SAID TO BUNGLER WAR BUSINESS

Lord Kitchener.

Lord Kitchener, once the idol of the British nation, has apparently fallen from his pedestal. Severe criticism has been directed against the secretary of war for the alleged bungling of plans regarding the campaign in Europe. France already is

said to be much dissatisfied with the part which England is taking in the war and the English government has practically admitted that it has fallen down on the job. Kitchener, however, has maintained his job and seems to be hopeful that Britain will fulfill her part in the war despite the mistakes that have been made during the first year of conflict.

Recommends Chamberlain's Colic, Cholera and Diarrhoea Remedy. "I never hesitate to recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy," writes Sol Williams merchant, Jesse, Tenn. "I sell more of it than of any other preparations of any other preparations of like character. I have used it myself and found it gave me more relief than anything else I have ever tried for the same purpose." Obtainable everywhere.—Adv.

John D. Asks Watchdogs. TERRYTOWN, N. Y., Aug. 26.—At the request of John D. Rockefeller all tenants upon his estate here, more than 70 families, will obtain watch dogs at once, the cost of which he will return to them. Three fox terriers, valued at \$20 apiece, were brought to the estate recently and orders for many dogs of all types have been made by the tenants as a result of the request.

It is assumed that a series of recent events is responsible for the action of Mr. Rockefeller. Additional guards have been placed all about the estate since the attack upon Mr. Morgan and the recent escape of Louis L. Pillsod, a prisoner at Sing Sing, has added to the tension. Pillsod walked across the Sleepy Hollow Country Club golf links and was seen to enter the edge of the woods of the Rockefeller estate. Since prison guards and prisoners have been engaged in a search over the greater part of the estate.

Most of the families living on the estate are in semi-isolated locations and the protection afforded by watch dogs at each of the houses will greatly increase the protection arranged for the Rockefeller home.

Sucker Fish No Sucker. OCEAN CITY, N. J., Aug. 26.—When Royal Thiefs, of New York, who is passing the summer at his cottage here, caught a six-pound weakfish he turned it over to his cook to prepare for the evening meal. The cook upon cutting the weakfish open found a sucker fish six inches long clinging to the throat of the big fish. The sucker fish wasn't sucker enough to take a chance in deep surroundings.

EGGS ARE ACCEPTED AS COIN AT CALDWELL

CALDWELL, Aug. 26.—A new legal tender has been introduced here. As far as durability is concerned, eggs may not measure up to Uncle Sam's medium of exchange, but they look perfectly good to a local real estate firm which is offering four or five acre tracts at the price of 50 eggs a day, for five years.

It is estimated that each tract will support 500 hens, and that 100 of these in their turn will keep the egg production up to the point necessary for the daily payment. The other 400 will make a good living for the average man, it is believed.

All the purchasers need to do is to equip the place for the business, keep putting the right kind of egg-producer into his fowls, keep sweet, be honest in his count, work four hours a day, buy his feed at harvest and read the poultry department in a good farm paper.

Great School Desired. OAKLAND, Cal., Aug. 26.—A university at Washington, D. C., with 1000 professors and an income of \$10,000,000 a year, to teach students of all nations, was suggested as a short cut to world peace by Philander P. Claxton, United States Commissioner of Education at the annual luncheon of the board of managers of the American School Peace League.

Mr. Claxton made the suggestion after Dr. David Starr Jordan, chancellor of Stanford University, had termed the education of Japanese in American universities "a large factor in promoting friendly relations with Japan."

"I would like to see a magnificent university founded by this nation at state of Ohio, city of Toledo, Lucas County—"

Frank J. Cheney makes oath that he is under partner of the firm of F. J. Cheney & Co., doing business in the City of Toledo, County and State aforesaid, and that said firm will pay the sum of ONE HUNDRED DOLLARS for each and every case of Catarrh that cannot be cured by the use of HALL'S CATARRH CURE.

FRANK J. CHENEY. Sworn to before me and subscribed in my presence, this 6th day of December, 1915. A. W. GLEASON, Notary Public. Hall's Catarrh Cure is taken internally and acts directly upon the blood and mucous surfaces of the system. Send for ten minutes' free trial. J. CHENEY & CO., Toledo, O. Sold by all Druggists. The "Hall's Family Pills for constipation"

Washington with an annual appropriation of \$10,000,000. Mr. Claxton said, "so that a thousand of the best professors might be gathered there—such a university would be attended by pupils from all parts of the world, who would carry back to their native countries a doctrine of right and brotherly love that would do more than anything else to bring universal peace."

"The United States would be doing a greater good than we can imagine by founding such a school and at a cost which would be less than that of a warship."

