BROTHER OF LOCAL MAN IS DEAD AFTER LONG ILLNESS

T. C. PETERSON PASSES AWAY AT ST. ANTHONY'S HOSPITAL SUNDAY.

For several months, T. C. Peterson of this city, a brother of P. C. Peterson, well known resident, died last evening shortly after 6 o'clock at St. Anthony's hospital. The funeral will be held tomorrow afternoon at 2 o'clock in the Brown chapel.

Deceased was a native of Denmark, having been born there on May 25, 1879. When but two years old, he came to America with his parents. He first came to Pendleton about five years ago. His brother is his only living relative in this part of the country. He was a member of Integrity Lodge No. 92, I. O. O. F. and members of that order will take charge of the funeral arrangements.

STUDENT BODY OF H. SCHOOL HOLDS ITS FIRST MEETING

The first assembly of the student body was called this morning by Prof. Gambee. He gave a short talk concerning the requirements for exemptions from studies during the semester. Prof. A. C. Hampton then made an earnest appeal to the students for their cooperation in the school work and to help toward raising the standard of the school.

After the assembly a meeting of the boys was called by Prof. Hampton. Mr. Hampton asked the boys for their help in carrying on the football work and gave assurance that the school faculty was behind all that the boys did.

Mr. Maloney, president of the student body and who has always been the leader in carrying on the different activities promised his support toward helping everything to the end.

Mr. Gambee, who is very much interested in high school activities, made a brief but concise talk about "pep" in the football game. He told the boys to can the word "can't" and get out and work.

Prof. Livingston then spoke about helping the coach, to do as he wishes, to cooperate with him and to work where he wants you to work. Great enthusiasm was shown by the boys, which is a good promise of a fine turn out at tonight's practice, which is to be held for the first time at Round-up park.

Odd Fellows Notice.

All members of Integrity Lodge No. 92, I. O. O. F., are requested to meet at the Odd Fellows hall on Tuesday, September 28, at 1:45 p. m., for the purpose of attending the funeral of our late brother, T. C. Peterson.

HAPPY CANYON CLOSES.

(Continued from page one.)

ounced the vows. When they had been declared man and wife and the minister had made a short prayer, the bride and bridegroom rode out of the crowd cheered and pelted with confetti and rice.

More than 5000 people crowded into the pavilion where the festivities were held and the only reason there were not ten or fifteen thousand present was the lack of seating or standing room. As it was the street of the frontier town was so packed that the hour's program was held with difficulty. The program was nevertheless, received with wild applause.

The steer fight saw a couple of dozen cowboys so eager to snatch the ten dollar strap from the animal's horns that the long horned brute was almost smothered beneath the pile of struggling buckaroos when he was finally stopped in his flight. The strap was removed and three cowboys rode the steer until they were piled off. Four cowboys had hold of the strap and for fifteen minutes were the center of a pushing, pulling, struggling mob as they fought for possession. Police, officials and a stream of water failed to break up the good-natured fight and it was only stopped when an extra ten dollars was promised.

Never were the gambling games or the big dance patronized by such a mad-merry throng. The "Red Dog" was almost a solid jam and, when several of the cowboys rode through on their horses, there was a wild scramble. It was one of those unexpected features that gave color to the entertainment and made it all seem more real.

Late in the evening, Ten Buck bills were scattered broadcast by those who had made large winnings. Every bit of "likker," all of the cigars, tobacco, gum, ice cream and in fact everything for sale was bought up and still there were Bucks galore.

When the lights were finally dimmed, the crowd was loath to go and until far in the morning the yipping, the yelling and pistol shots testified that the 1915 Round-up crowd was still celebrating.

Happy Canyon was more of a success this year than last in every particular and the visitors were almost as enthusiastic over it as they were over the Round-up. The receipts for the four nights amounted to considerably over \$6000 and, when the expenses are all paid, there will be a neat balance in the treasury of the Commercial association.

interest in the Roundup to as much as put a ten cent flag in front of their places of business. Had the saloons been eliminated, there would have been but little drunkenness and rowdiness in the city.

"And the Happy Canyon! Well, the Happy Canyon was all that it was intended to be, a sort of burlesque, the reproduction in miniature of an old frontier town with the lid off. The people were there to have a good time and everyone seemed to be having it. The Happy Canyon has a place in the Round-up. It takes care of the crowd during the evening and furnishes them amusement at little cost. Had it not been for Happy Canyon these four or five thousand people would have been turned loose on the streets. The saloons would have done a more flourishing business and we would have had a street carnival

and yet happy. The city is now almost deserted of the vast throng that was here for the big week. Saturday evening right after the show the trains began to carry away the visitors but there was no noticeable decrease until the late night and early morning trains pulled out. All of the trains of yesterday were heavily laden with departing guests and automobiles were leaving at every hour.

The city is stripped of her gay decorations, the cowboy and cowgirl performers have for the most part ridden away and the Indians, camped by the hundreds at the park, have folded up their tents and trekked back to their reservation homes. All is over until another year but the big success of the city's annual festival has left every resident feeling proud.

REBUILDING OF TELEPHONE LINES, NORTH SIDE, STARTS

CREW OF 10 MEN IN CHARGE OF ENGINEER CHAWFORD IS NOW ON JOB.

Actual construction work on the rebuilding of the telephone system north of the river was begun today by a crew of ten men in charge of Engineer Chawford who arrived last Friday. It is anticipated that the work as planned, will be completed within four weeks.

Some time ago the Pacific Telephone & Telegraph Co. made an appropriation of \$5250 for the rebuilding of the north side lines. The entire plant north of the river will be rebuilt and this will eliminate much of the present trouble due to open wires. The wires will be carried in lead-covered cables which will be much more sightly as well as more serviceable than the open wires. The new plant will also give the company additional facilities for regrading and giving a higher class of service to patrons.

THE NEW TENNIS DOUBLES CHAMPIONS

JOHNSTON
GRIFFIN

William M. Johnston. Clarence J. Griffin. T. C. Bundy. Maurice E. McLoughlin.

New Ten's Champions Winning Their Title.

William M. Johnston shone again as a tennis champion when with the help of Clarence J. Griffin he beat Maurice E. McLoughlin and T. C. Bundy for the tennis doubles championship at Forest Hills, L. I. The day before he had won the singles championship by beating McLoughlin in the final of the tournament. He and Griffin challenged McLoughlin and Bundy the doubles champions and won after a struggle.

Johnston, twenty years of age, is the sensation of the year in tennis just as was McLoughlin when he beaten to shine. Like McLoughlin has he a California. So is Griffin. Thus all the best championships are held by Californians.
