To swell the fund with which a piano will be purchased for the school, the Parent-Teachers' association of the Lincoln school will entertain this evening in the school building with a Halloween event. The general public is invited and there will be no admission though a silver offering will be taken.

The committee in charge has prepared a very excellent program of musical numbers and short talks. Rev. J. E. Snyder of the Presbyterian church will give the opening invocation and will be followed by a mothers' and teachers' song led by the sixth grade. Judge G. W. Phelps will speak on the parent-teacher's association from the school board's standpoint. Capt. A. C. Hampton will give the teacher's view of the association and Rev. Snyder will tell what the association really is. Vocal numbers will be contributed by Mrs. Carl Power and Miss Edna Covitt and Miss Margaret Phelps will play a violin solo. A paper will be read by Mrs. Cohen and the program will be concluded by the song, "Oregon."

Mrs. Lena Cohen, Mrs. Henry Dix, on Jones Mrs. Frank Hayes and little son, Burke, and Mrs. Richard Marberry motored to Walla Walla and returned yesterday.

This evening in the Moore Hall the high school students will give a reception and dance for the visiting La Grande football players.

Rev. J. E. Snyder will leave Monday for Portland where he will deliver the annual address before the Oregon Social Hygiene Society at the Benson hotel. Later in the week he will visit North Powder and Baker in behalf of the society.

On Wednesday evening Miss Evelyn Klemm entertained a few friends informally at her home on West Baker street. Her guests included Mrs. Edward Tovey, Mrs. Merle Farrell, Mrs. L. K. Bentley and the Misses Ethel Newquist, Grace Finnell, Eliza Robinson, Carrie Ward, Nellie Anshel and Grace Oliver.

THRILLING HORSE RACE IN THIS PHOTO PLAY

Anyone who likes to be thrilled by a spectacular horse race will get plenty of solid enjoyment out of the photo play at the Pastime Sunday. It is "The Sporting Duchess," from the famous play of the same name, with popular Rose Coghlan in the title role. The fact that Rose Coghlan and Ethel Clayton are in the cast alone stamps it as a masterful production, but nothing is left undone to make "The Sporting Duchess" one of the most remarkable motion picture achievements yet undertaken. The great horse race is only one of a score of thrilling incidents that flash by with a rapidity that grips from the instant the picture appears.

"The Sporting Duchess" teems with exciting incidents, first of all, because it's a soldier play—a story of English army life, with the action shifting back and forth between the British Isles and India. There's intrigue, of course, and a few swift fights that add piquancy to the plot. But, above all, there's a beautiful love story unfolded, so that while "The Sporting Duchess" has an appeal to the red-blooded, it is humanly sympathetic and refreshing. It is truly a remarkable film.

IN STERLING LIVES A GIRL

Who Suffered As Many Girls Do—Tells How She Found Relief.

Stirling, Conn.—"I am a girl of 22 years and I used to faint away every month and was very weak. I was also bothered lot with female weakness. I read your little book 'Wisdom for Women,' and I saw how others had been helped by Lydia E. Pinkham's Vegetable Compound, and I decided to try it, and it has made me feel like a new girl and I am now relieved of all these troubles. I hope all young girls will get relief as I have. I never felt better in my life."—Mrs. JOHN TITREAU, Box 115, Stirling, Conn.

Massena, N. Y.—"I have taken Lydia E. Pinkham's Vegetable Compound and I highly recommend it. If anyone wants to write to me I will gladly tell her about my case. I was certainly in a bad condition as my blood was all turning to water. I had pimples on my face and a bad color, and for five years I had been troubled with suppression. The doctors called it 'Anemia and Exhaustion,' and said I was all run down, but Lydia E. Pinkham's Vegetable Compound brought me out all right."—Miss LAVINA MYRNS, Box 74, Massena, N. Y.

Young Girls, Heed This Advice.

Girls who are troubled with painful or irregular periods, backache, headache, dragging-down sensations, fainting spells or indigestion, should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound.

PRESIDENT HAS GAINED IN SPIRITS AND APPEARANCE

WASHINGTON, Oct. 28.—The associates of President Wilson note with pleasure his improved appearance and greater cheerfulness since his engagement to Mrs. Galt. He looks several years younger than he did before the beginning of his friendship with her. He smiles most of the time now, and one would scarcely know him for the careworn man who had the weight of the Lusitania situation on his shoulders.

President Wilson attended church Sunday with his fiancée for the first time since his engagement was announced. They were accompanied by Miss Margaret Wilson. Word of their coming brought out such a crowd that many had to be turned away from the church.

KINDLY GROCER WAS SOURCE OF TROUBLE

PORTLAND, Ore., Oct. 25.—To correct what he thought was a mistake, an obliging grocer of Oswego, Or., in a telegram entrusted to his care, to be sent to Seattle, changed the word "Portland" to "Oswego." His well meant action caused R. L. Stanley, 269 Montgomery street, to become almost frantic with worry, as it temporarily separated him from his wife and family, got the police busy and resulted in a front page newspaper story.

 MORRAN BLDG., PORTLAND, ORE.

Mr. Stanley, who had been working in Oswego, sent a telegram to his wife and family in Seattle to come to Portland, and expected to meet them at the depot yesterday afternoon. He was unable to locate them, fearing that they had not received his original telegram. Stanley sent another to the Seattle address. The reply was in the form of a note from the telegraph company that the wife and children had left for Portland on a train leaving Seattle at 8:10 o'clock yesterday morning. Realizing that note he began a search of the depot.

The Travelers Aid bureau, the station, train crews and the police were pressed into service.

Later he started a search through the notes. Until an early hour this morning he searched but he could not locate them.

Bright and early this morning he appeared in the office of The Journal to enlist its aid in finding his family. Hardly had he left the office and was walking down Morrison street when he met his family looking for him.

Explanations followed and the mystery was cleared up.

MAMMOTH BYPLANE FOR NAVAL USES

WASHINGTON, Oct. 25.—Secretary Daniels signed an order at the navy yard of a giant biplane for the first aircraft to be built at any government establishment. Plans for the machine were prepared by navy engineers. The craft will have a carrying capacity of 2200 pounds and will make from 50 to 30 miles an hour for a period of seven hours without stop. It will be driven by two 140-horse power motors. When completed it will almost equal in area the great French battle airships recently constructed, and it is understood the navy ordnance bureau is at work on the design of a three-inch gun with which it can be equipped if desired.

In a statement describing the aeroplane, Secretary Daniels said its carrying capacity could be used for transporting fuel weapons or high explosives, and it would be of great value for long-range scouting. It has been suggested, too, that an aeroplane of this character might be used to carry a torpedo and sweep down over the barriers of a land-locked harbor to attack a fleet sheltered there behind the mines and shore defenses.

Rainbow seen at Night

HARRISBURG, Ore., Oct. 29.—A bright rainbow in the darkness was an unusual phenomenon observed here Friday night about 7 o'clock. The full moon broke through the clouds in the eastern sky while a shower of rain fell just west of the city.

The rainbow was perfect in outline and several of the colors were distinguishable.
