Circulars of much interest to local members of the Parent-Teachers' association, through the fact that the local clubs will send delegates to the state convention at Corvallis, have been received here. One of the important matters to come before the convention will be the selection of a state president, and a committee comprising Mrs. Alva Lee Stephens, president of the Portland council, Parent-Teachers' association; Mrs. A. King Wilson, chairman of the Parents' Educational bureau; and Mrs. R. E. Bondurant, chairman of the State Widow's Pension bill, have prepared circulars to be sent organizations in the state, advocating the election of Mrs. George W. McMath of Portland as president of the state societies. It is said that Mrs. McMath has not solicited this position but her friends in Portland believe she is well qualified to hold the position and have gone forward with the presentation of her name and solicit the support of women in other sections of the state. She Will Recover

So her doctor said. Her friends and neighbors felt sure of it too. They have used Peruna themselves and know of its merits. That old cough that had worried her for years and years, for which she had taken all sorts of cough medicines, has disappeared. Peruna is doing the work. She will recover. Indeed, she has recovered.

Her name is Mrs. William Holmann, 2764 Lincoln Ave., Chicago, Ill. She had suffered with catarrh of the bronchial tubes and had a terrible cough ever since a child. As she got older she grew worse. She coughed both winter and summer. Had to sit up at night. Could not sleep. "But all that has left me now, Peruna has cured me."

There are others, and there is a reason.
