Upper Snake River **Idaho Lands**

We have been selling Idaho lands to Pendleton and Walla Walla people for three years. Many yields were over 50 bushels per acre this year.

We have some good wheat farms in large or small tracts. Also stock ranches, and some small irrigated tracts close to town. Have three good wheat ranches to rent for a term of years. If our lands can not be bought for less than half price of lands here on an average, and if they do not produce more under thorough cultivation per acre, we will pay your expenses to see the lands. Will be at St. George Hotel, Pendleton, all this week.
