Newsy Notes of Pendleton

More Yards Arrive.
Trombley & Simpson, local agents for the Ford, received another carload of these machines this morning.

Returns to School.
Joe Narkaus, who spent the summer near Weston on a farm, has returned to his place in the ranks of the seniors at the high school.

Athena Bandmen Here.
The Athena bandmen, who have united with the Round-up band to make a bigger organization for the Round-up next week, were down last evening to attend rehearsal.

H. S. Athlete Goes East.
Pete Osborne, star pole vaulter on the Pendleton high school track team last season, has left for Iowa where he will finish his education. He will stay with his brother in Iowa City. His departure is a source of much regret.

Working on Railroad Street.
The Warren Construction Company is making the fill on Railroad street preparatory to paving it between Main and Willow. The dirt is being taken from the library site and is being rolled compactly before the crushed rock is put on.

Car Coming from Salem.
Secretary Marsh of the Round-up this morning received a letter from Kit Carson, who has been working for the Round-up in the Willamette valley, in which he states that he has completed arrangements for a special car of Round-up visitors from Salem.

A 12 Pound Baby.
A twelve pound baby was born last evening to Mr. and Mrs. Lawrence Stover of 2100 West Welsh street.

Trophies Go To Portland.
The trophies, which will go to the winners of the Round-up next week, were shipped to Portland this morning and will be placed on exhibition in the windows of the Meier & Frank company.

Two Divorces Granted.
A divorce was granted yesterday in the case of Ethel L. Edwards vs. Walter G. Edwards and the plaintiff's maiden name of Kennedy was restored to her. One was granted today in the case of Eliza J. Leslie vs. John N. Leslie.

Round-up Timers Named.
The directors of the Round-up this morning announced their selection of timers for the racing events on the Round-up program next week, as follows: George E. Peringer, John Luck, E. L. Swartzlander, C. C. Peringer, Tom Thompson and Wesley N. Matlock.

Goes To Vale.
Jack Watson, well known local salesman who was formerly vice-president of the Wohlberg Department Store, left last evening for Vale where he has accepted a position in a big mercantile store. Mr. Watson was one of the directors of the Round-up but resigned his position several weeks ago. The vacancy will not be filled this year. He was acting as treasurer of the association.

Enlarging Happy Canyon.
Carpenters have almost finished extending the walls of the "Red Dog" saloon in Happy Canyon in order to give 25 feet additional space for handling the big crowds. Some extensive alterations of the "town," too, are being made. The band stand has been moved and the false work, which obstructed the view of the store fronts, has been torn out.

Bringing Own Roping Horses.
Last year Gen. Francis of Havre, Montana, and J. C. Mable of Gillford, Montana, took part in the Round-up contests and they attributed their failure to get the money in the steer roping contest to their poorly trained horses. They promised then to come back this year with their own roping horses and this morning the directors received a telegram announcing that the horses had been shipped.

Had a Third Alternative.
"I either have to beg or hold some body up," was the plaint of Donald Boylen, brought before Judge Fitz Gerald this morning on a vagrancy charge. The judge reminded him that there was another alternative and forthwith sent him to jail for five days. He admitted he was able bodied but said he could get no work. "I only begged from those who were able to give," he said.

Bought Shropshire Band.
By a trade finished today James C. Hoskins, young Stanfield sheepman, has purchased the J. E. Smith Livestock company's son head band of Shropshire ewes. These are pure bred sheep and the band is the largest band of pure bred Shropshires in the northwest. Mr. Hoskins will use the band for the production of breeding stock on his ranch in the west end of the county. A high price was paid for the band.

Returns from Convention.
W. W. Harrah, well known farmer, who represented the Oregon and Idaho Farmers' Union at the national convention held in Lincoln, Nebraska, arrived home on the noon train today. While east he visited in Duluth, Minneapolis and other points for the purpose of studying the methods of handling grain. Mr. Harrah was gone a month and never found any use for the Palm Beach suit he took with him.

To Enter College.
Cecil Curl, son of Mr. and Mrs. Frank Curl, and a graduate of the high school last spring, will leave Friday to enter the Oregon agricultural college. Charles Russell and Leonard Mentzer, also graduates of the high school, also plan to enter the same institution this year. Chester Pae left a few days ago for Eugene to begin his senior year at the University of Oregon and Folsom Tallman and Harold Brock have been there for over a week.

Arndt to Meet Local Man.
A wrestling match between Walter Arndt of San Francisco, who is with the Campbell carnival company, and Arthur Newman of Pendleton has been arranged for tomorrow evening, and it will be preceded by two boxing preliminaries. Bob Carrier of Pendleton and H. Bidwell of Astoria will box three rounds and Bob Gray of Hoquiam and R. Rinder of Dayton will box the same distance. The wrestling match will be for the best two out of three falls. Police Gazette rules.

Auto Truck Grows Horns.
Mounted on the front of D. B. Waffie's big auto truck today is a pair of wide-spreading, brass-knobbed steer horns, the same pair that created so much amusement in Happy Canyon last year. Originally they belonged to the steer that the Round-up owned and which later was sold to the Pendleton Meat Co. The meat company sold it to J. R. Raley and Bert Whitman who loaned the animal to Happy Canyon last year. The steer was turned into the "street" each evening and caused a great deal of excitement in its rushes at the cowboys. They are a magnificent pair, measuring three and a half feet from tip to tip.

Judgment is Granted.
Judgment for \$197.75, interest and costs was rendered yesterday in the case of Matt McGroves vs. M. A. McCumber et al.

C. Edmund Improved.

Alleged Horse Thief Caught.

Return From California.
Mrs. George Peringer and son, Carl Peringer, arrived home on the morning train from a visit in California. They spent a few days in Portland on their return. Miss Muriel Peringer, who went south with them, remained in California and has entered the Castillo fashionable boarding school at Palo Alto.

Three More Marriage Licenses.
September is proving the banner month of the year for Cupid and his allies. Three marriage licenses were issued yesterday and three more were issued today as follows: Charles Lester Hurst and Edith E. Raley, both of Pendleton, Ralph Atchison of Umatilla and Anna K. Betz of Pendleton, and Thomas Hutchinson and Loh Kern, both of Helix.

Brother of Murdered Man Here.
Ed Oving of Kirksville, Missouri, arrived on No. 17 today, accompanied by a friend, to take charge of the belongings of his brother, J. T. Oving, who was recently murdered by John Richardson. He contemplates disintering the body and taking it back to Missouri with him. He states that his brother, until five years ago, lived in Missouri.

More Citizens Made.
Manuel V. Alves and Manuel Pedro, both natives of Portugal, were admitted to citizenship yesterday afternoon and this morning by Judge Phelps. The hearings of Jean B. Tardiff, George Edmund, Polydore Dierick, Demetrius Sarantos and George C. Patterson were continued for one reason or another. In the questioning preliminary to the granting of the final papers, Judge Phelps has asked each one whether or not, in the event of war between the United States and his mother country, he would be ready to take up arms for this nation.
