The man who cares to be correct wears a Waldomer chain.

These chains have no attachment to the buttonhole but are worn from one vest pocket to the other.

They may be worn in the upper or lower pockets.

If a pencil or knife is carried on one end of the chain it may be more conveniently used by having the watch in the lower right pocket with the pencil in the upper left.

These chains are not only sensible but very attractive and dressy.

We recommend the use of these instead of the fobs and old style chains.

### MASS MEETING CALLED

(Continued from page one.)

Pendleton that the board shall honor the request of the petitioners and elect Mr. Landers as superintendent of the city schools, we assume the responsibility of calling a public meeting to be held on the court house lawn at 7:30 o'clock in the evening of June 12, 1915, for general conference of the people, the school board and Mr. Landers.

We therefore respectfully request the presence at that time and place of the members of the board, Mr. Landers, and the general public, in order that misunderstandings may be eliminated, further friction avoided, and the desire of the people carried out by the board without delay.

Dated this 11th day of June, 1915.  
VESTA RUGG,  
WINNIE REETZ,  
MARY BYRD,  
MARY RAMSDALE,  
ETTA M. MAY,  
ETTA WHEELER,  
MRS. E. C. ANIBAL.

To the Board of School Directors, Pendleton District, Umatilla County, Oregon.

Gentlemen:—The signers hereto representing the Citizens' Committee having in charge the petitions presented to you on the evening of June 8th, 1915, asking the re-election of J. S. Landers as superintendent of schools, and in answer to your suggestion then made that we designate a subcommittee of five to discuss with you at a future meeting the subjects involved, respectfully decline for the following reasons:

First. We have no authority to act in the premises, the powers delegated to us having been the circulation and presentation of the petitions, which speak for themselves.

Second. We regard the school board of this, and every other district, as the servants of the people, not their masters, and the manifest sentiment of the people of Pendleton, as expressed by the petitions now before you, would not be changed by any discussion in which we might engage.

Third. There are about 1500 names upon the petitions filed with your clerk, and many more could have been secured had time for further circulation permitted. We believe the petitions reflect the sentiment of fully three-fourths of the people of the school district, probably more than that.

Fourth. The right of petition is as old as the republic itself, and it is the only method by which any considerable body of the people can make their desires known to public officers. As we view it, you should welcome such manifestation of public sentiment, and respect it without controversy by obedience to the public will.

Fifth. The experience we had before your body when we presented the petitions was not of such character as would make further conference inviting, either to us or to any other citizen whom we might designate.

Respectfully,  
VESTA RUGG,  
WINNIE REETZ,  
ETTA M. MAY,  
ETTA WHEELER,  
MRS. E. C. ANIBAL,  
MARY BYRD,  
MARY RAMSDALE.

Joe Berger, erstwhile star flier for Pendleton ball teams, passed through this city last evening en route to Cedar Rapids, Iowa, to play with the team of that city. He will be on the same team with Ray Augustus who used to play at shortstop for Pendleton.

**Little Girl Dies.**  
Beale, the ten year old daughter of Mr. and Mrs. Thomas Galtbreath, died yesterday at St. Anthony's hospital of heart disease. The funeral was held this afternoon at the Polson chapel at 2 o'clock. The little girl had been ill for some time. Her father is an employe of the J. E. Smith Livestock Co.

**Al Ringling Is Dead.**  
While the Sells-Floto and Buffalo Bill circus was here yesterday the showmen received word of the death of Al Ringling, one of the Ringling brothers who have been so prominent in the circus world. He had been sick for a long time. His passing caused a great deal of comment among the circus people.

**Home Mission Board Meets.**  
Rev. G. W. Healey of Milton, Rev. H. A. Noyes of Vincent, Rev. J. M. Gilbert of Pilot Rock, Rev. J. M. Cornelison of Tutulla, and Judge J. V. Maloney of Pendleton, comprising the home mission committee of the Pendleton Presbytery, are meeting in Pendleton today for the purpose of disbursing the \$5000 home mission fund among the churches of the Presbytery.

**Photographed Col. Bill.**  
While here yesterday Col. W. F. Cady (Buffalo Bill) was photographed by Major Lee Moorhouse. The famous old scout was snapped in company with his little grand son Buffalo Bill Jr., Barbara Stanfield and Gertrude Morton, granddaughter of Major Moorhouse. This is the second time Major Moorhouse has taken the picture of Buffalo Bill, the former picture having been taken 13 years ago.

**Stolen Auto Recovered.**  
When Robert Jones, well known young farmer, came out of the circus last evening, he found his automobile missing. He reported the matter to the officers and this morning Sheriff Taylor received word that an abandoned car was standing near the county poor farm. It proved to be the Jones car undamaged. A similar occurrence marked the appearance of the circus in Walla Walla on the night before. W. G. Bada missed his auto and it was found yesterday near Freewater.

**Suit For Divorce.**  
Mrs. Sarah Hatton of Pendleton today brought suit for divorce against her husband, Joel Hatton, and for the custody of the two minor children, Dee and Harold Hatton. She also asks for \$25 a month permanent alimony. The couple were married in Clarke county, Washington in February, 1884 and, plaintiff alleges, defendant has failed to contribute to her support for the past few years. She also alleges he wrote an anonymous letter to her in August, 1911, that made further marital relations with him impossible. S. A. Lowell is her attorney.

**Will Improve Meacham Road.**  
The county court has given W. Gefeke instructions to take a crew of workmen and improve the Meacham road. The work will start Monday and the crew under Mr. Gefeke will camp on the job until the work is completed. The work will last several weeks and will consist in removing roots of trees from the road, in filling holes and otherwise improving the roadway. This is being done by the court in lieu of the building of a new road recently asked for by a petition presented the court. It was felt the county could not afford the expense of the new road asked for.

**Turner Still in Voice.**  
Elmer E. Turner, whilom king of baseball rooters in these parts, is still in voice. Though he is not here to discomfit rival teams, his ability is being recognized in Stanford, Montana, which place he now calls home. He writes that last Sunday it fell to his lot to pit his voice against the chief rooters of the town of Guiser and that he drowned them out as easily as if they had come from Walla Walla. Incidentally, he says, the Stanford team won the game. Forgetting baseball and talking crops, he declares prospects are better there than they have been for years. Already three inches of rain has fallen

this month and more is in sight. Harvest there starts about August 1, he states.

**Case 10 Years Is On.**  
PITTSBURG, June 9.—Joseph Jarolanso, alias Giuseppe Chiarolanso, is on trial in court charged with the commission of a murder nearly 10 years ago. He pleaded not guilty when the indictment was read to him in open court.

The defendant and Bernardo Cuello were invited guests at a christening held January 14, 1906, at the home of Joseph Tranga, 3216 Station street. Tranga, the commonwealth attorney, put the two men out of the house, and in a fight which occurred in an alley back of his house, Cuello was stabbed to death. Tranga was arrested at the time and tried for murder, being acquitted April 26, 1909.

Jarolanso fled to Philadelphia, where he has been residing until November 3, when he was apprehended by the city police and returned here for trial.

**Convict Fans Are Silent.**  
OSSINGTON, N. Y., June 9.—In a "noiseless" baseball game here a few days ago the Sing Sing prisoners showed their silent scorn for the pro-fence village trustees against their cheering and Sunday baseball. They also won their game from St. Augustine Athletic club by a score of 4 to 3, making the second victory from that team and the third victory in the four games played. The prisoners sat like a deaf mute school until the seventh inning, when
