GERMANY'S REPLY TO AMERICAN NOTE DOES NOT SATISFY

Government Officials do Not Try to Hide Their Disappointment Over Position of Kaiser.

LANSING WILL SEE WILSON

Secretary of State Will Go to Cornish for Conference As Soon as the Official Text of Reply Has Been Received—Germany Gives No Evidence of Making Reparation.

WASHINGTON, July 10.—Secretary of State Lansing will go to Cornish where he will meet President Wilson as soon as the official text of the new German note has been received, it was announced. The announcement followed a long distance conversation between the president and Mr. Tamm.

WASHINGTON, July 10.—Germany's reply to the American note made public in Berlin last night is entirely unsatisfactory. Officials did not conceal this opinion today.

WASHINGTON, July 10.—Germany's reply to the American note made public in Berlin last night is entirely unsatisfactory. Officials did not conceal this opinion today. The situation is fraught with dangerous possibilities, they considered. The consensus of opinion is the president will reiterate demands for a recognition of the rights of Americans traveling in safety on the high seas.

If, while refusing to accept the American position in principle, Germany refrains in practice from resuming submarine attacks upon vessels carrying Americans, it was agreed the matter probably would continue to drift along as at present.

Shriners From All Points Arriving to Attend Convention

FIRST IMPERIAL COUNCIL WILL OPEN MEETINGS NEXT WEEK AT SEATTLE

SEATTLE, Wash., July 10.—With thousands of flags and pennants streaming and miles of oriental designs—pyramids, scimitars, crescents, sphinxes and stars—stretching along the business thoroughfare, Seattle today greeted the vanguard of the nobles of the Mytic Shrine who arrived from every direction to participate next week in the fifty-first imperial council.

The entire city is ablaze with color, the national hues blending with the Shrine colors of blue, red and yellow. From the skyscrapers long lines of rainbow-colored incandescents drop to other strings of brilliant lights over the main streets, while practically all the big business structures are gay with bunting and flags.

Although the council itself will not begin until Tuesday, the local nobles have arranged a program lasting for seven days known in Seattle as "Shrine Week."

Sunday, Noble Mark A. Matthews, pastor of the First Presbyterian church, Seattle, the largest in America, and past moderator of the Presbyterian church, will hold special devotions for the visitors.

Another series of religious services will be conducted by Bishop Frederick W. Keator, potentate of Affit Temple, Tacoma.

The remainder of the Sabbath will be spent in getting settled, in automobile rides over Seattle's famous interlaced boulevards and in concerts by visiting bands before the Shrine stadium, an amphitheater erected for the convention seating 16,000 persons.

The majority of nobles will reach Seattle Sunday and Monday. Fourteen special trains accompanying the imperial potentate, Dr. Frederick R. Smith, of Rochester, New York, and the imperial special are now en route from St. Paul and will arrive here Monday shortly after nine o'clock.

FOUR MEN SECURE \$200,000 LOOT IN HOLD-UP OF TRAIN

GREENVILLE, Ala., July 10.—Four masked men held up the Louisville and Nashville railroad southbound limited near here early today. Loot estimated as high as \$200,000 was secured. Five suspects have been arrested by one of a dozen posse scouring the woods.

Conductor Phil McRae died, probably fatally hurt during the holdup. The robbers stopped the train and covered the engineer and fireman with revolvers. The men on the express, baggage and mail cars were rounded up. The engine, express, baggage and mail cars then were cut from the remainder of the train and run some distance down the track.
