### MERE MAN DEFENDED BY CHARMING LADY AT MOTHERS MEET

POORLY TRAINED WIVES ARE LARGELY RESPONSIBLE FOR BROKEN HOMES.

Mrs. Trumbull Champions Cause of the Husband at Corvallis Gathering—Other Speakers Support Her Line of Argument.

CORVALLIS, Oct. 21.—The Oregon Congress of Mothers and Parent-Teacher Association, began their annual convention here today, with 150 visiting delegates and a like number of Corvallis women.

Promptly at 2 o'clock Mrs. Arlene W. Felix, president, called the convention to order. After an organ solo, Dr. Anna Louise Strong, of Washington, D. C., addressed the convention on "Children's Interest as Shown in Junior Expositions." Other papers of the afternoon session were a digest of Oregon "Widows Pension Law," by Mrs. R. E. Bondurant, of Portland, and "Moral Conscience as the Foundation of Character," by Judge T. J. Cleston of Portland. Discussions followed the papers read.

The sensation of the afternoon was a defense of the men, made by Mrs. Millie Trumbull, one of the delegates, following Judge Cleston's address.

**Wives Blame for Poor Homes.**  
She said the daughters are not taught home-making, that half of the girls who seek work consider themselves above doing housework, and that fully half of the shiftless homes are due to bad wives. "Better a divorce than scrapping parents," she said.

Others followed Mrs. Trumbull in defense of the men. Mrs. Bondurant, in her discourse of the widows pension law, said there are 24 states that have a widow's pension law. Of that number Oregon's was the first and New York's was the most recent enacted.

Of the money donated to widows' pensions, Illinois spent \$200,000 in the past year, while Multnomah county, Oregon, has spent \$13,000 this year and all counties of the state, except Gilliam and Marion, have responded in proportion. Two hundred Oregon children have had free school books, a like number have had their teeth attended to, and 120 have had adenoids and tonsils removed. There are now 563 applicants for help, she said.

**When Baby Has the Croup.**  
When a mother is awakened from sound sleep to find her child who has gone to bed apparently in the best of health struggling for breath, she is naturally alarmed. Yet if she can keep her presence of mind and give Chamberlain's Cough Remedy every ten minutes until vomiting is produced, quick relief will follow and the child will drop to sleep to awaken in the morning as well as ever. This remedy has been in use for many years with uniform success obtainable everywhere.—Adv.

**GREAT NORTHERN TO MAKE HONOLULU RUN**

PORTLAND, Ore., Oct. 21.—Plans for operating the liner Great Northern between the Pacific Coast and the Hawaiian Islands virtually have been completed in Portland and need only the approval of L. C. Gilman, president, to make them effective.

Mr. Gilman is due in Portland today from St. Paul, where he has been in consultation with officials of the Great Northern and Northern Pacific railways.

Cal E. Stone, traffic manager of the steamship line, arrived here yesterday to meet Mr. Gilman.

The Great Northern goes on the run November 26 and will have a sailing every 26 days out of San Francisco. The Great Northern will be on the Honolulu service until early in the spring, when she will go back to the Flavel-San Francisco run. Meanwhile the Northern Pacific will stay on the run between the mouth of the Columbia river and San Francisco, with a sailing from either terminal every four days.

Mr. Stone says that the Hawaiian schedule will permit passengers from Portland to make close connections at San Francisco.

**STOMACH MISERY QUICKLY VANISHES**

Your money back if you want it is the way in which Tallman & Company, the popular druggists, are selling Mi-o-na, the great dyspepsia remedy.

This is an unusual plan, but Mi-o-na has so much merit and is so almost invariably successful in relieving all forms of indigestion that they run but little risk in selling under a guarantee of this kind.

Do not be miserable or make your friends miserable with your dyspepsia. Mi-o-na will help you. "If it doesn't tell Tallman & Company that you want your money back and they will cheerfully refund it."

As a change for the better will be seen from the first few doses of Mi-o-na and its continued use will soon start you on the road to perfect digestion and enjoyment of food.

Mi-o-na has been so uniformly successful that every box is sold under a positive guarantee to refund the money if it does not relieve. What fairer proposition could be made?

Tallman & Company give their personal guarantee of "money back if you want it" with every box of Mi-o-na that they sell, a guarantee like this speaks volumes for the merit of the remedy.
