**SIX BIG WARSHIPS TO BE BUILT FOR NAVAL BATTLE CRUISERS WILL BE INCLUDED IN THE NAVAL PROGRAM.**

WASHINGTON, Sept. 25.—The building program of the General Board of the Navy will call for at least six big ships, it was learned from authoritative sources at the navy department. At least one, and possibly two, of these will be battle cruisers and the rest super-dreadnoughts.

At present the navy has no battle cruisers, but experts of the general board are convinced that the development of this type by nations against which the United States is obliged to prepare makes it necessary to provide ships of this type without delay.

**Battle Cruiser Proved Useful.**

Japan, Great Britain and Germany have experimented with the battle cruiser and have amply demonstrated its usefulness. It has been shown that there is no effective way of combating a battle cruiser except with ships of the same type, and for that reason, experts say, it is absolutely necessary for the United States to construct them. Submarines are considered as auxiliary only.

The board is at work on a comprehensive battle cruiser program which it is hoped, can be followed from year to year until the navy is equipped with an adequate number. Certain members of the board favor building two a year, beginning at once, and continuing at that rate until the required ratio to over navies is reached.

**HARRISBURG SPENDS \$5,000 "FIXING UP"**

HARRISBURG, Pa., Sept. 25.—Harrisburg has been celebrating for three days.

Back in 1901 Harrisburg discovered that as a city it hadn't much to brag of except being the state capital and that it scarcely deserved that honor. Only a mile or two of paved streets, no parks worthy the name; no playgrounds, drinking water heavy with ground dust and disease germs—everything, in fact, just about what it ought not to be.

So Harrisburg borrowed \$1,000,000 and proceeded to dress up. Later it made other loans, until the aggregate was \$2,451,000, while that much more was spent by individual property-owners paying for improvements in front of their real estate.

The city has more than seventy miles of paved streets, mostly street asphalt; far more than 1000 acres of public parks, most of which it owns outright; a plant which filters all water used in the city; summer playgrounds and swimming pools for children; a summer camp for children; tennis courts and golf links for the adolescent and adults and a river front and river basin which has been improved in a manner unique in the entire world.

The plans originally made in 1901 have been completed, which is the wherefore of three-day celebration ending today. Other plans have been made for the future and probably will be executed, for a remarkable thing about the expenditure of the millions of dollars has been that no one ever has yelled "graft."

The three-day celebration includes unveiling of markers, parades, addresses, etc., concluding with a street cabaret in Market Square tonight.

**Dynamite Suspect Arrested.**

ALTOONA, Pa., Sept. 25.—Suspected of planting 25 sticks of dynamite a lighted fuse attached to the Carlin Limestone Company plant, George Verbanuit, an Austrian, was arrested. The company furnished limestone for the mills making ammunition for the allies. The alleged plot is taken as a part of the plot to cripple American munition production.

Only four of Iowa's 229 agricultural exhibitors at San Francisco have failed to win a prize. Iowa took first place in the state contest.

16,000 AT ROUNDUP.

(Continued from page one.)

Matthews took over a minute to down his brute.

Geo. Weir Wins Event.

Seven ropers with best time of first two days entered the finals today of the steer roping contest. The best average time for two steers decided the new champion of the world, who is George Weir of Monument, New Mexico. Yesterday he threw his steer in 31 2-5 seconds and today made his throw and tie in 27 2-5, giving him a total time 1 minute 3 4-5 seconds, and an average of 34 2-5 seconds. His brother, Charles, took second money by making the fastest throw today, 30 2-5, giving him an average time of 45 1-5. Red Parker, champion buckaroo of last year, who had the best time for a single steer, had hard luck today, being compelled to bust his steer three times. However he nosed George Frances of Havre, Mont., out of third money.

Buffalo Vernon couldn't keep his steer down and failed to finish while Dan Clark missed his steer. Dell Blancett made a good throw today but failed to make fast enough time to get the money.

**BIG FARM CONGRESS TO OPEN AT DENVER**

DENVER, Colo., Sept. 25.—A key of pure gold taken from the mountains of Colorado will open the gates of the International Soil-Products Exposition and Farm Congress here. Dr. W. H. Sharpley mayor of the city will turn Denver over to the managers of the great exposition and Gov. George Carlson will extend the hospitality of the whole state to the farmers of the world. Others who will make speeches at welcome are John Valley, chairman of the local board of managers, Thomas R. Stearns, president of the Denver Chamber of Commerce, W. I. Drummond, chairman of the board of governors of the exposition and congress, and R. F. Hanford, director general of the exposition. The exhibits are all ready for the inspection of the 200,000 visitors who are expected by the managers of the exposition.

