the strict policy and well known appointments of the firm.

The name Sawtelle graven on a box establishes the discrimination of the giver and unquestionably increases the recipients respect for both giver and gift, for the name Sawtelle possesses a significance in a gift that all names do not imply.

"The Story Beautiful," Presented By Father Patrick J. MacCorry

ONE of the masterpieces on the present day American platform is that presented by Father Patrick J. MacCorry, entitled "The Story Beautiful." He is one of the great popular Lyceum orators of the present generation and has a number of lectures, but his "Story Beautiful" is the finest of them all. This is an art education in itself, being illustrated by dissolving slides of world famous pictures. A musical setting accompanies this program. "The Story Beautiful" comes with Chautauqua week, and four people are required to present it.
