LOCAL PEOPLE ARE CO-OPERATING FOR CHAUTAUQUA WEEK

(BY E. W. McDANIEL.)
Advance Mgr. Ellison-White Company
A spirit of co-operation and a feeling of combined resolve fills the atmosphere in Pendleton as the opening day of the big Pendleton Chautauqua draws nearer and nearer. Lawyers, business men, ministers, society leaders—all are doing their utmost to make the assembly in Pendleton this season the best it has ever been. Success is assured, as every enthusiast in the entire city is continually boosting from morning until night.

The women of the city are doing splendid work lining up the ticket sale in various portions of the town. Business men are leaving their work to tell their friends and neighbors what the coming chautauqua is and will mean to them. It is this spirit of resolve that is going to make the Pendleton chautauqua this season an unparalleled success.

Realizing that every community is benefited by a chautauqua, the live wires of Pendleton are uniting in every possible way in order that they may be influential in bringing prosperity to their city. The churches have joined hands with the other institutions. All are working in harmony. The combined efforts of all the various groups and associations is working wonders in bringing business matters to a close.

Arrangements are being made for special banquets and entertainments to be given in honor of the talent during their stay in Pendleton. Nothing definite has yet been given out, but the business organizations are at work on their plans.

Supt. Klancy Miller, who will have charge of the platform work here, sent the following message to Pendleton workers today:

"Tell Pendleton boosters that we have heard of their valiant efforts. Talent anxious to reach their city and state they will exert themselves more than ever to please the good people of Pendleton. The program for Pendleton is the best ever."

Supt. Miller will be in the city a few days before the opening program. He has been connected with this work for several years and is regarded as one of the strongest platform men in the west. He is a graduate of Willamette University and has been engaged as an educator in the state for many seasons. He has planned a series of special entertainments for Pendleton that will undoubtedly lead much west to the entire program.

Mrs. L. A. Robinson, morning hour lecturer, will appear the morning of Wednesday, June 23. She is to deliver her famous lecture, "The Sweating System of Great Britain and America." While at Fresno, California, she was given many banquets by society leaders and was a favorite with all women's organizations. She is one of the strongest feminine platform artists in the west. Having traveled extensively she is highly entertaining and in great demand wherever she is booked with the chautauqua. Her lectures on Thursday morning, June 24, is to be the noted, "The Passion Play of Oberammergau."

By request Mrs. Robinson is to deliver the lecture, "National Righteousness" when she appears in Pendleton. This is one of the most appealing morning hour lectures this talented woman is presenting to chautauqua audiences in the west.

The perils of the yellow nations and many other kindred subjects are to be handled by Mrs. Robinson. Various women in the city are making arrangements to hold special banquets during the week in her honor.

This is but one of the many series of excellent programs to be given when the Pendleton Chautauqua opens for a week of unsurpassed entertainment beginning the evening of June 22 with the "Magical Fiasco" of Boston.

But Miss Ayres Got a 'Beautiful Complexion' at a Cost of Only \$2.00

Nov. 23, 1914.—"All my life my face was covered completely with a mass of pimples, blackheads and blotches. I spent a lot of money on numerous remedies and treatments without success and no relief at all. I tried so many things that I was afraid my case could not be cured. Resinol Ointment and Resinol Soap seemed to do me good right from the first. I used two jars of Resinol Ointment and some Resinol Soap, the total cost being only \$2.00, and this completely cured my case. My skin is now as clear as glass and I am the possessor of a beautiful complexion." (Signed) Mabel Ayres, Stone Mountain, Va.

Every druggist sells Resinol Soap and Resinol Ointment, and physicians have prescribed them for twenty years in the treatment of eczema and other tormenting skin troubles.

Baking Helps

Valuable Suggestions
By Mrs. Nevada Briggs, Exponent of the Art of Baking, as taught by Mrs. Janet McKenzie Hill
Helpful Cake Making Hints

Always sift flour and K C Baking Powder at least three times. The more sifting, the lighter the cake. Remember that! To cream butter and sugar quickly, warm the sugar slightly. Beat yolks of eggs with rotary beater. Whip whites of eggs with flat spoon whip. Water makes lighter cakes; milk makes richer cakes.

To mix a cake, first cream butter and sugar thoroughly, then add yolks, if used. Then alternately add moisture and flour that has been sifted with baking powder and stir until smooth and glossy, adding egg whites after thoroughly mixing.

Always use K C Baking Powder. Biscuit Helps

Always sift flour and K C Baking Powder at least three times.

Have shortening cold and firm. Mix dough as soft as it can be handled. The softer dough goes into the oven, the lighter the biscuit when it comes out. It is easier for K C Baking Powder to do its work in soft than in stiff dough. Mix biscuits very little. Do not knead. Stir up with spoon or knife and press in shape to roll on floured board.

With K C Baking Powder results are sure and certain. Ask your grocer for K C.

The drills and musical numbers were especially good. Mrs. Hagar sang very sweetly "The Children's Friend," touching all hearts. The little men and maids in "The Rainy Day Brigade" captivated the audience. "America," sung by young ladies dressed in white and wearing wreaths and sashes of the National colors, was well received. Space forbids special mention of all the good things but thanks are due to those who had the program in charge.
