When Pendleton Citizens Show a Way.

There can be no reason why any reader of this who suffers the tortures of an aching back, the annoyance of urinary disorders, the pains and dangers of kidney ills will fail to heed the words of a neighbor who has found relief. Read what a Pendleton citizen says:

Mrs. William McGregor, 711 Lillieth street, Pendleton, says: "I was troubled more or less all my life by weakness of the kidneys. My hands and feet swelled and sometimes my whole body bloated. A steady pain in the small of my back and sides annoyed me and when doing my work, it was hard for me to stoop after stooping. When I did stoop, sharp twinges shot through my back and sides. Dizzy spells and headaches were common and I couldn't rest well. In the morning I felt all tired out. It would be hard to describe the misery I went through. I tried many remedies and spent a great deal of money for doctors' treatment, but got no relief. Finally, I saw Dean's Kidney Pills advertised and the first bottle helped me. Continued use cured the aches and pains in my back and regulated the action of my kidneys. Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Dean's Kidney Pills—the same that Mrs. McGregor had. Foster-Milburn Co., Props., Buffalo, N. Y."

MANY ATTENDED THE BIG FRONTIER SHOW FROM ECHO SATURDAY

RAILROAD CARRIED 154 VISITORS TO ROUND-UP ON THE LAST DAY.

Many More Came in by Automobiles—All Well Pleased With Events—Depot Agent of Echo Leaves on Vacation—Will Go to Fair at San Francisco—Other News.

(Special Correspondence)

ECHO, Ore., Sept. 27.—Echo turned out in full force last week to attend the Pendleton Round-up. On Saturday morning there were 154 tickets sold for No. 18 alone, not to mention those who went on later trains and by automobile. There was considerable dissatisfaction on account of the train which the R. R. company advertised would leave Pendleton for the west end of the county on Saturday night at 10:45 but which in reality did not leave for an hour later, causing their patrons to stay around the depot waiting when they might have been enjoying themselves elsewhere.

The first dust storm in several weeks prevailed here Sunday. F. C. Hunter, well known depot agent for the O.-W. R. & N. Co., at this place, has left on a vacation. He attended the Pendleton Round-up and has gone on to San Francisco, where he will visit the fair. From there he will go to his old home in Iowa before returning. In his absence S. J. Sterns will have charge of the depot.

Roy Swart of Gibbon is assisting as telegraph operator here. Prof. W. W. Green and wife were weekend visitors at Freewater. Mr. and Mrs. Ed Hammer of Gardane are visiting here. Jas. A. Van Derveken of Burke, Idaho, who has been an out of town visitor here the past few days, returned home this morning. Carl Scholl of Walla Walla spent yesterday here with relatives. George Connell is here on a short visit with his mother, Mrs. Bert Tefft. Jos. Cunha, Jr., was a passenger on No. 2 last evening to Pendleton. James Hoskins and wife are visiting in Pendleton.

Girl Typist Has a Heart.
 ST. PAUL, Sept. 27.—A St. Paul stenographer, moved by the plea of a workman at the Snelling speedway, lent him \$2 of her own money to attend the wedding of his two daughters to twin brothers at Sioux Falls, S. D.

The stenographer is employed in the office of the Sperry Realty company. The workman had considerable money due him, but like others, he was unable to obtain it. With a few minutes to spare before train time the workman rushed to the real estate office.

"I've got to see Mr. Sperry in a rush," he implored.

"He is not here," explained the stenographer, "and won't be back for some time."

He had to tell some one of his predicament. He told the stenographer. She had visions of a wedding without "papa" being present. It was awful.

"How much do you have to have?" she said.

"Well, \$2 will be enough, with what I have."

She opened her pocketbook, pulled out \$2 and handed it to the man. He left.

When J. F. Sperry heard of the affair he promptly reimbursed the stenographer and telegraphed more money to the man.

Old Romance Is Capped.
 LONG BEACH, Cal., Sept. 27.—A romance dating back 50 years reaches its climax here in the marriage of Emily Collins Brady to James Norman Gridley. The couple were sweethearts half a century ago, but fate saw fit to divide their ways and each later in life married.

In the presence of a few friends, they were married by a mutual friend, the Rev. U. G. B. Pierce, chaplain of the United States senate. Following a wedding breakfast, they left for a short trip to the exposition after which they will revisit the scenes of their youth in the middle west.

Amusements

What the press agents say about Pendleton's present and coming attractions.

The Kenworthy Players at the Alta Theater tonight will offer an entire new show and will present the sensational 4-act play of big city life entitled "A Woman's Past," a play that is right up to the minute in every way and containing a big plot, strong dramatic situations and a vein of comedy. A story of love and blackmail cleverly written and produced by a capable company of players. A capacity house greeted the company's opening performance last night and from the enthusiasm shown it would be well to come early and be sure of a good seat. Pictures will also be shown, starting at 7 and curtain rises on play at 8:30 sharp.—Adv.

WAR ODDITIES.

LONDON—Word from Northern France says that three cannon balls have been dug up near Ypres by British soldiers, doubtless relics of the siege by the French in 1794 when the Austrians were vanquished.

NORTHERN FRANCE.—British sappers, mining under the German trenches, burrowed into a German mine, cut the wires and "stole" a ton and a half of high explosives.

LONDON.—Only two cases of drunkenness among a population of 100,000 have occurred in the Mid-Tyne area since the liquor restriction order was put into effect, it is declared.

Football Season Opens.
 NEW YORK, Sept. 25.—The football season opened today throughout the east. The weather conditions are crisper and more conducive to playing than last season. Major contests were not on the lists but several battles to test the mettle of the big elevens are booked.

"A LIFT OR A LOAD"

Mr. Retailer, how many of the brands you carry on your shelves are a "lift" and how many are a "load?"

How many do you have to push by sheer weight in order to sell?

How many actually serve to bring customers to your store and so lift your business?

Is it not a fact that goods advertised in the newspapers contribute a lift?

Is it not to your interest to favor newspaper advertised products?
