ORGANIZATIONS ARE ANTICIPATING FAIR WITH GREAT INTEREST

WEST END TOWNS ARE EAGER TO MAKE EVENT BIGGEST OF ITS KIND.

Committees meet to Discuss Plans for County Fair—State Veterinarian at Hermiston Inspects Registered Stock—Sportsmen Enjoy Salmon Fishing—Other News Notes.

(Special Correspondence.)
HERMISTON, Ore., June 8.—A committee from several of the progressive organizations of the Umatilla project and Hermiston went to Stanfield Friday evening where they conferred with the directors of the county fair which is being anticipated with much enthusiasm in the west end of the county. The committees were as follows: Fruit Growers' association, A. E. Robb and W. T. Sellers; Dairy Show association, F. H. Swayze, H. M. Straw and C. S. McNaught; Jersey Breeders' association, Geo. Crosse and Thomas Haddock; Hermiston Commercial club, F. R. Reeves, Henry Sumner and H. T. Fraser.

Dr. W. H. Lytle, state veterinarian, is here from Salem, making official tuberculosis tests of the registered bulls owned by the Jersey Breeders' Association.

Mr. and Mrs. C. J. Wahlo, of Astoria, spent the week end in this city en route to their home from Westfield, N. J. They made the trip across country by auto as far as Hermiston, where they sold their car. They will leave in a few days for Portland where they will attend the Rose Show before returning to Astoria.

Mrs. Geo. Patterson of Irrigon, who has been the guest of her sister, Mrs. Frank Harrison, will leave the first of the week for Portland where she will visit several weeks with her mother, Mrs. H. T. Irvin.

J. H. Strohm, accompanied a shipment of his hogs to Portland Saturday.

Mr. and Mrs. Thomas Hawthorne of Irrigon entertained a number of their Hermiston friends at Sunday dinner, which was followed by a motor party on the Columbia river in their new motor boat. Among the Hermistonians who motored down to the party were Mr. and Mrs. W. F. Roberts, Mr. and Mrs. G. W. Bohr and little daughter, Mr. and Mrs. J. H. Strohm, Dr. and Mrs. B. G. Monkman, Mrs. S. R. Oldaker and R. C. Walker.

The dance given last evening in Donovan's hall by the baseball club was a most delightful affair. A large number of folks attending pronounced it a great success.

While the salmon run in the Umatilla river has been very much lighter the past two weeks than the two former weeks, sportsmen have had several successful trips to the favorite fishing spots below the Three Mile falls near the diversion dam. Several parties from Stanfield, Echo, Hermiston and Umatilla took their lunches and had a quiet Sunday along the Umatilla Banks.

Did any one else ever tell you that your troubles were of any consequence?

Amusements

What the press agents say about Pendleton's present and coming attractions.

Circus Day is Thursday. "It can't be done," said the office boy, "the city editor's busy."

"But it can be done—" the tall man with the bald head was insistent. "Besides, I haven't notified my scheme yet. And to tell the truth, I might as well inform you of it as anybody else. You know I'm Naked Brain, the press agent, and I'm here to let the whole world in on the secret that the Sells-Flote Circus and Buffalo Bill's Original Wild West is coming here for a one day's engagement Thursday, June 10, at the same old price of 25 cents general admission, including a seat. Every man, woman and child in the city must be informed of the fact that we've got the biggest and best circus in the world, and so I've gotten the idea of a little free exhibition—"

"Somepin' free?" the office boy was interested.

"Something free," came ecstatically from Naked Brain. "It is this: As you do or do not know, among the curiosities of our menagerie is a blood-sweating behemoth of Holy Writ. The Holy Writ hasn't anything to do with the exhibition. I just threw that in for the scenery. But think of it! A hippopotamus that sweats blood! And here's the idea. Just as an exhibition to be given by this paper, we'll have the blood-sweating behemoth come down here on circus morning and sweat blood for the multitude on the steps of the office. How's that, eh, wot?"

The office boy giggled.

"Sweat blood, eh?" he asked. "Say, see the composing room there trying to crowd down eighteen columns into two. And do you see the Managing Editor trying to cut that column story to three sticks? See that, don't you?"

The press agent squinted.

"I see it."

"Then whatta you want to bring that hippopotamus down here for? You can find somebody sweatin' blood around this place about a million times an old day of the year without havin' no Holy Writ animals in to make it worse. But say, I wouldn't let that interfers with you flippin' me them two tickets you promised!"

Bantam Fighters are Both Ready for the Go

Billy Mascott of Portland and Jockey Bennett of Pendleton will finish their real training for their Wednesday night bout this afternoon with fast workouts in the Commercial gymnasium. Tomorrow they will rest up for the strenuous evening go.

Mascott was the drawing card at the gymnasium yesterday afternoon and there were many fight fans present to watch him work out. Bobby Evans, Portland lightweight who is getting into condition for a bout at Weston during the Pioneers' Picnic, is working out with him and they furnished some lively entertainment when they mixed it for a few fast rounds.

Mascott is a youngster of 20 and has only been in the fight game for a year. During that time, however, he has demonstrated he is a comer and his friends declare him on the high road to a championship.

Jockey Bennett has got down to good fighting trim. He has all the advantages of Mascott in ring experience but has an extra 15 years of age to take with him into the match. Mascott is pitting his youth against the veteran's experience.

Raid Details Are Secret.

LONDON, June 4.—Details of the Zeppelin raid over London on Monday night are still being withheld from the public, on account of the rigid censorship.

A coroner's jury sitting today in the case of two victims of the raid rendered a verdict that they had met their death by suffocation and burns, "the same having been ordered by some agents of hostile forces." The persons in question were Henry Good and his wife.

GENEVA, June 4.—There was great rejoicing at Friedrichshafen, the headquarters of the Zeppelin balloon works on Lake Constance, the town being gaily decorated with flags in honor of the first aerial attack on London proper. Many congratulatory telegrams were received by Count Zeppelin.

HOROSCOPE OF KAISER AND EMPEROR JOSEPH IS DARK.

LONDON, May 25.—(By Mail to New York).—Nothing but dark, sinister gloom are in store for Kaiser Wilhelm and Emperor Franz Joseph.

The horoscope of the Hohenzollern and Hapsburg monarchs comes to London today from Picardy, a little village behind the British lines in Northern France. Kaya Andra, Erasmian occult an aged, bony white bearded person drew it from the stars and moon and told it to all the Indian troops. He traveled to Europe with the Indians when they came to fight the Germans.
