**TORPEDO OF SUBMARINE E-1 COULD SINK ANY BATTLESHIP AFLOAT.**

This photograph of a torpedo used by the American submarine E-1 shows to some extent the American preparation for war. The photograph was taken with the camera of the submarine sailor who is shown beside the torpedo. It is powerful enough to sink any man of war afloat.

The E-1 was the submarine which made the wonderful trip of 1230 miles from Key West to New York. It is doubtful if any submarine so far used in the war in Europe has gone so far without outside aid.

**Changing Glasses An Admission of Incompetency.**

A normal eye can see distant objects as well at 60 or 70 as at 10 years. If your eye has been made normal with a "correct" glass, why should it be changed?

In Pendleton and vicinity we have five hundred patrons who are absolutely guaranteed that they will never have to have their glasses changed except for the reading distance.

We are here to make good.

Is it economy or good policy to buy glasses and eye testing that will answer the purpose for a few months or possibly three or four years?

**How Mrs. Hurley Was Restored to Health by Lydia E. Pinkham's Vegetable Compound.**

Eldon, Mo. — "I was troubled with displacement, inflammation and female weakness. For two years I could not stand on my feet long at a time and I could not walk two blocks without enduring cutting and drawing pains down my right side which increased every month. I have been at that time purple in the face and would walk the floor. I could not lie down or sit still sometimes for a day and a night at a time. I was nervous, and had very little appetite, no ambition, melancholy, and often felt as though I had not a friend in the world. After I had tried most every female remedy without success, my mother-in-law advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and gained in strength every day. I have now no trouble in any way and highly praise your medicine. It advertises itself."—Mrs. S. T. HURLEY, Eldon, Missouri.

Remember, the remedy which did this was Lydia E. Pinkham's Vegetable Compound. For sale everywhere.

It has helped thousands of women who have been troubled with displacements, inflammation, ulceration, tumors, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration, after all other means have failed. Why don't you try it? Lydia E. Pinkham Medicine Co., Lynn, Mass.