Dependancy Due to Indigestion. "About three months ago when I was suffering from indigestion which caused headache and dizzy spells and made me feel tired and dependant, I began taking Chamberlain's Tablets," writes Mrs. Geo. Hon. Macedon, N. Y. "This medicine proved to be the very thing I needed, as one day's treatment relieved me greatly. I used two bottles of Chamberlain's Tablets and they rid me of this trouble." Obtainable everywhere.—Adv.

Japan Orders Munitions. TOKIO, Aug. 26.—Premier Okuma and Minister of War Oka have paid a visit to Nikko to report to the Emperor their plans for increasing the supply of munitions in accordance with the decision recently reached to employ all available resources, both governmental and private, for swelling the nation's output to aid Japan's allies in the war.

Orders have been dispatched to the foundries and factories of the empire that are engaged in the production of munitions to rush their work.

Mulatto "King" Arrested. CLEVELAND, Aug. 26.—Richard Miller, a young mulatto, tried in municipal court recently as a suspicious person, told Judge Baer that he does odd jobs for a living, but has been so economical that he is able to own an automobile and employ a white chauffeur.

Four witnesses, however, gave a different explanation of Miller's opulence when they testified he is known to Cleveland's underworld as "king" of the dope sellers. Miller, who lives at 1418 Oregon avenue, received the maximum sentence under the suspicious person law of 150 fine, cost and 30 days in the workhouse.

GERMANY'S STRONG MAN.

BARON BETHMANN HOLLWEG.

The imperial chancellor of Germany is one of the big figures of the war. Despite rumors of a break between him and the Kaiser, no confirmation of this report has been received, and many believe the story is a fabrication of Germany's enemies.

MINISTER FOUND MURDERED AFTER PRO-GERMAN SPEECH

AUTHORITIES OF GARY BELIEVE THAT SLAVE RESPONSIBLE FOR CRIME.

GARY, Aug. 26.—Bloodhounds were taken to the spot where the body of Rev. Kaiser was found in an effort to trail the murderer of the Lutheran minister who is believed to have been killed because of his pro-German sympathies and utterances.

GARY, Ind., Aug. 26.—Feeling ran high today in Gary over the murder of Rev. Edmund Kaiser, who was slain after he publicly had denounced the allies. Chief of Police Heintz is certain the murderer or murderers struck down Kaiser in revenge for his utterances. He believes that slave employed in the steel mills are responsible. The body was found lying in the bushes near Kaiser's home. Cords were twisted about his neck and wrists and bullets were in his neck and shoulder.

Believe Mine Responsible. BERLIN, Aug. 26.—Many high officials here express belief that the Arabie was sunk by a mine, many of which have broken their moorings and are floating up and down the Irish coast.

ACID IN STOMACH SOURS THE FOOD

SAYS EXCESS OF HYDROCHLORIC ACID IS CAUSE OF INDIGESTION.

A well-known authority states that stomach trouble and indigestion is nearly always due to acidity—acid stomach—and not, as most folks believe, from a lack of digestive juices. He states that an excess of hydrochloric acid in the stomach retards digestion and starts food fermentation, then our meals sour like garbage in a can, forming acid fluids and gases which inflate the stomach like a top balloon. We then get that heavy lumpy feeling in the chest, we eructate sour food, belch gas, or have heartburn, flatulence, waterbrash, or nausea.

He tells us to let aside all digestive aids and instead, get from any pharmacy four ounces of Jad Salts and take a tablespoonful in a glass of water before breakfast while it is effervescing, and furthermore to continue this for one week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Jad Salts is inexpensive and is made from the acid of grapes and lemon juice combined with lithia and sodium phosphate. This harmless salt is used by thousands of people for stomach trouble with excellent results.

EVERY STREET IN PENDLETON.

Has Its Share of the Proof That Kidney Sufferers Seek.

Backache? Kidneys weak? Distressed with urinary ills? Want a reliable kidney remedy?

Don't have to look far. Use what Pendleton people recommend. Every street in Pendleton has its cases.

Here's one man's experience.

Let S. P. Hutchinson, prop. West End Chop Mill, 1616 W. Webb St., tell it. He says: "I was caused a great deal of suffering by a dull pain in my back just over my kidneys. For a long time I didn't think it was caused by weak kidneys, but I often noticed that my kidneys were sluggish and that the kidney secretions did not pass freely. Doan's Kidney Pills relieved the pain in my back and troubles with the kidney secretions." (Statement given May 13, 1910)

OVER TWO YEARS LATER Mr. Hutchinson said: "I still use Doan's Kidney Pills with very good results. Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Hutchinson had. Foster-Milburn Co., Props., Buffalo, N. Y."
