PITCHER DARLING OF PEBBLES, BEST MAN IN THE B. M. LEAGUE

WINS THE HONOR AND THE TROPHY FOR BEING THE MOST VALUABLE PLAYER.

Record of Having Won His Every Game During the Season Combined With His 400 Batting Average Puts Him in Class Where None Can Dispute Claim to the Place.

To Pitcher Darling of the Pilot Rock team goes the honor and the trophy for the most valuable player in the Blue Mountain League. His record of having won his every game during the season combined with his 400 batting average puts him in a class where none can dispute his claim to the place.

Who will get the trophy awarded to the best fielder has not been decided. Ernest Knight, Pendleton outfielder who played in every game, finished with a perfect percentage, as did F. Markham and Stubbs of Stanfield and Rankin and Hayes of Pilot Rock. However, these other players did not play in every game and had few chances. The only serious contender with Knight is Albrecht, the Pilot Rock catcher who made but one error out of 153 chances.

One of the reasons why Pilot Rock made such a remarkable record during the season is revealed in the list of leading batters. The first four places go to Pebbles by big margins. Gilbert with 545 is followed by Pickett with 428, Darling with 400 and Clock with 395. Norman of Stanfield made an average of .323, Varian of Pendleton hit for .323 and S. Markham of Stanfield hit .315. These are all of the batters with an average of .300 or better.

Forest Shelling Violent. PARIS, July 7.—The following official communication was issued by the French war office.

"There has been relative calm along the whole front, without infantry action. There is nothing to report except artillery activity on the part of the enemy a certain points between the Meuse and the Moselle. The region of the forest of Le Pretre has suffered particularly a violent bombardment with big shells."

Girls Told to Say "No."

ST. LOUIS, July 7.—The man who will not take "no" for an answer is not a desirable husband, according to Mrs. Alice Rubin, who recently successfully contested the second divorce suit in which she has figured in the court of common pleas.

Mrs. Rubin says she knows the truth of her statement because, while she is only 24 years old, she has been married twice—each time because the man who wanted her as a wife repeatedly insisted that his proposal be accepted.