These exhibits will include a \$20,000 government display, the largest ever made in this country, exhibits from 20 states west of the Mississippi, and many foreign countries, and will include all soil products raised with or without irrigation.

**NEW YORK LAWYER NOW A BELGIAN OFFICER**

NEW YORK, Sept. 25.—A dispatch from Paris states that Frank T. Colby, New York lawyer, Harvard graduate and society man, is now a lieutenant and is fighting with the Belgian army. The dispatch adds that he has been decorated for bravery.

As a leader of a squad of motor ambulances he has served in Belgium for the past ten months.

Lieut. Colby was a lieutenant in Squadron A, New York national guard and is known as a big game shooter in Alaska and Africa. He has many trophies of his big game hunts.

He is a fellow of the Royal Geographical society and a member of the Harvard, Travellers, Explorers, Yennis and Baquet of Boston, Squadron T, Hasty Pudding of Harvard, Institute of 1776 of Harvard, Delta Kappa Epsilon and Zeta Psi.

Ore found in the Yellow Pine mining district of Nevada contains rich platinum deposits.

**\$8000 Farm Home Burns.**

WALLA WALLA, Wash., Sept. 25.—Joseph Toner's fine suburban home at Prospect Point was totally destroyed by fire.

Insurance of \$4000 was carried on the building but the loss is estimated at nearer \$8000.

The Toner house was one of the oldest in that section. It was a large two-story frame building. Mrs. Toner was away from home and Mr. Toner had been working on the farm. The home is too far from the city limits for the fire department to make the trip.

**Malady Losing Terrors.**

PHILADELPHIA, Sept. 25.—Dr. Jefferson D. Gibson, of Denver, president of the American Association of Clinical Research, declared in an address here that within 10 years medical science probably will have succeeded in all but eliminating death from tuberculosis from vital statistics.

**\$5.50**

If you want a watch bad you want it good.  
 Watch buyers of experience are finding it expensive to buy pocket clocks for timekeepers.  
 One man said, "I'm tired of buying those tin watches; gimme a good one."  
 To those who cannot afford a good watch we recommend the \$5.50 Elgin which is a standard watch.

**BAKER DELEGATION GETS WILD WELCOME ON ARRIVAL IN CITY**

**BUCKING HORSES INTERRUPT CRUCK WAGON BREAKFAST—EVERYBODY SCOOTS**

One hundred and twenty-five strong the Baker delegation arrived here at 3 a. m. today aboard three special coaches and during the day there was no more enthusiastic visitors than the troop from the famous city near the border.  
 Bright and early this morning the Bakerites were taken by stage coaches to the cowboy camp at the Round-up where they were guests of the Happy Canyon organization at a chuck wagon breakfast. It was a fast and furious affair. During the breakfast several Round-up buckers were brought forth to be ridden and two of the horses headed straight for the breakfast table. There was consternation, particularly on the part of the visiting ladies but no injuries were inflicted upon the guests.  
 At 10 o'clock the Bakerites paraded Main street headed by Churchill's Hungry Band, first medal winners at the recent Baker county fair.

**GREEKS ARE ANXIOUS TO ENTER THE WAR AGAINST BULGARIA**

**PEOPLE ARE FILLED WITH ENTHUSIASM—ALLIES LEGATIONS CHEERED.**

ATHENS, Sept. 25.—Greece is fired with the war spirit. Crowds surged in a parade through the streets last night in a demonstration favoring an early war move, while automobiles hurried past, carrying officers responding to the king's land mobilization decree. Crowds gathered at the allies' legations in outbursts of enthusiasm. Bulgarian and Turks were not molested.  
 Newspapers are cautious in their comment on developments but expressed the hope the mobilization move does not mean Bulgaria intends to start a third Balkan war.  
 The newspapers informed the people that the ministry does not intend at present to plunge Greece into a bloody struggle, but declared that the government deserves the nation's support in resisting Bulgaria's attempt to upset peace in the Balkan states.  
 Mobilization will be well advanced when parliament meets. It is believed the Bulgarian intentions will be disclosed by then. The government will ask that it be granted full powers to proceed with military measures.
