

### SAGE TEA KEEPS YOUR HAIR DARK

WHEN MIXED WITH SULPHUR IT BRINGS BACK ITS LUSTER AND ABUNDANCE.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wispy and scraggly, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the tonic at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound."

Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully and removes dandruff, stops scalp itching and falling hair; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

A number of St. Louis women are collecting large sums of money to found homes for old dogs and cats. All the cats and dogs we ever saw always found a home, even if it was a neighbor's home and the hour was midnight.—Montgomery Advertiser.

#### Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and this tube is inflamed by a catarrh of the middle ear, which is caused by Catarrh of the nose and throat, and is not cured by local applications. It is cured by the use of the Catarrh Cure, which is sold by Dr. J. C. Cheney & Co., Toledo, Ohio. Sold by Druggists, etc. Take Hall's Family Pills for constipation.

### WHEAT IS UP ON CHICAGO MARKET

(Monday's Market.) CHICAGO.—Continued unfavorable weather over the winter wheat belt and strong cables caused a higher opening in the pit today.

Wheat prices were up 5-8 to 2 5-8 cents while oats started with an advance of 3-7 to 7-8.

The trade was fairly active. The light supply of old wheat and the weather are the two most important factors at present bearing upon the course of values.

The eastern demand for oats was good and trade demand for corn was fair.

In the later trading there was some reaction in wheat due to some profit taking.

Provisions were lower at the outset of trading.

All grains closed lower. Wheat was off 1-8 to 2 1-4 from opening figures. Corn was down 5-8 to 1 1-4 and oats finished with a decline of 12 to 1 1-4c.

Provisions closed weak.

SUCCESS OF A MEDICINE.  
All things succeed which fill a real need; that a doctor is kept busy day and night proves his ability and skill; that Lydia E. Pinkham's Vegetable Compound is sold in enormous quantities in almost every city, town and hamlet in America and in foreign countries as well proves its merit and women are found everywhere who tell of health restored by its use.—Adv.

Peculiar Package Found.  
BALTIMORE, July 13.—A small paper-wrapped and cotton-padded package was found by a policeman under the Pennsylvania railroad bridge at Patterson Park avenue and Eager street here. On the wrapper was written "White House, Washington, D. C., explosive."

On examination it proved to be a cartridge about six inches long, apparently of the kind used in machine guns. About the cartridge was wrapped a fine filament of copper wire.

### WOMAN SAYS GIRLS ARE FAILURE IN BUSINESS

DENVER, Colo., July 12.—Girls you're no good in business! A woman said so.  
Mrs. E. A. Hodgkins, instructor and advisor of employes in Denver's department stores, speak with authority.  
"If I were the owner of a large store I would employ only men. Women have only their intuition to depend upon to succeed in the business world. They lack judgment and reasoning powers. They do a thing but cannot tell why they did it. Their inherent

Inability to give a reason when asked why prevents them from being as valuable to business as men."  
These are Mrs. Hodgkins' words. Her professional title is "efficiency expert."  
"Women are paid less than men not because their sex is unfairly treated," Mrs. Hodgkins continued, "but because they are worth less. I do not say that women are utterly unfit to be in the business world but certainly, if I were an employer, I would hire men in preference to women. I should consider women too much of a risk. There are many exceptionally well-balanced women but even they are likely to fall when it comes to a matter of reasoning. A woman gambles where a man reasons."

"A saleswoman may increase the profits of her department, but ask how she did it and she can't tell you. She took chances, trusting to her intuition. Women never will deserve equal pay with men in business until they develop correct reasoning powers, and I fear that will not be for a long, long time—not perhaps until a new race is developed."
