Berlin Expresses Regret.
LONDON, Aug. 24.—A dispatch to Reuters Telegram Company from Copenhagen says: "The German government has expressed regret for the torpedoing and

sinking in the North Sea on May 25 of the Danish steamer Betty, and announced its willingness to pay for the steamer.

"It is said by Germany that the submarine commander failed to see the mark denoting Danish nationality on the steamer and assumed from the route of the vessel that it was going to join the British fleet as an auxiliary cruiser."

SENORA FRANCISCO VILLA

WOMEN

Speaking of the hostess situation at the Oregon building at the Panama-Pacific exposition, the San Francisco Examiner has the following to say that will be of interest to the many friends of Mrs. Thomas G. Halley:

The Oregon reception and ball Tuesday night displayed the two joint hostesses of the Oregon building in graceful accord and excellent spirits. The Oregon commission appointed two official hostesses to alternate throughout the exposition season, reserving the privilege of selecting a third if necessary.

Mrs. Thomas G. Halley of Portland was hostess from the opening day of the exposition until June, with the responsibility of establishing Oregon's social status among the state buildings. Mrs. Halley is a gentlewoman of rare beauty, refinement and character. She is the widow of one of Oregon's most brilliant lawyers and publicists. She is an especial favorite and leader in Portland society. Her gifts and graces proved a distinct asset to the state, and made Oregon immediately popular in the whole social life of the exposition, of which she was an especially popular figure.

Mrs. Halley's time expired in June and then Mrs. Charles A. Gray of Salem, Oregon, began her term of three months as hostess, which has been effective and successful and has covered many of the most important occasions of the state and the exposition.

Commissioner Loman said last night that when Mrs. Gray's term as hostess expires in September the commissioners will find it easy to arrange between these two eminently capable hostesses for Oregon's right social place in the last three months of the great fair.

Mrs. Martin A. Ferguson is back from Emmet, Idaho, where she visited at the home of her daughter, Mrs. Vernal Backman.

Miss Ruth Rothrock of Athens is visiting with her high school and college friends in the city.

MULDOON SLATED FOR STATE JOB

WILLIAM MULDOON

WILLIAM MULDOON

NEW YORK, Aug. 24.—Although Governor Whitman has refused to give an inkling as to the men he will name for membership on the New York Athletic Commission next month it is known that the governor is giving the subject much attention. He has consulted William Muldoon of White Plains recently in regard to the formulation of new rules which might improve the boxing game. It is known that Governor Whitman has a high regard for the veteran trainer, who is known all over the country for his famous resort and it would not be surprising to close followers of the game if Muldoon is named as one of the boxing commissioners.

Turkey Calls for German Professors.

Now Are the Days Children Need Care

SUMMER HEAT DANGEROUS TO LITTLE ONES IF BOWELS ARE NEGLECTED.

A mother cannot do better for her child than to train it from early infancy to regular habits, not only as preventive against much of the illness to which children are more or less subject, but also to insure their health in later life.

Normal activity of the bowels is the basis of sound health. This is especially true with children in hot weather. Do not neglect any tendency they may show to constipation, but promptly administer a gentle laxative, that will carry off the congested waste without shocking the system.

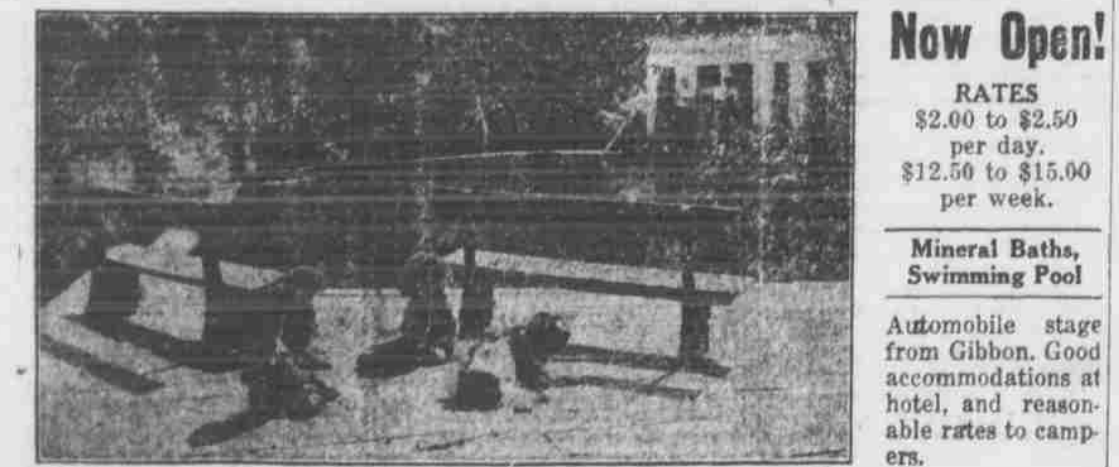

An excellent remedy for this purpose is the combination of simple laxative herbs with pepsin known as Dr. Caldwell's Syrup Pepsin and sold in drug stores for only fifty cents a bottle. It does not contain opiates, narcotics, or harmful habit-forming drugs of any description, acts easily and naturally without griping or other discomfort and is positive in its effect.

Dr. Caldwell's Syrup Pepsin has been the standard remedy in countless homes for a quarter of a century and thousands of mothers testify to its virtues. If you have never used a bottle, it does not contain opiates, narcotics, or harmful habit-forming drugs of any description, acts easily and naturally without griping or other discomfort and is positive in its effect.
