to stick. Put shoes and stockings on right over it. No pain, no fuss, 48 hours—corns gone. "Gets-It" never burns the true flesh, never makes toes sore. If you have tried almost everything else for corns, you will be much more surprised to see how quickly and easily your corns and calluses will come right off with "Gets-It." Quit limping and wrinkling up your face with corn-wrinkles. Try "Gets-It" tonight on that corn, callus, wart or bunion, and you'll be glad you read this.

SAGE TEA KEEPS YOUR HAIR DARK
WHEN MIXED WITH SULPHUR IT BRINGS BACK ITS LUSTRE AND ABUNDANCE.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wispy and scraggly, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the tonic at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound." Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully and removes dandruff, stops scalp itching and falling hair, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair; taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous and you appear years younger.

SPORTS

UNIVERSITY BARS BASKETBALL FROM COLLEGE CALENDAR

UNIVERSITY OF OREGON, Eugene, Oct. 22.—The suspension of basketball for the present as an inter-collegiate sport, the discontinuance of the pre-season training camp, the limiting of time for practice periods of varsity teams and the forbidding of official representatives of the university to scout for athletics were some of the measures university faculty adopted after three hours' debating over the investigating committee's official report, which was made public for the first time today.

Gate Receipts Regarded as Minor. They also acquiesced to the committee's athletic policy favoring the subordination of gate receipts as a minor factor in intercollegiate athletics and that the salaries of coaches, trainers and directors should be paid out of the general funds of the institution.

That any freshman or any other student during his first year be permitted to participate in intercollegiate contests was a policy meeting with favor at today's gathering.

Finally, the University of Oregon representatives at the Northwest Conference colleges in December urged upon other collegiate delegates to prohibit scouting and prohibit the adoption of the "one-year" rule.

Educator Gives Views.

COVALLIS, Ore., Oct. 22.—What great assistance the woman teacher can be to the community and school was pointed out today by J. A. Churchill, state superintendent of public instruction, addressing the annual convention of the Oregon Congress of Mothers and Parent Teachers associations.

The teachers not only should mold the characters of her charges, he said, but should take such part in the social and civic activities of the community that her moral effort would be felt. The convention will close tomorrow.

HOG MARKET IS SATISFACTORY

The loss in the Chicago and other eastern prices today was generally expected; in fact, had been forecast for some time by local interests.

No tops were received at North Portland today but the next best sold at \$7.95, indicating an unchanged market.

General hog market:
Best light \$7.60-7.70
Medium light 6.75-6.85
Good to heavy 6.25-6.50
Rough to heavy 5.90-5.75

Cattle Market Weaker.
Cattle market is showing a weaker tone at North Portland. There is practically no open demand for cows and sales in that division must be forced, even at extremely low prices.

While there were further serious declines in the price of hogs at eastern and middle west points today with killers there sitting tight on the price bid, the local market was generally of favorable character with values well maintained.

TAKE SALTS TO FLUSH KIDNEYS

EAT LESS MEAT IF YOU FEEL BACKACHE OR HAVE BLADDER TROUBLE.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels, removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.

General mutton and lamb prices:
Select interior lambs 7.25
Ordinary interior lambs 6.50-7.00
Willamette valley lambs 6.00-7.00
Select yearlings 8.25
